3. EXECUTIVE DIRECTOR’S REPORT

Mr. Paparian announced that Kamika McGill will be out for an extended maternity leave. Ms. McGill has been an analyst in the California Capital Access Program (CalCAP) for the past few years. Kamika helped CalCAP address many challenges during the program’s lean times and more recently through its rapid expansion.

Mr. Paparian stated that he had a brief update about CalCAP. 2010 was staff’s busiest year to date for CalCAP in terms of the number of loans processed. Staff enrolled 943 loans, nearly 200 loans more than CalCAP’s second busiest year, 2006, when approximately 750 loans were processed. With its new federal funds, ongoing state funds and continued growth in the Air Resources Board (ARB) Clean Diesel Assistance Programs, 2011 should far surpass 2010. So far in 2011, staff has enrolled 380 loans.
At the California Industrial Development Financing Advisory Commission meeting it was announced that this was Cindy Aronberg’s last board meeting. Ms. Aronberg had kind words regarding staff which was appreciated by all.
