FINDING OF EMERGENCY

CALIFORNIA POLLUTION CONTROL FINANCING AUTHORITY

Title 4, Division 11

Finding of Emergency

Pursuant to Sections 44520 and of the Health and Safety Code, the California Pollution Control Financing Authority (the “Authority”) proposes to adopt emergency regulations (the “Emergency Regulations”), which are by legislative mandate necessary for the immediate preservation of the public peace, health and safety, and general welfare.

Necessity

These Emergency Regulations are necessary to implement, interpret, and make specific the California Pollution Control Financing Authority Act (the “Act”).¹ The reason for the changes to the Authority’s California Capital Access Program (“CalCAP”) regulations is to refine and clarify program features, and to adopt the recapture mechanism to recycle older contributions to support future enrollments in the CalCAP program. In addition, the Emergency Regulations are necessary to implement and administer the CalCAP Heavy-Duty Vehicle Air Quality Loan Program (“CalCAP / ARB”). The Authority is also amending the regulations to incorporate program rules from the Authority’s allocation agreement with the U.S. Treasury Department to ensure clarity for CalCAP’s Participating Financial Institutions. The implementation of the recapture mechanism is essential for the continuation of the CalCAP programs, as the fund balances for these programs are anticipated to be exhausted by the end of this year.

Authority and Reference

Authority: Sections 44520, 44559.5, and 44559.11, Health and Safety Code.

Reference: Sections 39601, 39650, and 44559-44559.12, Health and Safety Code; and Section 1798.17, Civil Code.

Informative Digest

Existing law establishes the California Capital Access Program (“CalCAP”) and authorizes the Authority to contract with specified financial institutions to make loans to eligible small businesses that may have difficulty obtaining capital. (Health and Safety Code, § 44559.2)

¹ The Act is codified in Health and Safety Code section 44500 et seq.

The proposed amendments to the regulations allow the Authority to include provisions specific to CalCAP. The regulations will refine and clarify some definitions and program requirements, adopt the recapture mechanism to recycle older contributions to support future loan enrollments, and delete sections that are no longer applicable.

The proposed amendments to the regulations allow the Authority to implement and administer the CalCAP / ARB. The CalCAP Heavy-Duty Vehicle Air Quality Loan Program (“CalCAP / ARB”) assists owners and operators of small fleets of heavy-duty diesel trucks achieve early compliance with ARB’s Statewide Truck and Bus Regulations designed to reduce diesel particulate matter emissions.

The proposed amendments to the regulations allow the Authority to include provisions specific to the Collateral Support Program within CalCAP’s existing Small Business Loan Program. The proposed regulations will clarify rules and procedures for the program participation.

The Authority has performed a search of existing regulations and has determined that the proposed regulations are not inconsistent or incompatible with existing state regulations.

(c) Any Loss Reserve Account held in a Participating Financial Institution shall be an interest-bearing demand account or deposit account at a banking institution, or a Money Market Fund if approved in writing by the Executive Director, or a combination thereof, and earning a rate of interest that would be expected of accounts of similar type and size. (3) the Participating Financial Institution has not timely submitted its Quarterly Report described in Section 8073, and, for accounts held at the Participating Financial Institution, the monthly statements described in Section 8078.

(d) All moneys in a Loss Reserve Account are property of the Authority (subject to the Participating Financial Institution's right to receive a portion of the remaining balance in the Loss Reserve Account upon its withdrawal from the Program pursuant to Section 8076 and subject to subsection (e) below). Interest or income earned on moneys credited to the Loss Reserve Account shall be deemed to be part of the Loss Reserve Account. The Executive Director shall be authorized to withdraw from the loss reserve all interest and income that has been credited to the Loss Reserve Account as set forth in Health and Safety Code Section 44559.3(d), and any Contributions subject to Recapture as provided in Section 8073. The Executive Director shall be authorized to return to a Participating Financial Institution any Fees

improperly deposited in a Loss Reserve Account. No Participating Financial Institution holding its Loss Reserve Account shall make any withdrawal from the account without written instruction from the Authority.

(e) Notwithstanding any other provision of this article, the Executive Director shall be authorized, with the approval of the applicable Participating Financial Institution, to assign, transfer, pledge or create security interests in all or a portion of any Loss Reserve Account to any other entity or entities (including a trustee of a securitization trust or trusts) in connection with the securitization of all or a portion of the Participating Financial Institution's loans enrolled in the Program. Any loan enrolled in the program or portion thereof which is subsequently assigned, transferred, pledged or securitized without the advance written approval of the Executive Director shall no longer be deemed a Qualified Loan or covered by the Loss Reserve Account. If a Participating Financial Institution desires to assign, transfer, pledge or securitize all or a portion of any enrolled loan or Loss Reserve Account, it shall submit a written request to the Authority no less than thirty (30) calendar days in advance of such action, together with the list of loans and the amount of the Loss Reserve Account subject to the request, and a draft of the legal document specifying the assignment, transfer, pledge or securitization.

(f) The Participating Financial Institution shall provide information to the Authority regarding the status of accounts, enrolled loans, claims and recoveries upon request, including timely Quarterly Reports of the data regarding: Outstanding Principal Balance of all enrolled loans; all loans in default and charged off, and claim amounts; and deposits made to replenish the Loss Reserve Account pursuant to Section 8074, in the form provided by the Authority. Failure to submit timely and complete Quarterly Reports will result in the suspension of any pending loan enrollments or claim applications from that Participating Financial Institution, and transfer of any Loss Reserve Accounts held by the Participating Financial Institution to the Program Trustee.

(g) The Executive Director is authorized to Recapture from each Loss Reserve Account the Authority's Contribution for each enrolled loan when the corresponding Qualified Loan matures or upon five years from the date of enrollment, whichever occurs first, and subject to each of the following conditions:

(1) Recapture shall be conducted on an annual basis following the end of each fiscal year based on the data reported in the Quarterly Reports submitted for the term ending June 30th.

(2) The Executive Director shall limit the amount of the annual Recapture of Contributions from each Loss Reserve Account if necessary to ensure that the balance remaining in that Loss Reserve Account immediately following Recapture is greater than a minimum threshold set as a percentage of the Outstanding Principal Balance of loans enrolled in the 60 months prior to each annual Recapture. Beginning in 2017, the minimum threshold will be fifteen percent (15%), and the minimum threshold will decrease by one percent (1%) for each successive year until it reaches the permanent minimum threshold of ten percent (10%).

(3) Recapture shall apply to each new Loss Reserve Account established on or after August 15, 2017.

(4) For Loss Reserve Accounts established before August 15, 2017, each Participating Financial Institution shall affirm in writing its election to continue enrolling loans in the Program subject to Recapture applicable to Contributions for all past and future Qualified Loans. This election may not later be withdrawn by the Participating Financial Institution. Loans enrolled on or after August 15, 2017 will be deemed ineligible if the Participating Financial Institution has not first submitted its election in writing. For any Participating Financial Institution that submits its election in writing after August 15, 2017, the Authority shall thereupon conduct Recapture for its Loss Reserve Account according to this subsection (g), and the Participating Financial Institution may thereupon submit new loan enrollments on or after the date of its written election. Nevertheless, Qualified Loans enrolled before August 15, 2017 will be supported by the Loss Reserve Account and the Participating Financial Institution will be eligible for claim reimbursement pursuant to Section 8074 for the previously enrolled Qualified Loans until maturity.

(5) The Authority shall deposit all Recaptured funds in the CalCAP for Small Business Loan Program Fund dedicated solely for future program and administrative expenditures of the CalCAP for Small Business Loan Program. The Authority may set aside up to 7 percent of all Recaptured funds for reasonable direct and indirect administrative costs of the Program.

(h) The Authority may suspend enrollment of Qualified Loans upon written notice to the Participating Financial Institution at least ten (10) business days prior to the effective date of the suspension. Causes for suspension may include violations of applicable statutes or regulations. If the violations are not corrected within thirty (30) business days from the effective date of the suspension the Executive Director is authorized to terminate participation of a Participating Financial Institution in the Program. In the event of such termination, the Participating Financial Institution shall not be authorized to enroll any further Qualified Loans.

§ 8074. Claim for Reimbursement.

(a) A Participating Financial Institution shall notify the Authority within 120 days after it has charged off all or part of a Qualified Loan as a result of a default.

(b) A Participating Financial Institution shall be authorized to make a claim for reimbursement of a loss from the enrolled portion of a Qualified Loan prior to the liquidation of collateral, or to realization on personal or other financial guarantees or from other sources. A Participating Financial Institution may also defer, for a period not to exceed 180 days from the date of the charge off, at its sole discretion, making a claim for reimbursement, but still must inform the Authority of charge off status within 120 days.

(c) The Authority shall pay claims within 30 days of receipt of a completed claim request; provided, however, that the Executive Director shall be authorized to reject a claim if it is determined that the certifications, representations and warranties provided by the Participating Financial Institution or Borrower pursuant to Section 8072 at the time of enrolling the

Qualified Loan were false. The Authority shall be authorized, upon providing written notice to the Participating Financial Institution, to defer payment of claims up to an additional 30 days if the Authority requires more information in order to determine if the claim shall be paid. The Authority may request any and all information from the Borrower's loan file to substantiate the eligibility of the Borrower's business and the enrolled loan, and the reasonableness of the costs claimed.

(d) Claim reimbursement shall not exceed the enrolled amount of the qualified loan or loans that form the basis for the claim, except when reasonable out-of-pocket expenses are claimed. In the event only a portion of the loan was enrolled, reimbursement of interest and out-of-pocket expenses will be limited to the ratio of the enrolled portion to the total loan amount.

(e) To make a claim, the Participating Financial Institution shall submit a claim form to the Authority which shall include the following information:

(1) Name and number of the Participating Financial Institution.

(2) Name, address and telephone number of contact person.

(3) Name of the business receiving the defaulted Qualified Loan.

(4) Amount and date of the Qualified Loan and the Authority's loan number.

(5) Date and amount of default.

(6) ~~Amount of default~~ A description of the facts and circumstances of the default, efforts to settle or cure the default, efforts to liquidate collateral or collect from other sources, and any other narrative information and documentation necessary to demonstrate that the claim is eligible under Health and Safety Code Section 44559.5, and that any out-of-pocket expenses sought are reasonable.

(7) Amount of claim and breakdown of components of the claim between principal, interest, and reasonable out-of-pocket expenses of collection or preservation of collateral, accompanied by documentation of such expenses.

(8) Certification that notice was filed with the Authority as required by Section 8074(a) above within 120 days of the date the Participating Financial Institution charged the Qualified Loan off on its books, and certification that such charge off was made in a manner consistent with the Participating Financial Institution's usual methods for taking action on loans which are not enrolled as Qualified Loans under the Program.

(9) Statement whether the loan is secured, and whether the Participating Financial Institution has commenced enforcement proceedings.

(10) If two or more claims are filed simultaneously by one Participating Financial Institution, a statement of the priority of payment of the claim compared to the other claims in the event the Loss Reserve Account is not sufficient to pay all claims.

(11) Statement whether the Qualified Loan qualifies under Section 8074(g).

(f) Except as provided in Section 8074(g) below, if a Qualified Loan suffers a loss and at the time of the Participating Financial Institution's claim there are insufficient funds in the Loss Reserve Account to cover the total amount of the claim, the Participating Financial Institution shall be able to withdraw all of the amount in the Loss Reserve Account at the time of the claim, to cover the loss to the fullest extent possible, but it shall thereafter not be eligible to obtain any further reimbursement relating to that claim.

(g) If a Qualified Loan suffers a loss, and at the time of the claim there is not enough money in the Loss Reserve Account to fully cover the loss, the Participating Financial Institution shall be able to withdraw all of the amount in the Loss Reserve Account at the time of the claim, to cover the loss to the fullest extent possible. If the Participating Financial Institution then continues making Qualified Loans under the Program and the Loss Reserve Account is replenished, the Participating Financial Institution shall be authorized to withdraw funds from the Loss Reserve Account at a subsequent time in order to fully cover the earlier claim, provided that the amount subsequently withdrawn to cover the earlier claim cannot exceed 75 percent of the amount in the Loss Reserve Account immediately prior to such subsequent withdrawal.

(h) If subsequent to the payment of a claim by the Authority, the Participating Financial Institution recovers from the Borrower, from liquidation of collateral or from any other source, amounts for which the Participating Financial Institution was reimbursed by the Authority, the Participating Financial Institution shall promptly pay to the Authority for deposit in the Loss Reserve Account, the amount received, net of reasonable and customary costs of collection, that in aggregate exceeds the amount needed to fully cover the Participating Financial Institution's loss on the Qualified Loan (including the portion of a Qualified Loan which is not enrolled in the Program). Recoveries which exceed reimbursements to the Loss Reserve Account may be retained by the Participating Financial Institution.

Note: Authority cited: Sections 44520 and 44559.5(f), Division 27, Health and Safety Code. Reference: Section 44559.5, Division 27, Health and Safety Code.

§ 8075. Subrogation.

(a) The Authority will be subrogated to the rights of the Participating Financial Institution in collateral, personal guarantees and all other forms of security for the Qualified Loan that have not been realized upon by the Participating Financial Institution, when the participating Financial Institution's loss has been fully covered by payment of a loss claim, or by a combination of payment of a loss claim and recovery from the Borrower, liquidation of collateral, or from other sources.

(b) At the time of subrogating its rights, the Participating Financial Institution shall provide the Authority with all original security agreements, any documents evidencing title to real property, certificates of title, guarantees, and any other documents representing security for the Qualified Loan, duly recorded and perfected, and accompanied by enforceable assignments and conveyances to the Authority, unless such security documents also secure indebtedness to

the Participating Financial Institution which was not covered by the Qualified Loan. In such latter case, the Participating Financial Institution shall enter into an intercreditor agreement with the Authority, providing that the Participating Financial Institution shall be entitled to recover under such security documents, to the extent possible, the full amount of its loss on any indebtedness not covered by the Qualified Loan but secured by the same collateral as the Qualified Loan; the balance of any amounts recovered under such security documents shall be deposited in the Loss Reserve Account. The Participating Financial Institution shall provide regular reports, as requested by the Executive Director, concerning its activities in collecting moneys owed from a defaulted Borrower.

(c) The Executive Director shall be authorized to enter into agreements with any Participating Financial Institution to provide for such institution to act as the Authority's agent to secure recovery under any collateral or security documents to which the Authority has been subrogated.

§ 8076. Termination and Withdrawal from Program.

(a) A Participating Financial Institution shall be authorized to withdraw from the Program after giving written notice to the Authority. Such notice shall specify either:

(1) that the Participating Financial Institution waives any further interest in the Loss Reserve Account (including for the reason that all Qualified Loans covered by the Loss Reserve Account have been repaid); or

(2) that the Participating Financial Institution will not enroll any further loans under the Program but that the Loss Reserve Account shall continue in existence to secure all Qualified Loans enrolled prior to such notice until such loans mature or are charged off.

(b) After receipt of a notice under subsection (a)(1) or receipt of a certificate from a Participating Financial Institution which has withdrawn from the Program pursuant to subsection (a)(2), certifying that all Qualified Loans secured by the Loss Reserve Account have been repaid and that there are no pending claims for reimbursement under Section 8074, the remaining balance in the Loss Reserve Account shall be distributed to the Authority; provided that ~~with respect to moneys deposited in the Loss Reserve Account after January 1, 1999 (and assuming all claims made after January 1, 1999 are first allocated to moneys on deposit prior to that date),~~ such moneys shall be distributed to the Authority and to the Participating Financial Institution in the amount of the Authority Share and the Participating Financial Institution Share, respectively. For purposes of this Section 8076, “Participating Financial Institution Share” ~~“Authority Share”~~ means the ratio of the total amount of contributions made by the Participating Financial Institution Fees made Authority (or any Independent Contributor on behalf of the Authority) to the Loss Reserve Account in question from January 1, 1999 to the date of calculation, ~~to the total amount of Authority Contributions and Borrower and Participating Financial Intuition Fees made to such Loss Reserve Account during that period;~~ and ~~“Participating Financial Institution Authority Share”~~ means 100 minus the Authority

Participating Financial Institution Share.

(c) The Executive Director shall be authorized to terminate participation of a Participating Financial Institution in the Program, by notice in writing, upon the occurrence of any of the following:

(2) failure of the Participating Financial Institution to abide by the Law or this Article; or

(3) failure of the Participating Financial Institution to enroll any Qualified Loans under the Program for a period of one year.

(4) Provision of false or misleading information regarding the Participating Financial Institution to the authority, or failure to provide the authority with notice of material changes in submitted information regarding the Participating Financial Institution.

In the event of such termination, the Participating Financial Institution shall not be authorized to enroll any further Qualified Loans, but all previously enrolled Qualified Loans shall continue to be covered by the Loss Reserve Account until they are paid, claims are filed, or the Participating Financial Institution withdraws from the Program pursuant to Section 8076(a)(1).

(d) If for a consecutive 12-month period the amount in the Loss Reserve Account continuously exceeds the Outstanding Principal Balance of all the Participating Financial Institution's Qualified Loans made since the beginning of the Program, the Executive Director shall be authorized to withdraw any such excess to bring the Loss Reserve Account down to an amount equal to 100 percent of the Outstanding Principal Balance, ~~in the following manner: (i) first, distributions shall be made to the Authority up to an amount allocable to the moneys on deposit in the Loss Reserve Account on January 1, 1999 (assuming all claims made after January 1, 1999 are first allocated to moneys on deposit prior to that date) and (ii) further d~~Distributions shall be made to the Authority and to the Participating Financial Institution based on the Authority Share and the Participating Financial Institution Share, respectively.

(2) The Executive Director shall limit the amount of the annual Recapture of Contributions from each Loss Reserve Account, if necessary, to ensure that the balance remaining in that Loss Reserve Account immediately following Recapture is greater than a minimum threshold set as a percentage of the Outstanding Principal Balance of loans enrolled in the 60 months prior to each annual Recapture. Beginning in 2017, the minimum threshold will be fifteen percent (15%), and the minimum threshold will decrease by one percent (1%) for each successive year until it reaches the permanent minimum threshold of ten percent (10%).

(3) Recapture shall apply to each new Loss Reserve Account established on or after August 15, 2017.

(4) For Loss Reserve Accounts existing before August 15, 2017, each corresponding Participating Financial Institution shall affirm in writing its election to continue enrolling loans in the Program subject to Recapture being applied to the Contributions for all past and future Qualified Loans. This election may not later be withdrawn by the Participating Financial Institution. Loans enrolled on or after August 15, 2017 will be deemed ineligible if the Participating Financial Institution has not first submitted its election in writing. For any Participating Financial Institution that submits its election in writing after August 15, 2017, the Authority shall thereupon conduct Recapture for its Loss Reserve Account according to this subsection (g), and the Participating Financial Institution may thereupon submit new loan enrollments on or after the date of its written election. Reasons for suspension may include: violations of applicable statutes, regulations or Authority policies and procedures. If the violations are not corrected within thirty (30) business days from the effective date of the suspension the Executive Director shall be authorized to terminate participation of a Participating Financial Institution in the Program. In the event of such termination, the Participating Financial Institution shall not be authorized to enroll any further Qualified Loans, but all previously enrolled Qualified Loans shall continue to be covered by the Loss Reserve Account until they are paid, claims are filed, or the Participating Financial Institution withdraws from the Program pursuant to Section 8076(a)(1).

(d) Upon receipt of a Default Notification from the Participating Financial Institution, the Annual Recapture is suspended. Submittal of Default Notification does not suspend the Authority's withdrawal of interest and other income from the Loss Reserve Account. If the default or delinquency affecting the Qualifying Loan is subsequently resolved through a Change in Terms, settlement, or other workout which avoids charge-off of the loan, the Participating Financial Institution shall promptly withdraw the Default Notification, and the Annual Recapture will resume according to the original schedule and loan anniversary date.

§ 8078.33 Claim for Reimbursement

(a) Upon the default of an enrolled loan, the Participating Financial Institution must submit a written Default Notification, or prior to the expiration of the Term of Support, in order to suspend further Annual Recapture.

(b) For a loan in default, the Participating Financial Institution shall provide in each Quarterly Report a short report of the status of the loan, including a short narrative of the loan collection history, and the status of the attempt to work out the default including the sale of proceeds or attempts to liquidate collateral.

(c) If the default or delinquency affecting the Qualifying Loan is subsequently resolved through a Change in Terms, settlement or other workout which avoids charge-off and collateral liquidation of the loan, the Participating Financial Institution shall promptly withdraw the Default Notification, and the Annual Recapture will resume according to the original schedule and loan anniversary date.

(d) Within thirty (30) calendar days following charge-off and collateral liquidation, whichever is later, the lender will submit a written claim for Collateral Support Payment, including: a history of the account payments, the date of charge-off, the complete loan collection history, any attempts to work out the default prior to charge off, the sale of proceeds, and the success of

attempts to liquidate collateral and guarantees pledged at closing in advance of the Collateral Support.

(e) The Collateral Support shall not be claimed by a Participating Financial Institution in lieu of pursuing and liquidating pledged collateral. All pledged collateral must be liquidated consistent with the participating financial institution's usual method for loans not enrolled in the Collateral Support Program.

(f) After liquidation of all pledged collateral for a charged-off loan, a Participating Financial Institution may be reimbursed for: the amount of loan principal charged-off net liquidated collateral; reasonable out-of-pocket expenses incurred in pursuing its collection efforts, including the preservation of collateral, and other related costs; and accrued and unpaid interest. Proper documentation of any claimed expenses shall be presented at the time of the claim. The amount paid on a claim will never exceed the present amount in the Collateral Support Loss Reserve account.

(g) If, in the attempt to work out a default or charge-off, a Participating Financial Institution seeks to have an amended or new loan or debt structure with the Borrower covered by Collateral Support, the Participating Financial Institution shall submit a Collateral Support Program Request pursuant to Section 8078.31 and the Authority shall review it as a new loan or Refinance subject to all Program requirements, including fees if applicable to comport with any Change in Terms from the original Qualified Loan.
