### **California Pollution Control Financing Authority The California Americans with Disabilities Act Small Business Capital Access Financing Program Notice of Emergency Regulations**

The California Pollution Control Financing Authority (CPCFA), organized and operating pursuant to Sections 44500 through 44563 of the California Health and Safety Code, proposes to adopt the proposed regulations after considering all comments, objections, and recommendations regarding the proposed action.

CPCFA proposes to adopt Article 7 Sections §8078.8-8078.14, of Title 4 of the California Code of Regulations (the "Proposed Regulations") concerning the establishment of the California Americans with Disabilities Act Small Business Capital Access Financing Program, to be administered by the CPCFA's Capital Access Program (the "Program"). These regulations are anticipated to be approved by the Office of Administrative Law on an emergency basis no later than September 1, 2016.

Government Code section 11346.1(a)(2) requires that, at least five working days prior to submission of the proposed emergency regulation action to the Office of Administrative Law (OAL), the adopting agency provide a notice of the proposed emergency action to every person who has filed a request for notice of regulatory action with the agency. After submission of the proposed emergency regulations to the Office of Administrative Law, the Office of Administrative Law shall allow interested persons five (5) calendar days to submit comments on the proposed emergency regulations as set forth in Government Code section 11349.6. Upon filing, OAL will have ten (10) calendar days within which to review and make a decision on the proposed emergency rule. If approved, OAL will file the regulations with the Secretary of State, and the emergency regulations will become effective for one hundred and eighty (180) days. Within the 180-day effective period, CPCFA will proceed with regular rulemaking action, including a public comment period. The emergency regulations will remain in effect during this rulemaking action.

In accordance with its authority under Health and Safety Code Section 44520(b), CPCFA is proposing to adopt the regulations as emergency regulations. Attached to this Notice is the specific regulatory language of CPCFA's proposed emergency action and Finding of Emergency. You may also review the proposed regulatory language and Finding of
