August 21, 2012

WHEREAS, the California Pollution Control Financing Authority (“Authority”), a
public instrumentality, is authorized and empowered by the provisions of the California Pollution

facilities for the disposal of solid and liquid waste products, including solid waste disposal
recovery and recycling facilities; and

WHEREAS, Alameda County Industries, LLC, a California limited liability company
(“Applicant”), and/or its Affiliates (as hereinafter defined) (collectively, “Company”) have
submitted an application (the “Application”) to the Authority requesting the Authority assist in
financing (i) the construction of improvements to a materials recovery facility, (ii) the
construction of site improvements, (iii) the acquisition of rolling stock and drop boxes, bins, carts
and containers and/or (iv) the acquisition and installation, if any, of equipment for the collection,
processing, transfer and recycling of solid waste and other equipment functionally related

WHEREAS, the Authority desires to encourage the Company to provide solid waste

WHEREAS, the Authority deems it necessary and advisable to further the purposes of
the Act that the Facilities be acquired at the earliest practicable date, but the Company requires
satisfactory assurances from the Authority that the proceeds of the sale of bonds of the Authority
will be made available to finance such Facilities; and

WHEREAS, the Company expects to incur or pay from its own funds certain
expenditures in connection with the Facilities prior to the issuance of indebtedness for the
purpose of financing costs associated with the Facilities on a long-term basis; and

WHEREAS, subject to meeting all the conditions set forth in this resolution the
Authority reasonably expects that debt obligations in an amount not expected to exceed
$10,275,000 will be issued and that certain of the proceeds of such debt obligations will be used
to reimburse the Company for its prior expenditures for the Facilities; and

WHEREAS, Section 1.103-8(a)(5) and Section 1.150-2 of the Treasury Regulations

the Facilities with proceeds of a subsequent borrowing:
NOW, THEREFORE, BE IT RESOLVED by the California Pollution Control Financing Authority as follows:

Section 1. The Authority finds and determines that the foregoing recitals are true and correct.
