Under the close supervision of the Executive Director and in learner capacity, this position will learn to perform duties for the State Charter School Facilities Incentive Grants Program which provides Federal funds as facilities aid to California public charter schools.

**DESCRIPTION OF ESSENTIAL FUNCTIONS:**

- Review applications for grant funding to determine eligibility, award amount and legal status based on established statutory and regulatory requirements (Federal and State); prepare reports and make recommendations thereon for the Executive Director, Authority members and U.S. Department of Education for consideration and presentation.

- Provide review of application documents; make content judgment on documents to ensure that the interests of the Authority, the State and the U.S. Department of Education are clearly represented and that any and all financial computations are accurate; advise the Executive Director on the status of each application, including standing with the chartering entity, level of low income students served, and overcrowding in the district, legal status, etc.

- Coordinate the collection and distribution of information from charter schools, school districts, various State and Federal agencies, and other interested parties. Prepare and monitor grant agreements with sub grantees to carry out the responsibilities of the Authority, including conducting due diligence of sub grantees’ eligibility and processing semi-annual or quarterly disbursements, as specified.

- Maintain data bases and other processes necessary to record, monitor and report on the status of all grant funding provided to sub grantees and available under the grant program.

- Assist with any rulemaking process necessary to amend the regulations required for the State Charter School Facilities Incentive Grants Program.
• Research alternative methods for determining a charter school’s level of service to California public school pupils who meet the definition of low-income; and the school district’s level of overcrowding.
