JANUARY-JUNE 2013 MUNICIPAL BOND ISSUANCE

California state and local public agencies have issued approximately \$30.2 billion in short and long-term debt during the first six months of 2013, a decrease of approximately 8.7 percent from the same period in 2012 (Figure 1).

Refundings accounted for more than 50 percent of the total long-term debt issued in the first half of both 2012 and 2013 as public agencies continued to take advantage of low borrowing rates (Figure 2).

The issuance of taxable debt increased slightly in the first six months of 2013 when compared to the same period in 2012. Taxable debt, which comprised 6.6 percent of all debt issued in the first half of 2012, represents 8.2 percent of the 2013 mid-year total. Figure 3 shows taxable debt issued by purpose.

STATE AND LOCAL TAXABLE ISSUANCE ACTIVITY, PURPOSE OF FINANCING

Mello-Roos and Marks-Roos Reporting Requirements

Issuers with outstanding bonds issued pursuant to the Mello-Roos Community Facilities Districts Act and Marks-Roos Local Bond Pooling Act are required by statute to report bond related information to the California Debt and Investment Advisory Commission (CDIAC). Described in this section are the annual and periodic reporting requirements for issuers of Mello-Roos and Marks-Roos bonds.

YEARLY FISCAL STATUS REPORTS (YFSRs)

MELLO-ROOS REPORTS. Beginning January 1, 1993, issuers of Community Facilities District (CFD) or Mello-Roos Bonds are required annually to file fiscal status reports with CDIAC by October 30th.¹ The Mello-Roos YFSR contains specific information on each bond issue, including, but not limited to, fund balances, assessed values, tax collection and reported delinquencies. Issuers are required to file an Annual Mello-Roos YFS until the bonds are no longer outstanding.

MARKS-ROOS REPORTS. Bonds issued for the purpose of acquiring local obligations under Marks-Roos Local Bond Pooling Act after January 1, 1996 are also required to annually file a YFSR with CDIAC by Oc-

tober 30th.² Information contained in the report includes, but is not limited to, the principal amount of bonds outstanding, authority bonds, loan and local obligations, reserve fund balance with percentage, tax collection, ongoing fees paid, and administrative fees collected. Annual Marks-Roos reporting is also required until the bonds are no longer outstanding.

To facilitate this mandatory reporting, CDIAC has developed a standardized YFSR for each program. These reports can be submitted online or by mail/e-mail. CDIAC's Data Collection and Analysis Unit (Data Unit) mails courtesy reminders annually by August 31st to all issuers of Mello-Roos and Marks-Roos bonds as identified in the CDIAC debt issuance database. This reminder contains the CDIAC Number and password needed to access online filing. Guidelines for completing the reports are available on CDIAC's website.³

DRAW-ON-RESERVE AND DEFAULTS

Issuers of both Mello-Roos and Marks-Roos bonds are required to report any defaults or draws on reserve to CDIAC. The notification to CDIAC must occur within ten days of the occurrence and applies to any Mello-Roos and Marks-Roos bond regardless of the issuance date.

Mello-Roos issuers are required to report either:

- A failure to pay principal and interest on a scheduled payment date, or

- A withdrawal from a reserve fund to pay principal and interest on the bond, if the withdrawal reduces the reserve fund below the required reserve amount.

Marks-Roos authorities are required to report either:

- A failure to pay principal and interest on a scheduled payment date, or
- A withdrawal from a reserve fund to pay principal and interest on bonds issued by the authority or any bonds acquired by the authority, if the withdrawal reduces the reserve fund below the required reserve amount.

Although not statutorily required, CDIAC issuers may voluntarily report to CDIAC the replenishment of reserve funds, as well.

All draws on reserve and defaults may be filed online using CDIAC's web-based form. Although electronic filing capability for the voluntary replenishment of draw on reserve is under development, issuers may use the mail-in version of the Draw on Reserves/Default report to complete this filing. Access to the online reporting portal and all forms, instructions and reporting requirements, is available on the CDIAC website under "Reporting Debt Issuance" at www.treasurer.ca.gov/cdiac/reporting.asp.

Requests for filing assistance or additional information can be made by email to the Data Unit at CDIAC_issuance@treasurer.ca.gov or by contacting the Data Unit at (916) 653-3269. **DL**
