

15432. As used in this part, the following words and terms shall have the following meanings, unless the context clearly indicates or requires another or different meaning or intent:

- (d) "Health facility" means any facility, place, or building that is licensed, accredited, or certified and organized, maintained, and operated for the diagnosis, care, prevention, and treatment of human illness, or physical, mental, or developmental disability, including convalescence and rehabilitation and including care during and after pregnancy, or for any one or more of these purposes, for one or more persons, and includes, but is not limited to, all of the following types:
  - (1) A general acute care hospital that is a health facility having a duly constituted governing body with overall administrative and professional responsibility and an organized medical staff that provides 24-hour inpatient care, including the following basic services: medical, nursing, surgical, anesthesia, laboratory, radiology, pharmacy, and dietary services.
  - (2) An acute psychiatric hospital that is a health facility having a duly constituted governing body with overall administrative and professional responsibility and an organized medical staff that provides 24-hour inpatient care for mentally disordered, incompetent, or other patients referred to in Division 5 (commencing with Section 5000) or Division 6 (commencing with Section 6000) of the Welfare and Institutions Code, including the following basic services: medical, nursing, rehabilitative, pharmacy, and dietary services.
  - (3) A skilled nursing facility that is a health facility that provides the following basic services: skilled nursing care and supportive care to patients whose primary need is for availability or skilled nursing care on an extended basis.
  - (4) An intermediate care facility that is a health facility that provides the following basic services: inpatient care to ambulatory or semiambulatory patients who have recurring need for skilled nursing supervision and need supportive care, but who do not require availability or continuous skilled nursing care.
  - (5) A special health care facility that is a health facility having a duly constituted governing body with overall administrative and professional responsibility and an organized medical or dental staff that provides inpatient or outpatient, acute or nonacute care, including, but not limited to, medical, nursing, rehabilitation, dental, or maternity.

- (6) A clinic that is operated by a tax-exempt nonprofit corporation that is licensed pursuant to Section 1204 or 1204.1 of the Health and Safety Code or a clinic exempt from licensure pursuant to subdivision (b) or (c) of Section 1206 of the Health and Safety Code.
- (7) An adult day health center that is a facility, as defined under subdivision (b) of Section 1570.7 of the Health and Safety Code, that provides adult day health care, as defined under subdivision (a) of Section 1570.7 of the Health and Safety Code.
- (8) Any facility owned or operated by a local jurisdiction for the provision of county health services.
- (9) A multilevel facility is an institutional arrangement where a residential facility for the elderly is operated as a part of, or in conjunction with, an intermediate care facility, a skilled nursing facility, or a general acute care hospital. "Elderly," for the purposes of this paragraph, means a person 62 years of age or older.
- (10) A child day care facility operated in conjunction with a health facility. A child day care facility is a facility, as defined in Section 1596.750 of the Health and Safety Code. For purposes of this paragraph, "child" means a minor from birth to 18 years of age.
- (11) An intermediate care facility/developmentally disabled habilitative that is a health facility, as defined under subdivision (e) of Section 1250 of the Health and Safety Code.
- (12) An intermediate care facility/developmentally disabled-nursing that is a health facility, as defined under subdivision (h) of Section 1250 of the Health and Safety Code.
- (13) A community care facility that is a facility, as defined under subdivision (a) of Section 1502 of the Health and Safety Code, that provides care, habilitation, rehabilitation, or treatment services to developmentally disabled or mentally impaired persons.
- (14) A nonprofit community care facility, as defined in subdivision (a) of Section 1502 of the Health and Safety Code, other than a facility that, as defined in that subdivision, is a residential facility for the elderly, a foster family agency, a foster family home, a full service adoption agency, or a noncustodial adoption agency.

- (15) A nonprofit accredited community work activity program, as specified in subdivision (e) of Section 4851 and Section 4856 of the Welfare and Institutions Code.
- (16) A community mental health center, as defined in paragraph (3) of subdivision (b) of Section 5667 of the Welfare and Institutions Code.
- (17) A nonprofit speech and hearing center, as defined in Section 1201.5 of the Health and Safety Code.
- (18) A blood bank, as defined in Section 1600.2 of the Health and Safety Code, licensed pursuant to Section 1602.5 of the Health and Safety Code, and exempt from federal income taxation pursuant to Section 501(c)(3) of the Internal Revenue Code.
- (19) A residential facility for persons with developmental disabilities, as defined in Sections 4688.5 and 4688.6 of the Welfare and Institutions Code, which includes, but is not limited to, a community care facility licensed pursuant to Section 1502 of the Health and Safety Code and a family teaching home as defined in Section 4689.1 of the Welfare and Institutions Code.

"Health facility" includes a clinic that is described in subdivision (l) of Section 1206 of the Health and Safety Code.

"Health facility" includes the following facilities, if the facility is operated in conjunction with one or more of the facilities specified in paragraphs (1) to (19), inclusive, of this subdivision: a laboratory, laundry, or nurses or interns residence, housing for staff or employees and their families or patients or relatives of patients, a physicians' facility, an administration building, a research facility, a maintenance, storage, or utility facility, all structures or facilities related to any of the foregoing facilities or required or useful for the operation of a health facility and the necessary and usual attendant and related facilities and equipment, and parking and supportive service facilities or structures required or useful for the orderly conduct of the health facility.

"Health facility" does not include any institution, place, or building used or to be used primarily for sectarian instruction or study or as a place for devotional activities or religious worship.
