#### **APPROVAL OF SURPLUS MONEY INVESTMENT FUND REQUESTS**

Mr. Spittler said there were no SMIF requests for this month.

#### **APPROVAL OF COMMERCIAL PAPER ISSUERS**

On behalf of the Investment Division of the State Treasurer's Office, Mr. Bill Dowell presented the names of two new commercial paper issuers for the approval of the Board. These two names were Countrywide Financial Corporation and Citigroup Funding Inc.

Mr. Dowell presented Countrywide Financial Corporation first. He said the new commercial paper program of Countrywide Financial Corporation (based in Calabasas, California) would be replacing the commercial paper program of its subsidiary, Countrywide Home Loans Inc., which has been an approved PMIA investment since 1993. Countrywide Financial Corporation and its subsidiaries have approximately 20,000 California employees. The new commercial paper program is rated P-2/A-1/F1 by Moody's, S&P and Fitch. The program is authorized to issue \$12 billion and currently has \$7.4 billion outstanding.

Mr. Dowell then presented Citigroup Funding Inc., a wholly-owned subsidiary of Citigroup Inc. Citigroup Funding Inc. that was created recently to consolidate the three separate commercial paper programs of Citicorp., Citigroup, and Citigroup Global Market Holdings under one corporate umbrella. The commercial paper programs of these three Citigroup Inc. subsidiaries

have been approved PMIA investments for many years. The new commercial paper program is rated P-1/A-1+/F1+ by Moody's, S&P and Fitch. The three programs were authorized to issue \$40 billion and currently have \$32.8 billion outstanding.

Mr. Dowell said that approval of these two programs would enable the Investment Division to continue working with two highly rated commercial paper issuers which would help to maintain diversity and competitive yields for the PMIA. Cindy Aronberg asked about the recent settlement that Citicorp entered into with the Federal Government relating to its involvement as a banker for Enron Corporation. Ms. Aronberg wanted to know if the financial implications of such a settlement had been considered in the evaluation of Citigroup Funding, Inc and if their alleged wrongdoing might preclude them from participating in the PMIA. Mr. Dowell answered that the Investment Division was aware of this settlement when it evaluated the credit risk of Citigroup Funding, Inc. He noted that the national rating agencies (Moody's, S&P, Fitch) have sustained their prime ratings for the firm and that the financial settlement was not expected to impact the ratings. Mr. Dowell also pointed out that Citigroup has a Community Reinvestment Act (CRA) rating of "Outstanding." He concluded by stating that the Investment Division found nothing in their review of Citigroup Funding Inc. that would preclude them from becoming an approved name for the PMIA.

The Board approved the use of both Issuers, 3-0.
