

Make a landmark **INVESTMENT.**

Recognized around the world, it towers above the Pacific, a testament to the California spirit. It is the Golden Gate Bridge. Our bridge. And it was paid for by bonds.

Now you have a chance to be a part of California history. Invest in California bonds and you will be investing in California's future, and yours as well. Voters approved the sale of state bonds to help build 21st Century transportation systems, schools, and parks.

Right now you have a special opportunity. The state is selling \$2.5 billion in tax-exempt bonds, and California residents like you can take advantage of an early order period, during which you will have first pick, before the large institutions can get in. And you won't have to pay an upfront sales commission on bonds you purchase during this period.

This day,

he'll live the California dream...

*...he'll visit a state park, attend a school play,
and take a drive to the beach.
But this day isn't today,
it's 30 years from now.
And bonds will make it happen.*
