Re: Required Signage for Projects Funded with ARRA Dollars

Projects funded with ARRA funds through the California Tax Credit Allocation Committee shall provide signage at the project site identifying ARRA funds as a part of the project financing.

You will find ARRA signage templates on our website at http://www.treasurer.ca.gov/ctcac/arra_apps/signage.asp. In addition to the logo you choose to post, you must also provide lettering that states American Recovery and Reinvestment Act of 2009 funding is provided for the project.

If you have any questions, please contact Lisa Vergolini, Deputy Executive Director at (916) 654-6340.
