RE: NEPA Publication Comment Period Guidance

In most cases, the project sponsor will be required to publish a Notice of Intent to Request Release of Funds (NOI/RROF) combined with a Finding of No Significant Impact (FONSI), as prescribed by TCAC, in a publication of general circulation in the project area. The project sponsor must not publish until the environmental review documents have been reviewed by TCAC and the sponsor receives approval to proceed with publication. After TCAC approval of the environmental review documents TCAC will forward the guidance for publication.

If you have any questions regarding NEPA, please contact Velia Martinez at (916) 654-5632 or vmartinez@treasurer.ca.gov.
