REGULATION ACTION**

CCR, Title 1, § 48

California Achieving a Better Life Experience (ABLE)
Program Trust Regulations

The California Achieving a Better Life Experience (ABLE) Act Board is proposing to adopt emergency regulations affecting qualified people with disabilities. The emergency regulations are proposed for adoption into California Code of Regulations, Title 10, Chapter 14.

Government code section 11346.1(a)(2) requires that, at least five working days prior to submission of the proposed emergency action to the Office of Administrative Law (OAL), the adopting agency provide a notice of proposed emergency action to every person who has filed a request for notice of regulation action with the agency. After submission of the proposed emergency to the OAL shall allow interested persons five calendar days to submit comments on the proposed emergency regulations as set forth in Government Code section 11349.6. Upon filing, OAL will have (10) calendar days within which to review and make a decision on the proposed emergency rule. If approved, OAL will file the regulations with the Secretary of State, and the emergency regulations will become effective for one hundred and eighty (180) days. Within the 180-day effective period, the California ABLE Act Board will proceed with a regular rulemaking action, including a public comment period. The emergency regulations will remain in effect during this rulemaking action.

Attached to this notice is the specific regulatory language of the California ABLE Act Board's proposed emergency action and Finding of Emergency. The restatement of law is necessary for clarity pursuant to title 1, section 12(b)(1) of the California Code of Regulations.
