Standard Provisions for Certain Bond Documents

December 6, 2012

CHFFA and CEFA (together, the “Authorities”) formed a working group to develop standard provisions for its tax-exempt investment grade rated transactions for use by the public finance community. The working group included representatives from the following: 1) staff from both Authorities, 2) counsel frequently serving as bond counsel to the Authorities, 3) staff counsel from the State Treasurer’s Office, 4) several lawyers from the Attorney General’s Office, 5) the Authorities’ financial advisor, Public Financial Management, Inc. and, (6) staff from the State Treasurer’s Office Public Finance Division (“PFD”).

The intention behind the formation of the group was to further the respective agendas of both Authorities to streamline and improve business operations. Presently, when borrowers submit applications for financing, the borrower’s financing team generates and routes proposed bond documents for review by members of the entire financing team, including the Authorities and their counsel. Documents may be derived from former Authority transactions or they may be generated anew which invariably involves a lot of back and forth between all parties to settle on appropriate language and to ensure all essential provisions are contained within the documents. Authority staff finds itself having repeated conversations about repeated issues amongst attorneys, underwriters, financial advisors and the State Treasurer’s PFD. With these repeated conversations, a good bit of time is spent researching previous transactions to ensure consistency in approach. Even though there may be solid memorialized history, staff continues to spend time bringing all of the other parties and their counsel up to speed with considerable time spent providing rationales so a clear understanding prevails.

It is in this environment that the Authorities are now poised to post the below template bond documents which contain all of the essential provisions for its tax exempt investment grade rated transactions. The role of both bond and issuer’s counsel, in part, will be to ensure these provisions are incorporated into the final bond documents. These documents accommodate necessary tailoring for the unique facts and terms pertinent to each transaction, but the provisions to be posted on the respective websites will inform all users of the Authorities expectations regarding substantive content. The Authorities will of course nevertheless remain open to modifications suggested by borrowers, but with these templates, the Authorities aim to extract value from uniformity and predictability.

These documents are attached for your review and will be available on the Authorities' websites for all future bond transactions.

To the best knowledge of the Borrower, no ERISA Plan has engaged in, and compliance by the Borrower with the provisions of this Agreement will not involve, any non-exempt prohibited transaction that would subject the Borrower to a material tax or penalty on prohibited transactions. No ERISA Plan that is subject to Part 3 of Subtitle B of Title I of ERISA or Section 412 of the Code has had an accumulated funding deficiency, whether or not waived as of the last day of the most recent plan year of such ERISA Plan ended prior to the date hereof. No liability to the Pension Benefit Guaranty Corporation has been, or is expected by the Borrower to be, incurred by the Borrower with respect to any ERISA Plan subject to Title IV of ERISA, other than for premium payments. There has been no material Reportable Event with respect to any ERISA Plan subject to Section 4043 of ERISA since the effective date of said Section 4043 for which the Borrower could have any liability, and since such date no event or condition has occurred that presents a material risk of termination of any such ERISA Plan by the Pension Benefit Guaranty Corporation. As of the most recent valuation date, the present value of all vested accrued benefits under each ERISA Plan subject to Title IV of ERISA as determined by each ERISA Plan's enrolled actuary within the meaning of Section 103 of ERISA under actuarial assumptions used in connection with the actuarial valuation of each such ERISA Plan did not exceed the value of such ERISA Plan's assets (less all liabilities other than those attributable to accrued benefits), as determined by each such enrolled actuary, allocable to such vested accrued benefits by more than \$1,000,000. Neither the Borrower nor any Common Control Entity has incurred any withdrawal liability in connection with a Multiemployer Plan. As used in this paragraph (1), the terms "Common Control Entity" and "Multiemployer Plan" shall have the respective meanings ascribed thereto in Section ____ of this Agreement [*x-reference to appropriate section in "Covenants"*]].

Findings by the Authority:

The Authority hereby finds and determines, based upon the representations, warranties and agreements of the Borrower and such other information as the Authority deems necessary, that (i) the Borrower [*and each Member*] using proceeds of the Bonds is a "participating health institution" as such term is defined in the Act; (ii) the loan to be made hereunder with the proceeds of the Bonds will promote the purposes of the Act by providing funds to pay the cost of acquiring, constructing, rehabilitating or improving a health facility or facilities or to refinance indebtedness incurred for such purpose; (iii) said loan is in the public interest, serves a public purpose, promotes the health, welfare and safety of the citizens of the State of California, and meets the requirements of the Act; (iv) the portion of the proceeds of the Bonds allocable to the cost of financing of the Project does not exceed the total cost allocable to the cost of financing thereof as determined by the Borrower; and (v) the Borrower has given reasonable assurance, as that term is defined in the Act, that services will be made available to all persons residing or employed in the areas served by the Borrower's [*and the Members'*] health facilities.

Additional Payments:

In addition to Loan Repayments [*and payments on Obligation No. __*], the Borrower shall also pay to the Authority or the Trustee [*can add other parties if applicable for variable*

rate bonds], as the case may be, “Additional Payments,” as provided in this Section. Such Additional Payments may be discharged in whole or in part by payment actually received from amounts in the [*Costs of Issuance Fund*] or may be billed to the Borrower by the Authority or the Trustee from time to time, together with a statement certifying the amount billed has been incurred or paid for one or more of the below items. After such a demand, amounts so billed shall be paid by the Borrower within 30 days after receipt of the bill by the Borrower. The obligations of the Borrower under this Section shall survive the resignation and removal of the Trustee, payment of the Bonds and discharge of the Bond Indenture.

The Additional Payments to the Authority are:

(a) All taxes and assessments of any type or character charged to the Authority affecting the amount available to the Authority from payments to be received hereunder or in any way arising due to the transactions contemplated hereby (including taxes and assessments assessed or levied by any public agency or governmental authority of whatsoever character having power to levy taxes or assessments); provided, however, that the Borrower shall have the right to protest any such taxes or assessments and to require the Authority, at the Borrower’s expense, to protest and contest any such taxes or assessments levied upon them and that the Borrower shall have the right to withhold payment of any such taxes or assessments pending disposition of any such protest or contest unless such withholding, protest or contest would adversely affect the rights or interests of the Authority and the Borrower has provided the Authority with security and indemnification reasonably deemed adequate by the Authority in respect of such affected rights or interests;

(b) All amounts payable to the Authority under Section [*Indemnity Section*] hereof;

(c) The reasonable fees and expenses of such accountants, consultants, attorneys and other experts as may be engaged by the Authority to prepare audits, financial statements, reports, opinions or provide such other services required under this Loan Agreement [, *Obligation No. ____*] or the Bond Indenture;

(d) The annual fee of the Authority, any and all fees and expenses incurred primarily in connection with the authorization, issuance, sale and delivery of any Bonds and the reasonable fees and expenses of the Authority or any agency of the State of California selected by the Authority to act on its behalf in connection with this Loan Agreement, [*Obligation No. __*,] the Bonds or the Bond Indenture, including, without limitation, in connection with any litigation, investigation, inquiry or other proceeding which may at any time be instituted involving this Loan Agreement, [*Obligation No. __*,] the Bonds or the Bond Indenture or any of the other documents contemplated thereby, or by the Attorney General of the State of California or such other counsel as the Authority may select in connection with the reasonable supervision or inspection of [*the Borrower/any Members*], [*its/their*] properties, assets or operations or otherwise in connection with the administration (both before and after the execution of this Loan Agreement) of this Loan Agreement or the Bond Indenture; and

(e) All other reasonable and necessary fees and expenses attributable to the Bonds, this Loan Agreement, [*Obligation No. ____*] or related documents, including without limitation all payments required pursuant to the Tax Agreement.

The Additional Payments to the Trustee are:

(a) All taxes and assessments of any type or character charged to the Trustee affecting the amount available to the Trustee from payments to be received hereunder or in any way arising due to the transactions contemplated hereby (including taxes and assessments assessed or levied by any public agency or governmental authority of whatsoever character having power to levy taxes or assessments); provided, however, that the Borrower shall have the right to protest any such taxes or assessments and to require the Trustee, at the Borrower's expense, to protest and contest any such taxes or assessments levied upon them and that the Borrower shall have the right to withhold payment of any such taxes or assessments pending disposition of any such protest or contest unless such withholding, protest or contest would adversely affect the rights or interests of the Trustee and the Borrower has provided the Trustee with security and indemnification reasonably deemed adequate by the Trustee in respect of such affected rights or interests;

(b) All reasonable fees and expenses of such accountants, consultants, attorneys and other experts as may be engaged by the Trustee to prepare audits, financial statements, reports, opinions or provide such other services required under this Agreement or the Bond Indenture;

(c) All amounts payable to the Trustee under Section [*Indemnity Section*]; and

(d) All other reasonable and necessary fees and expenses attributable to the Bonds, this Loan Agreement, or related documents, including without limitation all payments required pursuant to the Tax Agreement.

Covenants:

The Bond Indenture

The Borrower hereby agrees to all of the terms and provisions of the Bond Indenture and accepts each of its obligations thereunder. Without limiting the foregoing, the Authority may assign its rights under this Loan Agreement as set forth in the Bond Indenture. The Borrower hereby approves the initial appointment under the Bond Indenture of the Trustee[, *and agrees to appoint and maintain, at all times while the Bonds bear interest at a variable rate, a Remarketing Agent and a Tender Agent for the Bonds*].

Delivery of Reports and Records

The Borrower will furnish the following to the Authority so long as any Bonds remain Outstanding:

(a) its audited financial statements certified by an independent public accountant selected by the Borrower as of the end of each of its fiscal years, as soon as accepted by its Board of Trustees [*or the _____ Committee thereof*] but in any event within 150 days after the end thereof;

(b) promptly upon the request of the Authority or the Trustee, such other information regarding the financial position, results of operations, business or prospects of the Borrower as such party may reasonably request from time to time;

In addition to the foregoing, the Borrower shall, at any reasonable time and from time to time, upon prior written notice, permit the Authority and the Trustee, and their respective representatives and agents, to (i) inspect the premises and the accounting records and the books of the Borrower for the purpose of verifying compliance by the Borrower with the covenants contained herein and all of the terms of the Act, (ii) examine and make copies of and abstracts from the accounting records and books of account of the Borrower, (iii) discuss the affairs, finances and accounts of the Borrower with any of its officers or directors and (iv) upon notice to the Borrower, communicate with the Borrower's independent certified public accountants.

Post-Issuance Compliance:

Post-Issuance Compliance Undertaking. The Borrower acknowledges that the Internal Revenue Service mandates certain filing requirements with respect to post-issuance tax compliance, private use and/or unrelated trade or business use, including the proper method for computing whether any such use has occurred under Section 145 of the Code. The Borrower covenants that it will undertake to determine (or have determined on its behalf) the information required to be reported on the IRS Form 990 (Schedule K) Supplemental Information on Tax-Exempt Bonds on an annual basis and will undertake to comply with the aforementioned filing requirements and any related requirements that may be applicable to the Bonds (collectively, the "Post-Issuance Requirements"). Further, the Borrower covenants that it has adopted, or, if not, will promptly adopt, management practices and procedures to ensure the Borrower complies with the Post-Issuance Requirements with respect to the Bonds.

Retention of Post-Issuance Compliance Expert. The Borrower initially [*has retained the firm of _____ to provide*] [*has designated (insert name of the individual officer/employee of Borrower) to be responsible for providing*] certain post-issuance tax compliance services that may be required from time to time with respect to the Bonds.

No Prevailing Party

Nothing in this Agreement shall be construed to provide for award of attorneys' fees and costs to the Authority or the Borrower for the enforcement of the Agreement as described in Section 1717 of the Civil Code. Nothing in this Section affects the rights of the Trustee provided herein.

Compliance With United States And California Constitution:

(a) The Borrower covenants and agrees that it [*and the other Obligated Group Members*] will not restrict, or grant preferences in, admissions of patients to [*its/their*] health care facilities on racial or religious grounds. On or before June 30 of each year, the Borrower will furnish to the Authority a Certificate of the Borrower stating that (i) no facility, place or building financed or refinanced with any portion of the proceeds of the Bonds has been used primarily for sectarian instruction or study or is a place for devotional activities or religious worship; (ii) the Borrower [*and the other Obligated Group Members*] [*does/do*] not restrict admissions of patients

to [its/their] health care facilities on grounds of race, religion, national origin, ancestry, sex, sexual orientation, age or physical handicap; and (iii) the Borrower [and each Member] using proceeds of the Bonds are each a “participating health institution” and operates “health facilities” as those terms are defined in the Act. The Authority and its designees shall have the right, but shall not be obligated, to inspect such health care facilities at all reasonable times for the purpose of verifying the foregoing Certificate of the Borrower and due compliance by the Borrower with the Constitutions of the United States and of the State. This covenant shall survive the payment in full or defeasance of the Bonds.

(b) The Borrower covenants and agrees that it will comply with Sections 15459.1 through 15459.4 of the California Health Facilities Financing Authority Act, constituting Part 7.2 of Division 3 of Title 2 of the Government Code of the State, as amended.

Prohibited Uses

No portion of the proceeds of the Bonds will be used to finance or refinance any facility, place or building used or to be used (i) primarily for sectarian instruction or study or as a place for devotional activities or religious worship; or (ii) by any person that is not an organization described in Section 501(c)(3) of the Code or by a 501(c)(3) organization, including the Borrower, in an “unrelated trade or business” (as such term is defined in Section 513 of the Code), in such manner or to such extent as would result in any of the Bonds being treated as an obligation not described in Section 103(a) of the Code. The covenant in clause (i) of this Section shall survive payment in full or defeasance of the Bonds.

Continuing Disclosure

Bond Counsel must confirm that the Authority has no obligations with respect to continuing disclosure.

Nonliability of Authority

The Authority shall not be obligated to pay the principal [*or purchase price*] of, and premium, if any, and interest on the Bonds, except from Revenues and other assets pledged under to the Bond Indenture. Neither the faith and credit nor the taxing power of the State of California or any political subdivision thereof is pledged to the payment of the principal [*or purchase price*] of, premium, if any, or interest on the Bonds. The Authority shall not be liable for any costs, expenses, losses, damages, claims or actions, of any conceivable kind or any conceivable theory, under or by reason of or in connection with this Loan Agreement, [*Obligation No. ____*], the Bonds or the Bond Indenture, except only to the extent amounts are received for payment thereof from the Borrower under this Loan Agreement [*or from Members under Obligation No. ____*].

The Borrower hereby acknowledges that the Authority’s sole source of moneys to repay the Bonds will be provided by the payments made by the Borrower hereunder [*and pursuant to Obligation No. ____*] and other Revenues, together with investment income on certain funds and accounts held by the Trustee under the Bond Indenture, and hereby agrees that if the payments to be made hereunder [*and under Obligation No. ____*] shall ever prove insufficient to pay all principal [*or purchase price*] of, and premium, if any, and interest on the Bonds as the same shall

become due (whether by maturity, redemption, acceleration or otherwise), then upon notice from the Trustee, the Borrower shall pay such amounts as are required from time to time to prevent any deficiency or default in the payment of such principal [*or purchase price*], premium or interest including, but not limited to, any deficiency caused by acts, omissions, nonfeasance or malfeasance on the part of the Trustee, [*the Master Trustee,*] the Borrower, [*the other Members,*] the Authority or any third party.

Indemnification

(a) The Borrower, to the fullest extent permitted by law, shall indemnify, hold harmless the Authority, the State Treasurer and their members, officers, employees and agents (each an “Authority Indemnified Party”) [*and the Trustee and its officers, directors, employees and agents (each, a “Trustee Indemnified Party” and, together with each Authority Indemnified Party, an “Indemnified Party”)*] from and against any and all Indemnifiable Losses arising out of, resulting from or in any way connected with:

(1) the Facilities, including the Project to be financed [*or refinanced*], or the conditions, occupancy, use, possession, conduct or management of, work done in or about, or from the planning, design, acquisition, installation or construction, of the Facilities or any part thereof, including, without limitation, Indemnifiable Losses resulting from or in any way relating to any generation, processing, handling, transportation, storage, treatment or disposal of solid wastes, Hazardous Materials or any other Hazardous Material Activity relating to the Facilities including, but not limited to, any of those activities occurring, to occur or having previously occurred on the Facilities and any Releases on, under or from the Facilities to the extent occurring or existing prior to the execution and delivery of this Loan Agreement;

(2) the issuance, sale or remarketing of the Bonds or the carrying out of any of the transactions or undertakings contemplated by the Bond Indenture, the Bonds, this Loan Agreement, [*list of other Borrower agreements – must include Tax Agreement and Continuing Disclosure Agreement*] or any document delivered by the Borrower pursuant to, or in connection with, any of the foregoing;

(3) any untrue statement or misleading statement or alleged untrue statement or alleged misleading statement of any material fact in any official statement, offering statement, offering circular or continuing disclosure document for the Bonds or any statement made in connection with the purchase or sale of the Bonds (other than any such statement in the Official Statement under the caption “THE AUTHORITY” or “ABSENCE OF MATERIAL LITIGATION—The Authority” or any similar statement provided by the Authority expressly for use in any other official statement, offering statement, offering circular or continuing disclosure document for the Bonds), or any omission or alleged omission to state a material fact necessary in order to make the statements made therein, in the light of the circumstances under which they were made, not misleading;

(4) any declaration of taxability of interest paid or payable on the Bonds, or allegations (or regulatory inquiry) that interest paid or payable on the Bonds is taxable, for federal income tax purposes;

(5) the Trustee's acceptance or administration of the trust of the Bond Indenture or the exercise or performance of any of its powers or duties thereunder or under any of the documents relating to the Bonds to which it is a party;

(6) the refunding, retirement, tender for purchase and/or redemption, in whole or in part, of the Bonds;

(7) any misrepresentation or breach of warranty by the Borrower of any representation or warranty in this Loan Agreement, [*list of other Borrower agreements – must include Tax Agreement and Continuing Disclosure Agreement*] or any document delivered by the Borrower pursuant to, or in connection with, any of the foregoing or the Bonds; or

(8) any breach by the Borrower of any covenant or undertaking set forth in this Loan Agreement, [*list of other Borrower agreements – must include Tax Agreement and Continuing Disclosure Agreement*] or any document delivered by the Borrower pursuant to, or in connection with, any of the foregoing or the Bonds; provided that such indemnification pursuant to this Section shall not apply to Indemnifiable Losses resulting because of the negligence or willful misconduct of any Trustee Indemnified Party or the gross negligence or willful misconduct of any Authority Indemnified Party.

(b) The Authority agrees to notify the Borrower promptly, but in no event later than 20 business days, after written notice to the Authority that any third party has brought any action, suit or proceeding against an Indemnified Party that may result in an Indemnifiable Loss (a "Third Party Action"). Upon such notice or other notice from an Indemnified Party of a Third Party Action, the Borrower shall assume the investigation and defense thereof, including the employment of counsel selected by the Indemnified Party and reasonably acceptable to the Borrower (which may be the Attorney General of the State of California), and shall assume the payment of all Litigation Expenses related thereto, with full power to litigate, compromise or settle the same in its discretion; provided that the Indemnified Party shall have the right to review and approve or disapprove (in its sole and absolute discretion) any such compromise or settlement and the Indemnified Party has no liability with respect to any compromise or settlement of any Third Party Claim effected without its written approval. Each Indemnified Party shall have the right to employ separate counsel in any Third Party Claim and participate in the investigation and defense thereof, and the Borrower shall pay the reasonable fees and disbursements of such separate counsel; provided, however, that a Trustee Indemnified Party may only employ separate counsel at the expense of the Borrower if in the reasonable judgment of such Trustee Indemnified Party a conflict of interest exists by reason of common representation or if all parties commonly represented do not agree as to the action (or inaction) of counsel. If the Indemnified Party fails to provide such notice to the Borrower, the Borrower is still obligated to indemnify the Indemnified Party for Indemnifiable Losses[, *except that the Borrower is not liable for any Litigation Expense the Indemnified Party incurs during the period in which the Indemnified Party failed to give such notice.*].

(c) The rights and undertakings set forth in this Section do not terminate and survive the final payment or defeasance of the Bonds and the termination or defeasance of this Agreement.

For purposes of this section “Indemnifiable Losses” means the aggregate of Losses and Litigation Expenses.

For purposes of this section “Losses” means any liability, loss, claim, settlement payment, cost and expense, interest, award, judgment, damages (other than punitive damages to the extent they may not, under law, be indemnified), diminution in value, fine, fee and penalty, and other charge, of every conceivable kind, character and nature whatsoever, contingent or otherwise, known or unknown, except Litigation Expenses. For purposes of this section “Litigation Expenses” means any court filing fee, court cost, witness fee, and each other fee and cost of investigating and defending or asserting a claim, including, without limitation, in each case, attorneys’ fees, other professionals’ fees and disbursements.

ERISA *[Include only if Borrower maintains a defined benefit plan that is subject to ERISA funding requirements. See Borrower representation (l).]*

(a) The Borrower shall not, with respect to any ERISA Plan:

(i) incur any “accumulated funding deficiency,” as such term is defined in Section 412 of the Code, whether or not waived, if the amount of such accumulated funding deficiency, plus any accumulated funding deficiencies previously incurred with respect to such ERISA Plan and not eliminated, would aggregate more than \$100,000; provided that the incurring of such an accumulated funding deficiency will not be an “event of default” under Section 17 hereof if it is reduced below \$100,000 or eliminated within 90 days after the date upon which the Borrower becomes aware of such accumulated funding deficiency; or

(ii) terminate any such ERISA Plan in a manner which could result in the imposition of a material lien on the property of the Borrower pursuant to Section 4068 of ERISA and which could materially adversely affect the business, earnings, properties or financial condition of the Borrower; or

(iii) withdraw from a Multiemployer Plan in a “complete withdrawal” or a “partial withdrawal” as defined in Sections 4203(a) and 4205(a), respectively, of ERISA, if such withdrawal could materially adversely affect the Borrower’s ability to comply at any time with any of the provisions of this Agreement.

(b) The Borrower shall:

(i) fund all current and past service pension liabilities under the provisions of all ERISA Plans such that if all such ERISA Plans were terminated at the same time by the Borrower any liens imposed on the Borrower under Section 4068 of ERISA would not be in an amount in the aggregate which would materially affect the Borrower’s ability to comply at any time with any of the provisions of this Agreement; and

(ii) otherwise comply in all material respects with the provisions applicable to its ERISA Plans contained in ERISA, the Code and the regulations published thereunder; and

(iii) notify the Trustee, the Liquidity Provider and the Authority promptly after the Borrower knows (i) of the happening of any material Reportable Event with respect to any ERISA Plan and, in any event, at least five days prior to any notification of such material Reportable Event given to the PBGC pursuant to the terms of Section 4043 of ERISA or (ii) of an assessment against the Borrower or any Common Control Entity of any withdrawal liability to a Multiemployer Plan. Notwithstanding anything herein to the contrary, the Borrower need not notify the Trustee, the Liquidity Provider or the Authority of such material Reportable Event or withdrawal liability unless it might materially adversely affect the business, prospects, earnings, properties or condition (financial or otherwise) of the Borrower.

(iv) For purposes of this paragraph (iv) and the representations and warranties of the Borrower contained in subsection (v) of Section 2, the following terms shall have the following meanings. The term “Multiemployer Plan” has the meaning set forth in Section 4001(a)(3) of ERISA and all rules and regulations promulgated from time to time thereunder. The term “Common Control Entity” means any entity which is a member of a “controlled group of corporations” with, or is under “common control” with, the Borrower as defined in Section 414(b) or (c) of the Code. The term “PBGC” means the Pension Benefit Guaranty Corporation.

Waiver of Personal Liability:

No member, officer, official, agent or employee of the Authority or any director, officer, agent or employee of the Borrower [*or any Member*] shall be individually or personally liable for the payment of any principal [*or purchase price*] of, premium, if any, or interest on the Bonds or any other sum hereunder or be subject to any personal liability or accountability by reason of the execution and delivery of this Loan Agreement; but nothing herein contained shall relieve any such member, director, officer, official, agent or employee of the Authority from the performance of any official duty provided by law or by this Loan Agreement.

The definition of “Revenues” must exclude all categories of payments to the Authority for its own benefit, such as “Additional Payments.”

Exception from Pledge and Assignment by Authority to Trustee of its rights in the Loan Agreement:

(except for (i) the right to receive any Administrative Fees and Expenses to the extent payable to the Authority, (ii) any rights of the Authority to be indemnified, held harmless and defended and rights to inspection and to receive notices, certificates and opinions, (iii) express rights to give approvals, consents or waivers, and (iv) the obligation of the Borrower to make deposits pursuant to the Tax Certificate)

Notice of Redemption:

Confirm that the Trustee is required to give copy of notice of redemption (other than scheduled sinking fund redemption) of the Bonds to the Authority.

Authority’s non-obligation to enforce rights under Bond Indenture and Loan Agreement:

Add the following in the remedies upon default section of the Bond Indenture:

Notwithstanding anything to the contrary in this Bond Indenture, the Authority shall have no obligation to and instead the Trustee may, without further direction from the Authority, take any and all steps, actions and proceedings, to enforce any or all rights of the Authority (other

than those specifically retained by the Authority pursuant to this Bond Indenture) under this Bond Indenture and the Loan Agreement [and Obligation No. ___], including, without limitation, the rights to enforce the remedies upon the occurrence and continuation of an Event of Default and the obligations of the Borrower under the Loan Agreement.

Neither the State of California nor the Authority shall be obligated to pay the principal [or the purchase price] of the Bonds or the premium, if any, or the interest thereon except from Revenues and the other assets pledged hereunder and neither the faith and credit nor the taxing power of the State of California or of any political subdivision thereof is pledged to the payment of the principal [or the purchase price] of or the premium, if any, or the interest on the Bonds. The issuance of the Bonds shall not directly or indirectly or contingently obligate the State of California or any political subdivision thereof to levy or to pledge any form of taxation whatever therefor or to make any appropriation for their payment. The Authority has no taxing power. Notwithstanding anything in this Bond Indenture or in the Bonds contained, the Authority shall have no pecuniary liability under this Bond Indenture except that which can be satisfied from Revenues and the other assets pledged hereunder, and the Authority shall not be required to advance any moneys derived from any source other than Revenues and the other assets pledged hereunder for any of the purposes in this Bond Indenture mentioned, whether for the payment of the principal [or purchase price] of or the premium, if any, or the interest on the Bonds or for any other purpose of this Bond Indenture. Nevertheless, the Authority may, but shall not be required to, advance for any of the purposes hereof any funds of the Authority which may be made available to it for such purposes.

BOND PURCHASE CONTRACT

Parties:

The Bond Purchase Contract is to be executed by the Underwriter (or Representative of the Underwriters), accepted and agreed to by the Authority and the Treasurer of the State of California, as Agent for Sale, and approved by the Borrower.

Purchase, Sale and Delivery of the Bonds:

Add the following to the end of Section 1 of the Bond Purchase Contract:

Not later than 10 calendar days after the Closing Date, the Underwriter shall submit to the Authority the report referenced by Section 1899.532 of Subchapter 4 of Chapter 4, Division 2 of Title 2 of the California Code of Regulations.

Representations of the Authority:

(a) The Authority is and will be at the Closing Date duly organized and existing under the laws of the State of California, has full power and authority to issue the Bonds, to adopt the Resolution, to enter into the Bond Indenture, the Loan Agreement and this Purchase Contract (collectively, the “Authority Documents”) and to perform its obligations under the Authority Documents, and when executed and delivered by the respective parties thereto, the Authority Documents will constitute the legal, valid and binding obligations of the Authority enforceable in accordance with their respective terms, except as the enforcement thereof may be limited by bankruptcy, insolvency, reorganization, arrangement, fraudulent conveyance, moratorium, or other laws related to or affecting the enforcement of creditors’ rights generally and by the application of equitable principles as the court having jurisdiction may impose, regardless of whether such proceeding is considered in a proceeding in equity or law, and to the exercise of judicial discretion in appropriate cases and to the limitations on legal remedies against governmental entities in California.

(b) When delivered to and paid for by the Underwriter at the Closing in accordance with the provisions of this Purchase Contract and assuming proper authentication by the Trustee by the manual signature of an authorized officer thereof, the Bonds will have been duly authorized, executed, issued and delivered and will constitute valid and binding limited obligations of the Authority, enforceable in accordance with their terms, in conformity with, and entitled to the benefit and security of the Indenture.

(c) By official action of the Authority prior to or concurrently with the acceptance hereof, the Authority has authorized and approved the distribution of the Preliminary Official Statement, the distribution of the Official Statement, and authorized and approved the execution and delivery of, and the performance by the Authority of the obligations on its part contained in, the Bonds and the Authority Documents and the consummation by the Authority of all other transactions contemplated by the Official Statement and this Purchase Contract.

(d) There is no action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, governmental agency, public board or body, pending (with service of

process against. the Authority having been accomplished) or known to the Authority to be threatened against the Authority seeking to restrain or enjoin the issuance, sale, execution or delivery of the Bonds, or in any way contesting or affecting any proceedings of the Authority taken concerning the issuance or sale. thereof, the pledge or application of any moneys or security provided for the payment of the Bonds, in any way contesting the validity or enforceability of the Bonds or the Authority Documents or contesting in any way the completeness or accuracy of the information in the Preliminary Official Statement or the Official Statement under the captions “THE AUTHORITY” or “ABSENCE OF MATERIAL LITIGATION—The Authority,” as amended or supplemented, or the existence or powers of the Authority relating to the issuance of the Bonds.

(e) As of the date thereof and as of the date hereof, the statements and information contained in the Preliminary Official Statement under the caption “THE AUTHORITY” and “ABSENCE OF MATERIAL LITIGATION—The Authority” were and will be true, correct and complete in all material respects, and did not and will not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements and information therein, in light of the circumstances under which they were made, not misleading.

(f) Both at the time of acceptance hereof by the Authority and at the Closing Date, the statements and information contained in the Official Statement under the captions “THE AUTHORITY” and “ABSENCE OF MATERIAL LITIGATION—The Authority” are and will be true, correct and complete in all material respects, and do not and will not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make such statements and information therein, in the light of the circumstances under which they were made, not misleading in any material respect; it being further understood that no such representation, warranty or agreement shall apply to statements or information in or omissions from the Official Statement with respect to which the Borrower agrees to indemnify the Authority, the Treasurer and the Underwriter pursuant to the Letter of Representations of the Borrower dated the date hereof and attached hereto as Exhibit A.

(g) The Authority will furnish such information, execute such instruments and take such other action in cooperation with the Underwriter as the Underwriter may reasonably request in endeavoring (i) to qualify the Bonds for offer and sale under the Blue Sky or other securities laws and regulations of such states and other jurisdictions of the United States as the Underwriter may designate and (ii) to determine the eligibility of the Bonds for investment under the laws of such states and other jurisdictions, and will use its best efforts to continue such qualification in effect so long as required for distribution of the Bonds; provided, however, that in no event shall the Authority be required to qualify as a foreign corporation in any such state or take any action which would subject it to general or unlimited service of process in any jurisdiction in which it is not now so subject.

(h) To the best knowledge of the Authority, the execution and delivery by the Authority of the Bonds and the Authority Documents and compliance with the provisions on the Authority’s part contained therein, will not in any material respect conflict with or constitute on the part of the Authority a breach of or default under any material law, administrative regulation, court order, judgment, decree, loan agreement, indenture, bond, note, resolution, agreement or

other instrument to which the Authority is a party or by which it is bound, which breach or default would have a material adverse effect on the Authority's ability to perform its obligations under the Authority Documents.

(i) The Authority is not in breach of or in default under any applicable material law or administrative regulation of the State of California or the United States or any applicable material judgment or decree or any material loan agreement, indenture, bond, note, resolution, agreement or other instrument to which the Authority is a party or is otherwise subject, which breach or default would have a material adverse effect on the Authority's ability to perform its obligations under the Authority Documents, and no event has occurred and is continuing which, with the passage of time or the giving of notice, or both, would constitute a breach of or a default or an event of default under any such instrument which breach or default would have a material adverse effect on the Authority's ability to perform its obligations under the Authority Documents.

(j) If, between the date of this Purchase Contract and 25 days after the end of the underwriting period (as such term is defined in Rule 15c2-12), (i) an event occurs of which the Authority has knowledge, which might or would cause the information contained in the Official Statement under the captions "THE AUTHORITY" or "ABSENCE OF MATERIAL LITIGATION—The Authority," as then supplemented or amended, to contain any untrue statement of a material fact or to omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading or, (ii) if the Authority is notified by the Borrower pursuant to Paragraph (___) of the Letter of Representation or otherwise requested to amend, supplement or otherwise change the Official Statement, the Authority will notify the Underwriter and the Borrower, and if in the opinion of the Underwriter, such event requires the preparation and publication of a supplement or amendment to the Official Statement, the Authority will participate in the amendment or supplement in a form and in a manner approved by the Underwriter and counsel to the Authority provided that all expenses thereby incurred will be paid by the Borrower and provided further that, for purposes of this provision, the end of the underwriting period shall be the Closing Date unless the Underwriter on or prior to Closing provides written notice to the contrary to the Authority and the Borrower)

(k) For 25 days from the end of the underwriting period (as defined in Rule 15c2-12), (a) the Authority will not participate in the issuance of any amendment of or supplement to the Official Statement to which, after being furnished with a copy, the Underwriter or the Borrower shall reasonably object in writing or which shall be disapproved by their respective counsel and (b) if any event relating to or affecting the Authority shall occur as a result of which it is necessary, in the opinion of counsel for the Underwriter, to amend or supplement the Official Statement in order to make the Official Statement not misleading in the light of the circumstances existing at the time it is delivered to a purchaser, the Authority will forthwith prepare and furnish to the Underwriter and the Borrower (at the expense of the Borrower) a reasonable number of copies of an amendment of or supplement to the Official Statement (in form and substance satisfactory to counsel for the Underwriter and counsel for the Authority) which will amend or supplement the Official Statement so that it will not contain an untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in light of the circumstances existing at the time the Official Statement is

delivered to a purchaser, not misleading. For purposes of this subsection, the Authority will furnish such information with respect to itself as the Underwriter may from time to time reasonably request.

The execution and delivery of this Purchase Contract by the Authority shall constitute a representation by the Authority to the Underwriter that the representations, warranties and agreements contained in this Section [____] are true as of the date hereof; provided that as to information furnished by the Borrower pursuant to this Purchase Contract and the Letter of Representations or otherwise and in the Preliminary Official Statement and the Official Statement, the Authority is relying on such information in making the Authority's representations, warranties and agreements; and as to all matters of law, other than federal tax and securities laws, the Authority is relying on the advice of counsel to the Authority; and as to matters of federal tax law [and securities laws], the Authority is relying on the advice of Bond Counsel; and provided further that no officer, agent or employee or member of the governing body of the Authority shall be individually liable for the breach of any representation, warranty or agreement contained herein.

Conditions to the Obligation of the Underwriter:

If the Authority shall be unable to satisfy the conditions of the Underwriter's obligations contained in this Bond Purchase Contract or if the Underwriter's obligations shall be terminated for any reason permitted herein, this Bond Purchase Contract shall terminate, and neither the Authority nor the Treasurer shall have any further obligation hereunder, except the [*Borrower/Obligated Group Members*] shall be obligated with respect to all reasonable fees, expenses and costs payable to the Authority and the Treasurer pursuant to Section [*expenses section*] hereof.

Conditions to the Obligation of the Authority:

1. No order, decree, injunction, ruling or regulation of any court, regulatory agency, public board or body shall have been issued nor shall any legislation have been enacted with the purpose or effect, directly or indirectly, of prohibiting the offering, sale or issuance of the Bonds as contemplated by the Bond Purchase Contract or by the Official Statement.

2. The Authority's closing fee shall have been paid by wire transfer or in other immediately available funds or arrangements reasonably satisfactory to the Authority shall have been made to pay such fees from the proceeds of the Bonds or otherwise.

3. [Add closing document list other than what the Authority delivers unilaterally.]

4. [For private placements with an investor letter, add a condition that the investor letter be delivered to the Authority if the letter is not included as part of 3 above.]

Expenses:

All expenses and costs of the Authority incident to the performance of its obligations in connection with the authorization, issuance and sale of the Bonds to the Underwriter, including any out-of-pocket disbursements of the Authority, shall be paid by the Borrower.

Limitation of Liability of the Authority and the Treasurer:

Neither the Authority nor the Treasurer shall be directly, indirectly, contingently or otherwise liable for any costs, expenses, losses, damaging claims or actions of any conceivable kind under any conceivable theory under this Bond Purchase Contract or any document or instrument referred to herein or by reason of or in connection with this Bond Purchase Contract or other document or instrument except to the extent it receives amounts from the Borrower available for such purpose.

Governing Law:

The laws of the State of California govern all matters arising out of or relating to this Purchase Contract, including, without limitation, its validity, interpretation, construction, performance, and enforcement.

Any party bringing a legal action or proceeding against any other party arising out of or relating to this Purchase Contract shall bring the legal action or proceeding in the Sacramento County Superior Court, Sacramento, California, unless the Authority waives this requirement in writing. Each party agrees that the exclusive (subject to waiver as set forth herein)_choice of forum set forth in this section does not prohibit the enforcement of any judgment obtained in that forum or any other appropriate forum. Each party waives, to the fullest extent permitted by law, (a) any objection which it may now or later have to the laying of venue of any legal action or proceeding arising out of or relating to this Purchase Contract brought in the Sacramento County Superior Court, Sacramento, California, and (b) any claim that any such action or proceeding brought in such court has been brought in an inconvenient forum.

Arms-Length Transaction:

The State Treasurer, the Authority and the Underwriter acknowledge and agree that (i) the purchase and sale of the Bonds pursuant to this Purchase Contract is an arm's-length, commercial transaction between the State Treasurer, the Authority and the Underwriter in which the Underwriter is acting solely as a principal and is not acting as an agent, advisor or fiduciary of the State Treasurer or the Authority, (ii) the Underwriter has not assumed any advisory or fiduciary responsibility to the State Treasurer or the Authority with respect to this Purchase

Contract, the offering of the Bonds and the discussions, undertakings and procedures leading thereto (irrespective of whether the Underwriter, or any affiliate of the Underwriter, has provided other services or is currently providing other services to the State Treasurer or the Authority on other matters), (iii) the only contractual obligations the Underwriter has to the State Treasurer and the Authority with respect to the transactions contemplated hereby are those set forth in this Purchase Contract, (iv) the Underwriter has financial and other interests that differ from those of the State Treasurer and the Authority, and (v) the State Treasurer and the Authority have consulted with their own legal, accounting, tax, financial and other advisors, as applicable, to the extent they have deemed appropriate. LETTER OF REPRESENTATION

Representations:

Representations generally should be at least equivalent in scope to the Borrower's representations included in the Loan Agreement. In addition to the foregoing, the Letter of Representation should include the following:

(a) The Borrower [*and each of the other Members*] using proceeds of the Bonds is a “participating health institution,” as that term is defined in the California Health Facilities Financing Authority Act (the “Act”), and the Project (as defined in the Bond Indenture) is a “project” as that term is defined in the Act.

(b) If, between the date hereof and 25 days after the end of the underwriting period (as such term is defined in Rule 15c2-12), any event shall occur of which the Borrower has knowledge which is reasonably likely to or would cause the Official Statement, as then supplemented or amended, to contain any untrue statement of a material fact or to omit to state a material fact necessary to make the statements made, in the light of the circumstances under which they were made, not misleading, the Borrower shall notify the Authority and the Underwriter and, if, in the opinion of the Authority or the Underwriter, such event requires the preparation and publication of a supplement or amendment to the Official Statement, the Borrower will request the Authority to cause the Official Statement to be amended or supplemented in a form and in a manner approved by the Underwriter, at the expense of the Borrower.

(c) For 25 days from the date of the end of the underwriting period (as such term is defined in Rule 15c2-12), (a) the Borrower will not participate in the issuance of any amendment of or supplement to the Official Statement to which, after being furnished with a copy, any of you shall reasonably object in writing or which shall be disapproved by your respective counsel and (b) if any event related to or affecting the Authority or the Borrower or its present or proposed facilities shall occur as a result of which it is necessary, in the opinion of counsel for the Underwriter or the Authority, to amend or supplement the Official Statement in order to make the Official Statement not misleading in the light of the circumstances existing at the time it is delivered to a purchaser, the Borrower shall forthwith prepare and furnish to the Underwriter and the Authority (at the expense of the Borrower) a reasonable number of copies of an amendment of or supplement to the Official Statement (in form and substance reasonably satisfactory to counsel for the Underwriter and counsel to the Authority) which will amend or supplement the Official Statement so that it will not contain an untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances existing at the time the Official Statement is delivered to a purchaser, not misleading. For the purposes of this subsection, the Borrower will furnish such information with respect to itself and its present and proposed facilities as any of you may from time to time reasonably request.

Additionally, the Borrower should provide 10(b)(5) representation for the entire Preliminary Official Statement and Official Statement, excluding only those sections relating to the Authority[, the Liquidity/Credit Facility Provider, bond insurance], DTC and the book-entry system.

Indemnification:

To the extent permitted by law, the Borrower agrees to indemnify and hold harmless the Authority, the Treasurer, the Underwriter, each person, if any, who controls (as such term is defined in Section 15 of the Securities Act of 1933, as amended (the “Securities Act”)) the Authority, the Treasurer and the Underwriter and the respective past, present or future directors, officers, officials, employees, and members of the Authority, the Treasurer and the Underwriter (collectively, the “Indemnified Persons,” and individually, an “Indemnified Person”) from and against any and all liabilities, obligations, suits, actions, judgments, losses, claims, damages, demands, fines, penalties, costs and expenses, including, without limitation, any legal or other expenses reasonably incurred by them in connection with investigating or defending any such liabilities, obligations, suits, actions, judgments, losses, claims, damages, demands, fines, penalties, costs and expenses, arising out of or based upon (a) any allegation or determination that the Bonds are not exempt from registration under the Securities Act of 1933, as amended, or the Indenture is not exempt from qualification under the Trust Indenture Act of 1939, as amended; and (b) any untrue or alleged untrue statement of a material fact contained in the Preliminary Official Statement or the Official Statement (or in any supplement or amendment thereto) (except, solely with respect to indemnification of the Authority, for the information set forth under the captions “THE AUTHORITY,” and “ABSENCE OF MATERIAL LITIGATION—The Authority”), or arising out of or based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading (except, solely with respect to indemnification of the Authority, for the information set forth under the captions “THE AUTHORITY,” and “ ABSENCE OF MATERIAL LITIGATION—The Authority “). The foregoing indemnity shall not inure to your benefit or to the benefit of any person controlling you if a copy of the Official Statement (as amended or supplemented if the Borrower shall have furnished any amendments to supplements thereto) was not sent or given by you or on your behalf to the person asserting the claim against you or the person controlling you (the “Claimant”), if required by law to so have been delivered, at or prior to the written confirmation of the sale of the securities to the Claimant, (and if the Official Statement as so amended or supplemented would have prevented such loss, claim, damage or liability), unless the failure to deliver the Official Statement (as amended or supplemented) was the result of noncompliance by the Borrower or the Authority with any provision of this Letter of Representations or the Bond Purchase Contract. Promptly after receipt by an Indemnified Person of notice of the assertion of any claim or the commencement of any action, such Indemnified Person shall, if a claim in respect thereof is to be made against the Borrower, notify the Borrower in writing of the assertion or commencement thereof. In case any such action shall be brought against any Indemnified Person, and such Indemnified Person shall notify the Borrower of the commencement thereof, the Borrower shall be entitled to participate in and, to the extent that either wishes, to assume the defense thereof, with counsel reasonably satisfactory to such Indemnified Person, and after notice from the Borrower to such Indemnified Person of its election so to assume the defense thereof, the Borrower shall not be liable to such Indemnified Person under this paragraph (___) for any legal or other expenses subsequently incurred by such Indemnified Person in connection with the defense thereof; provided, however, that if the named parties to any such action (including any impleaded parties) include the Indemnified Person and the Borrower, and the Indemnified Persons reasonably conclude that there may be one or more legal defenses available to them which are different from or additional to those available to the

Borrower, the Indemnified Persons shall have the right to select separate counsel to assume such legal defense and to otherwise participate in the defense of such action on behalf of the Indemnified Persons.

Contribution:

In order to provide for just and equitable contribution in circumstances in which the indemnification under paragraph (___) is for any reason held to be unavailable from the Borrower, to the extent permitted by law, the Borrower and the Underwriter shall contribute to the aggregate losses, claims, damages and liabilities (including any investigation, legal and other expenses incurred in connection with, and any amount paid in settlement of, any action, suit or proceeding or any claims asserted, to which the Borrower and the Underwriter may be subject), in such proportion that the Underwriter is jointly responsible for that portion represented by the percentage that the underwriting discount set forth in the Official Statement bears to the public offering price appearing thereon and the Borrower is responsible for the balance; provided, however, that no person guilty of fraudulent misrepresentation (within the meaning of Section 11 (of the Securities Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. For purposes of this paragraph, each officer, agent and employee of the Underwriter and each person, if any, who controls the Underwriter within the meaning of the Securities Act shall have the same rights to contribution as that of the Underwriter. Any party entitled to contribution will, promptly after receipt of notice of commencement of any action, suit or proceeding against such party in respect of which a claim for contribution may be made against another party or parties under this paragraph, notify such party or parties from whom contribution may be sought, but the omission so to notify shall not relieve the party or parties from whom contribution may be sought from any other obligation it or they may have hereunder or otherwise than under this paragraph. No party shall be liable for contribution with respect to any action or claim settled without its consent.

TAX CERTIFICATE AND AGREEMENT PROVISIONS

In general, the Authority's obligations pursuant to the Tax Certificate should be limited. The Authority should make no covenants that are not required by the Internal Revenue Code to be made by the Authority. All required covenants should have equivalent covenants by the Borrower and indicate that the Authority is relying on the Borrower to actually perform those covenants (except to the extent the Internal Revenue Code expressly prohibits such reliance or such reliance is impossible based on the particulars of the Internal Revenue Code requirement (e.g. filing 8038 forms)). Any representations of the Authority should be made in reliance upon information provided by other parties (except the Authority can provide independently representations as to its governmental character or on such subjects as tax counsel indicates the Internal Revenue Code does not permit reliance). Tax counsel should indicate to the Authority each instance of a covenant or representation that the Authority is being asked to undertake independently. Following are provisions to be included in appropriate sections:

Expectations:

General

To the best of the knowledge and belief of the undersigned representative of the Authority, there are no other facts, estimates or circumstances that would materially change the expectations that are expressly stated to be the expectations of the Authority as set forth herein.

Regarding Use of Proceeds

The expectations of the Authority concerning certain uses of proceeds derived from the sale of the Bonds and certain other moneys described herein and other matters [except the representations of the Authority in section ____] are based in whole upon the certifications and representations of the Borrower, computations and representations of the Underwriter (set forth in Exhibit A hereto), representations of the Financial Advisor to the Borrower and representations of other parties set forth in this Tax Certificate and Agreement (other than the Authority) and in the exhibits hereto. The Authority is not aware of any facts or circumstances that would cause it to question the accuracy or reasonableness of any representation by the Authority made in this Tax Certificate and Agreement or in the exhibits hereto.

Records:

The only records that the Authority is obligated to retain are the transcripts for the Bonds.

Rebate Obligations:

The Borrower covenants that it will undertake to determine precisely what is required with respect to the rebate provisions contained in Section 148(f) of the Code and said regulations from time to time and will comply with any requirements that may be applicable to the Bonds. Except to the extent inconsistent with any requirements of the Code or the regulations or future regulations, the Borrower will undertake the methodology described in this Tax Certificate and Agreement.
