3. EXECUTIVE DIRECTOR’S REPORT

Mr. Paparian welcomed back Gisele Geiger, a member of the CPCFA staff, who was on parental leave. Ms. Geiger is part of the California Capital Access Program (CalCAP) team.

He reported that staff is continuing to work towards closing the Carlsbad desalination bond deal. There is a flurry of activity from the various parties involved in the transaction, including getting the final pricing on the bonds. Staff expects the bond transaction to close soon. With this closing, CPCFA will have succeeded in using most of the 2009 Carry-Forward Allocation before it expires at the end of 2012, its three year deadline. Staff is now working on the 2010 Carry-Forward Allocation that needs to be used by the end of 2013. The Poseidon transaction will use around $200 million of the 2010 allocation in addition to its 2009 allocation.
Mr. Paparian stated that two items related to CalCAP are on today’s agenda. He previously reported to the Board on the results of the audit from the Treasury Office of the Inspector General (OIG). The Treasury program staff spent several months evaluating the OIG audit. The Treasury staff has completed their work and has asked CalCAP staff to take a number of steps that include having CalCAP and Business, Transportation & Housing (BT&H) submit expenses from the quarter ending September 30, 2012 so the Treasury staff can validate that California is properly accounting for expenses in accordance with federal requirements. The Treasury staff is also requiring CalCAP and BT&H to submit more frequent reports on loan enrollments. Adjustments will also be made on future State Small Business Credit Initiative (SSBCI) allocations to California.

With the resolution of the audit, staff is expecting final approval of CalCAP’s two new programs soon. There will be some paperwork to sign and staff should be in a position to implement the new programs in January 2013.

Mr. Paparian reported to the Board on actions taken under his delegated authority. In the bond program he agreed to allow a new trustee, Wells Fargo Bank, for the Hilmar Cheese Series 2010 Bonds. For contracts under $300,000, he signed a one year extension of the contract with Deutsche Bank to provide trustee services in the California Recycle Underutilized Sites (CALReUSE) Program. The Trustee firm holds and disburses funds on behalf of program administrators and borrowers, calculates interest for each loan, and provides monthly account statements to program administrators and borrowers. The contract was set to expire on January 9, 2013; this amendment extends the contract until January 9, 2014. The contract is for an amount up to $125,000 for contract services.

B. CONSIDERATION AND APPROVAL OF THE COLLATERAL SUPPORT PROGRAM UPDATES TO BE ADMINISTERED BY THE CALIFORNIA CAPITAL ACCESS PROGRAM (CALCAP)  
Presented by: Nancee Trombley for Emily Jarrett

On February 17, 2011, CPCFA was awarded approximately $84 million in State Small Business Credit Initiative (SSBCI) funds by the U.S. Department of the Treasury (Treasury) to fund programs that help small businesses obtain capital. Currently, only CPCFA’s CalCAP is utilizing these funds as an approved participating State program. In March 2012, CPCFA requested Treasury approval to include a Collateral Support Program (CSP) to utilize a portion of the allotted SSBCI funds.

In May 2012, staff obtained Board approval, including proceeding with the adoption of emergency regulations, to roll out the CSP upon Treasury’s approval. Subsequent to the May Board meeting, CalCAP staff actively solicited stakeholder input on the proposed CalCAP CSP outline. As a result of Treasury and stakeholder input, CalCAP staff requested approval of various refinements to the CalCAP CSP. These modifications may require updates to the regulations at some future point as staff moves forward in the process.

Ms. Redway asked if there were any questions or comments from the Board or public. There were none.

Ms. Redway asked if there was a motion.

Mr. Reyes moved approval of the item; upon a second, the item was unanimously approved.

6. ADJOURNMENT  
There being no further business, public comments, or concerns, the meeting adjourned at 10:38 a.m.
