

## **CALIFORNIA DEBT LIMIT ALLOCATION COMMITTEE**

Estimated Public Benefits  
Qualified Residential Rental Project Pool  
July 15, 2015 Allocation

State and local governmental agencies and joint powers authorities can issue tax-exempt housing revenue bonds. These bonds assist developers of multifamily rental housing units to acquire land and construct new units or purchase and rehabilitate existing units. The tax-exempt bonds are used to fund a loan with a below market interest rate. The low interest rate loan is used by the Project Sponsor to develop the project. Project Sponsors produce market rate and affordable rental housing for low and very low-income households by reducing rental rates to these individuals and families.

The California Debt Limit Allocation Committee is responsible for administering California's annual tax-exempt private activity bond program, known as "the annual State ceiling". For calendar year 2015, California's State ceiling is \$3.880 billion. Each year the Committee divides the annual State ceiling among several bond programs, known as "Program Pools", including the Qualified Residential Rental Project Pool (Rental Project Pool). For calendar year 2015, the Committee reserved approximately \$1.25 billion or 32.2% of the State ceiling for the Rental Project Pool. The \$1.25 billion of bond authority will be allocated throughout the calendar year to three sub-pools i.e., General Pool (consists of projects having 50.1% or more of its total units designated as Restricted Rental Units); Mixed Income Pool (consists of projects having 50% or fewer of its total units designated as Restricted Rental Units); and the Rural Project Pool (consists of projects located in a rural area as defined by California Health and Safety Code Section 50199.21 and not including Mixed Income projects).

The Committee awarded a total of \$30,545,330 of the 2015 State Ceiling and authorized the use of \$188,680,000 of 2012 carryforward allocation; and \$124,280,000 of 2013 carryforward allocation for an aggregate total of \$343,505,330 allocated on July 15, 2015 for multifamily rental housing. This allocation will fund sixteen (17) multifamily rental housing projects.

The allocations awarded on July 15, 2015 will finance 1,616 total units, of which all will be Restricted Rental Units. Restricted Rental Units are units within a Project that are restricted to households earning 60% or less of the Applicable Median Family Income. Of the 1,616 Restricted Rental Units, 490 units will be restricted to very low income households with incomes at or below 50% of the area median income and 1,126 units will be restricted to low income households with incomes between 51% and 60% of the area median income. Of the total 1,616 units to be financed with the allocation, 346 will be large family (3 or more bedroom) units. In addition, the allocation will preserve 386 income and rent restricted units that were at-risk of losing affordability restrictions.
