<b>Org</b>	<b>Project description</b>	<b>Location (County)</b>	<b>Project value*</b>	<b>Underway</b>	<b>In-Pipeline</b>	<b>Action Needed</b>
3760	Bay Trail boardwalk. The grantee shall construct a 335-foot-long boardwalk on top of an existing berm extending from the Bay Trail spine into and along a degraded wetland area, with an interpretive observation platform at the end.	San Mateo	\$ 39,500	x		
3760	Santa Rosa Creek. The grantee will restore the 1,900-foot Pierson Reach stretch of the Santa Rosa Creek located between Railroad/Olive Street to Pierson Street in the City of Santa Rosa. The restoration work includes the removal of rock and grouted concrete which currently lines the creek, the construction of in-stream habitat enhancement features, and riparian planning.	Sonoma	\$ 400,000		x	
3760	East Bay Greenway project. The grantee shall use these funds to prepare and develop a plan for an open space and public access corridor (the "East Bay Greenway") along the right-of-way beneath the elevated Bay Area Rapid Transit track that runs approximately 12 miles from the City of Hayward to 15th Avenue in the City of Oakland, as shown as "Phase I" on Exhibit 3, which is incorporated by reference and attached."	Alameda	\$ 35,000		x	
3760	Napa River Salt Marsh	Napa	\$ 81,152	x		
3760	Marsh Creek fish ladder. Funds will be used to construct a fish ladder over a grade-control drop structure located approximately three miles from the mouth of Marsh Creek. The grantee shall modify the existing drop structure including removing and saw-cutting portions of existing concrete and grouted rock riprap, adjusting the existing rock weir to direct low flows, and constructing a concrete fish ladder on the existing drop structure that will be approximately 100 feet	Contra Costa	\$ 100,000		x	
3760	Open space protection plan. Funds will be used to produce a plan for the protection of open space priority land in the San Francisco Bay Area, and to further the natural resource and recreational goals of the San Francisco Bay Area Conservancy Program through information exchange and dissemination for the nine-county San Francisco Bay Area	San Francisco Bay Area	\$ 78,639	x		
3760	Sonoma Trail construction. These funds shall be used to construct 2.4 miles of trail, including a bridge, two staging areas, and an overlook with interpretive signage.	Sonoma	\$ 500,000		x

3760	Historical Ecology Project. Project includes research, reporting and mapping for the entire County habitat. Using the results of this data-gathering and analysis, public outreach materials will be developed and distributed. For the East County, the project will additionally provide Geographic Information System (GIS) synthesis to create GIS data layers of historical landscapes, analysis to assess and illustrate historical ecological and hydrogeomorphic patterns and changes and detailed reporting of the findings and resources.	Contra Costa	\$ 62,973		x	
3760	Wildlake-Duff Interim Management Plan	Napa	\$ 171,900		x	
3760	Fort Bragg Headlands. Funds shall be used to acquire real property known as the Fort Bragg Headlands located in the County of Mendocino, State of California, consisting of the parcels identified as the "Glass Beach Staging Area", the "North Soldier's Bay Headlands", the "Southern Parkland" and the "Coastal Trail Corridor". The Glass Beach Staging Area, the North Soldiers Bay Headlands and the Southern Parkland (each of which is referred to herein as a "parcel") will be acquired through purchase, and the Coastal Trail	Mendocino	\$ 4,065,000		x	
3760	Steelhead Beach River Park, Phase II	Sonoma	\$ 215,000		x	
3760	Rio de Los Angeles State Park General Plan. The grantee shall use these funds to implement portions of the Rio de Los Angeles State Park General Plan, by collecting and grow native local plants, install the plants at the wetland. Maintain and monitor the wetland plantings for three years.	Los Angeles	\$ 100,000	x		
3760	Humboldt Bay Water Trails Implementation Program. The grantee shall use these funds to complete the design and engineering phase of the Humboldt Bay Water Trails Implementation Program. Specifically, the grantee shall produce engineered designs for ramp and/or dock modifications.	Humboldt	\$ 350,000		x
