2) **Experience, Personnel, and References**

i) **Experience:**

(1) Describe the proposer’s experience providing economic forecast data and analysis to state officials.

(2) Describe the proposer’s experience in evaluating how economic and fiscal trends may affect state and local fiscal conditions, and identifying emerging economic and fiscal issues with a potentially significant impact on state and local finances.

(3) Describe the proposer’s experience with providing written and oral presentations, or providing assistance with preparing for written and oral presentations.

(4) Describe the proposer’s experience preparing research and participating in meetings or discussions related to revenues and/or economic developments that may impact programs administered by state or local governments.

ii) **Qualifications of Personnel:** Identify the personnel that will be providing the services if awarded the contract, including years and type of experience for each person. Experience should include number of years with the proposer as well as all prior relevant employment. Please also include staff of subcontractors, if any. The contractor is expected to ensure that the quality and availability of personnel assigned to perform services under the contract will be maintained over the term of the contract. Replacements must have substantially the same or better qualifications and experience than the original personnel. Any change in assigned personnel must be pre-approved by the State. Identify the role each person will serve in the contract and his/her title. Provide detailed resumes for individuals that will be directly involved in providing the services under the contract including any proposed subcontractors and their employees, if any.

iii) **References (Attachment 4):** Submit at least three (3) references from clients for which the proposer has provided services similar to “Scope of Services”, Section A, within the last five (5) years.

3) **Conflicts of Interest**

Please disclose any business relationships, which may be construed to be potential or actual conflicts of interest. The contractor will have a continuing requirement to disclose any business relationships that may be construed to be a potential or actual conflict.

4) **Cost Detail Format and Requirements**

The total amount of the contract, if awarded, shall not exceed $50,000.

Proposer’s cost will be evaluated based on the blended hourly rate of all personnel that will provide services under the contract, if awarded. The blended hourly rate for professional services will be an average of the hourly rate for all professionals expected to provide services under this anticipated contract. The blended hourly rate will be the hourly rate the proposer will be paid for professional services if awarded the contract.

The following formula will be used for the award of cost points: Proposer with the lowest blended hourly rate for professional services will be awarded the maximum cost points (30 points). Other proposals are awarded points based on the following calculation:
(lowest proposer’s blended hourly rate / other proposer’s blended hourly rate) = (factor)
(factor) X maximum cost points = cost points for other proposal

EXAMPLE: A maximum of 30 cost points is available.
Lowest proposer’s blended hourly rate = $100
Other proposer’s blended hourly rate = $200
$100 / $200 = 0.5
0.5 X 30 maximum cost points = 15 cost points for other proposal

Proposers must submit the cost for services as follows:

• Blended hourly rate for professional services = $________.00 per hour

Maximum hours billable for travel may not exceed two hours, unless prior written approval is obtained from STO. Travel costs will be paid based on the rates of the California Department of Human Resources (CalHR) for comparable classes, and no travel outside the State of California shall be reimbursed unless prior written authorization is obtained from the State. Contractor will be compensated for hours expended by providing a detailed monthly invoice to STO. Authorized actual expenses incurred must be directly related to the services performed and will be limited to $50.00 per month, including but not limited to, postage, mailing, courier, and printing/reproduction costs, unless written prior approval from STO is obtained. STO will not reimburse the printing of or the copying of electronically received/delivered documents for contractor’s in-house use. Such actual expenses incurred must be itemized and receipts must be attached to invoices.

5) Submission of Proposal

a) Proposals should provide straightforward and concise descriptions of the proposer’s ability to satisfy the requirements of this RFP. The proposal must be complete and accurate. Omissions, inaccuracies or misstatements may be cause for rejection of a proposal.

b) The proposal package should be prepared in the least expensive method.

DO NOT OPEN
If the proposal is made under a fictitious name or business title, the actual legal name of proposer must be provided. Proposals not submitted under sealed cover and marked as indicated may be rejected.

State Treasurer’s Office

915 Capitol Mall, Rm. 538

Sacramento, CA 95814

j) A proposal may be rejected if it is conditional or incomplete, or if it contains any alterations of form or other irregularities of any kind. The State may reject any or all proposals and may waive an immaterial deviation in a proposal. The State's waiver of an immaterial deviation shall in no way modify the RFP document or excuse the proposer from full compliance with all requirements if awarded the agreement.

k) Costs incurred for developing proposals and in anticipation of award of the agreement are entirely the responsibility of the proposer and shall not be charged to the State of California.

l) An individual who is authorized to bind the proposing firm contractually shall sign the Attachment 2, Proposal/Proposer Certification Sheet. The signature must indicate the title or position that the individual holds in the firm. An unsigned proposal may be rejected.

n) A proposer may withdraw its proposal by submitting a written withdrawal request to the State, signed by the proposer or an authorized agent in accordance with h) above. A proposer may thereafter submit a new proposal prior to the proposal submission deadline. Proposals may not be withdrawn without cause subsequent to proposal submission deadline.

o) The awarding agency may modify the RFP prior to the date fixed for submission of proposals by the issuance of an addendum to all parties who received a proposal package.

p) The awarding agency reserves the right to reject all proposals. The agency is not required to award an agreement.

q) Before submitting a response to this solicitation, bidders should review, correct all errors and confirm compliance with the RFP requirements.

r) More than one proposal from an individual, firm, partnership, corporation or association under the same or different names, will not be considered.
s) The State does not accept alternate contract language from a prospective contractor. A proposal with such language will be considered a counter proposal and will be rejected. The State’s General Terms and Conditions (GTC) are not negotiable.

t) No oral understanding or agreement shall be binding on either party.

6) **Evaluation Process**

a) At the time of proposal opening, each proposal will be checked for the presence or absence of required information in conformance with the submission requirements of this RFP.

b) Proposals that contain false or misleading statements, or which provide references, which do not support an attribute or condition claimed by the proposer, may be rejected.

c) Contract award, if any, will be made to the highest scoring responsive and responsible proposer.

d) **Proposal Evaluation**

Proposals, which include all required Attachments, that are submitted as required by the deadline specified in this RFP and meet the minimum qualifications will be evaluated and scored according to the criteria indicated below. 7) **Award and Protest**

a) Notice of the proposed award shall be posted in a public place at 915 Capitol Mall, Sacramento, California 95814 and on the Internet at www.treasurer.ca.gov, for five (5) working days prior to awarding the agreement.

It is suggested that you submit any protest by certified or registered mail.

c) Within five (5) days after filing the initial protest, the protesting proposer shall file with the Department of General Services, Office of Legal Services and the State Treasurer's Office a detailed statement specifying the grounds for the protest.

9) Agreement Execution and Performance

a) Performance shall start not later than three (3) days, or on the express date set by the State Treasurer's Office and the Contractor, after all approvals have been obtained and the agreement is fully executed. Should the Contractor fail to commence work at the agreed upon time, the awarding agency, upon five (5) days written notice to the Contractor, reserves the right to terminate the agreement. In addition, the Contractor shall be liable to the State for the difference between Contractor's Proposal price and the actual cost of performing work by another contractor.

b) All performance under the agreement shall be completed on or before the termination date of the agreement.
c) The term of the agreement, if an award is made, is expected to start on June 15, 2015 or if required, upon Department of General Services (DGS) approval, whichever is later, and end on May 31, 2016.

D) Preference Programs and DVBE

1) Small Business Preference – www.dgs.ca.gov/pd/Programs.aspx (SB/DVBE - OSDS tab)
   (If there are any inconsistencies herein with the applicable statutes, regulations, and State Contracting Manual, the statutes, regulations, and State Contracting Manual shall supersede.)

Small Business / Microbusiness Preference

A five percent (5%) preference will be applied to certified small businesses submitting proposals for this RFP. To obtain the preference, Proposer must either be certified as a small business and submit a copy of their certification approval letter from DGS / Office of Small Business and DVBE Services (OSDS) or submit a complete application for certification to DGS / OSDS by 5:00 p.m. PT on the proposal due date. However, the proposed winning Proposer must be a certified small business at the time of contract award. The 5% preference is used only for computation purposes to determine the winning Proposer and does not alter the amounts of the resulting contract.

Once each proposal has been scored, if the highest scored proposal is from a non-certified small business, then 5% of the highest scoring proposal is added to the total "earned" points for each proposal submitted by a certified small business. These final numbers, with the 5% included, are then used to determine the highest scoring proposal.

Questions regarding the small business certification or preference approval should be directed to the OSDS at (916) 375-4940 or can be found online at http://www.dgs.ca.gov/pd/Programs/OSDS.aspx.

Non-Small Business Preference

A five percent (5%) preference is available to a non-small business claiming twenty-five percent (25%) California certified small business subcontractor participation. If claiming the non-small business subcontractor preference, the proposal must include a list of the small business(es) with which the Proposer commits to subcontract in an amount of at least 25% of the net proposal price with one or more California certified small businesses. Each listed certified small business must perform a "commercially useful function" in the performance of the contract as defined in Government Code Section 14837(d)(4).

The required list of California certified small business subcontractors must be attached to the proposal and must include the following: 1) subcontractor name, 2) address, 3) phone number, 4) a description of the work to be performed and/or products supplied, 5) and the dollar amount or percentage of the net proposal price (as specified in the solicitation) per subcontractor.

Proposers claiming the 5% preference must commit to subcontract for at least 25% of the net proposal price with one or more California certified small businesses. Completed certification applications and required support documents must be submitted to the OSDS no later than 5:00 p.m. PT on the proposal due date. Questions regarding certification should be directed to the OSDS at (916) 375-4940 or can be found online at http://www.dgs.ca.gov/pd/Programs/OSDS.aspx.

The preference to a non-small business firm that commits to California certified small business subcontractor participation of 25% of its net proposal price shall be 5% of the highest scoring proposal. A non-small business, which qualifies for this preference, may not take an award away from a certified small business.
2) Target Area Contract Preference Act (TACPA) - www.dgs.ca.gov/pd/Programs.aspx (Dispute Resolution tab) (If there are any inconsistencies herein with the applicable statutes, regulations, and State Contracting Manual, the statutes, regulations, and State Contracting Manual shall supersede.)

The TACPA preference will be granted for this procurement. Proposers wishing to take advantage of the TACPA preference will need to review the following website and submit the appropriate response with the proposal:

http://www.pd.dgs.ca.gov/edip/tacpa.htm

Proposers wishing to take advantage of the TACPA preference are required to submit the following applications/forms:

- TACPA (Std. 830)

- Bidder’s Summary of Contract Activities and Labor Hours (DGS/PD 525)

- Manufacturer Summary of Contract Activities and Labor Hours (DGS/PD 526)

3) Disabled Veteran Business Enterprise (DVBE) participation requirements are waived for this RFP and agreement.

**Requirement to Complete Payee Data Record, STD. 204**

A completed Payee Data Record, STD. 204, is required for payments to all non-governmental entities and will be kept on file at each State agency. Since each State agency with which you do business must have a separate STD. 204 on file, it is possible for a payee to receive this form from various State agencies.

Payees who do not wish to complete the STD. 204 may elect to not do business with the State. If the payee does not complete the STD. 204 and the required payee data is not otherwise provided, payment may be reduced for federal backup withholding and nonresident State income tax withholding. Amounts reported on Information Returns (1099) are in accordance with the Internal Revenue Code and the California Revenue and Taxation Code.

**Enter the payee’s legal business name.** Sole proprietorships must also include the owner’s full name. An individual must list his/her full name. The mailing address should be the address at which the payee chooses to receive correspondence. Do not enter payment address or lock box information here.

**Check the box that corresponds to the payee business type.** Check only one box. Corporations must check the box that identifies the type of corporation. The State of California requires that all parties entering into business transactions that may lead to payment(s) from the State provide their Taxpayer Identification Number (TIN). The TIN is required by the California Revenue and Taxation Code Section 18646 to facilitate tax compliance enforcement activities and the preparation of Form 1099 and other information returns as required by the Internal Revenue Code Section 6109(a).

The TIN for individuals and sole proprietorships is the Social Security Number (SSN). Only partnerships, estates, trusts, and corporations will enter their Federal Employer Identification Number (FEIN).

**Are you a California resident or nonresident?**

A corporation will be defined as a "resident" if it has a permanent place of business in California or is qualified through the Secretary of State to do business in California.

A partnership is considered a resident partnership if it has a permanent place of business in California. An estate is a resident if the decedent was a California resident at time of death. A trust is a resident if at least one trustee is a California resident.

For individuals and sole proprietorships, the term "resident" includes every individual who is in California for other than a temporary or transitory purpose and any individual domiciled in California who is absent for a temporary or transitory purpose. Generally, an individual who comes to California for a purpose that will extend over a long or indefinite period will be considered a resident. However, an individual who comes to perform a particular contract of short duration will be considered a nonresident.

Payments to all nonresidents may be subject to withholding. Nonresident payees performing services in California or receiving rent, lease, or royalty payments from property (real or personal) located in California will have 7% of their total payments withheld for State income taxes. However, no withholding is required if total payments to the payee are $1,500 or less for the calendar year.

For information on Nonresident Withholding, contact the Franchise Tax Board at the numbers listed below:
- Withholding Services and Compliance Section: 1-888-792-4900  
  E-mail address: wscs.gen@ftb.ca.gov
- For hearing impaired with TDD, call: 1-800-822-6268  
  Website: www.ftb.ca.gov

**Provide the name, title, signature, and telephone number of the individual completing this form.** Provide the date the form was completed.

**This section must be completed by the State agency requesting the STD. 204.**

**Privacy Statement**

Section 7(b) of the Privacy Act of 1974 (Public Law 93-579) requires that any federal, State, or local governmental agency, which requests an individual to disclose their social security account number, shall inform that individual whether that disclosure is mandatory or voluntary, by which statutory or other authority such number is solicited, and what uses will be made of it.

It is mandatory to furnish the information requested. Federal law requires that payment for which the requested information is not provided is subject to federal backup withholding and State law imposes noncompliance penalties of up to $20,000.

You have the right to access records containing your personal information, such as your SSN. To exercise that right, please contact the business services unit or the accounts payable unit of the State agency(ies) with which you transact that business.

All questions should be referred to the requesting State agency listed on the bottom front of this form.

   b. Establish a Drug-Free Awareness Program to inform employees about:
      1) the dangers of drug abuse in the workplace;

DOING BUSINESS WITH THE STATE OF CALIFORNIA

The following laws apply to persons or entities doing business with the State of California.

1. CONFLICT OF INTEREST: Contractor needs to be aware of the following provisions regarding current or former state employees. If Contractor has any questions on the status of any person rendering services or involved with the Agreement, the awarding agency must be contacted immediately for clarification.

1). No officer or employee shall engage in any employment, activity or enterprise from which the officer or employee receives compensation or has a financial interest and which is sponsored or funded by any state agency, unless the employment, activity or enterprise is required as a condition of regular state employment.

2). No officer or employee shall contract on his or her own behalf as an independent contractor with any state agency to provide goods or services.

Former State Employees (Pub. Contract Code §10411):

2. **LABOR CODE/WORKERS' COMPENSATION:** Contractor needs to be aware of the provisions which require every employer to be insured against liability for Worker's Compensation or to undertake self-insurance in accordance with the provisions, and Contractor affirms to comply with such provisions before commencing the performance of the work of this Agreement. (Labor Code Section 3700)

5. **CORPORATE QUALIFICATIONS TO DO BUSINESS IN CALIFORNIA:**
   
   a. When agreements are to be performed in the state by corporations, the contracting agencies will be verifying that the contractor is currently qualified to do business in California in order to ensure that all obligations due to the state are fulfilled.

   b. "Doing business" is defined in R&TC Section 23101 as actively engaging in any transaction for the purpose of financial or pecuniary gain or profit. EXHIBIT C

PLEASE NOTE: This page will not be included with the final agreement. The General Terms and Conditions (GTC 610) will be included in the agreement by reference to Internet site www.ois.dgs.ca.gov/Standard+Language/default.htm
EXHIBIT D

SPECIAL TERMS AND CONDITIONS

1. **Excise Tax**

The State of California is exempt from federal excise taxes, and no payment will be made for any taxes levied on employees’ wages. The State will pay for any applicable State of California or local sales or use taxes on the services rendered or equipment or parts supplied pursuant to this Agreement. California may pay any applicable sales and use tax imposed by another state.

2. **Settlement of Disputes**

In the event of a dispute, Contractor shall file a “Notice of Dispute” with a Deputy Treasurer of the State Treasurer’s Office within ten (10) days of discovery of the problem. Within ten (10) days, the Deputy Treasurer shall meet with the representatives of Contractor and the State identified in Paragraph 4 of Exhibit A for purposes of resolving the dispute. The decision of the Deputy Treasurer shall be final.

In the event of a dispute, the language contained within this Agreement shall prevail over any other language including that of any proposal or bid.

3. **Evaluation of Contractor**

Pursuant to Public Contract Code sections 10367 and 10369 within sixty (60) days after the completion of this Agreement, the State shall complete a written evaluation of Contractor’s performance under this Agreement. If this Agreement is a contract for consultant services and if Contractor did not satisfactorily perform the work, a copy of the evaluation will be sent to the Department of General Services (DGS), Office of Legal Services, and to the Contractor within fifteen (15) working days of the completion of the evaluation in accordance with Public Contract Code section 10371.

4. **No Agency Liability**

The Contractor warrants by execution of this Agreement that no person or selling agency has been employed or retained to solicit or secure this Agreement upon agreement or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by the Contractor for the purpose of securing business. For breach or violation of this warranty, the State shall, in addition to other remedies provided by law, have the right to annul this Agreement without liability, paying only for the value of the work actually performed, or otherwise recover the full amount of such commission, percentage, brokerage, or contingent fee.

5. **Potential Subcontractors**

Nothing contained in this Agreement or otherwise, shall create any contractual relationship between the State and any subcontractors, and no subcontract shall relieve the Contractor of his responsibilities and obligations hereunder. The Contractor agrees to be as fully responsible to the State for the acts and omissions of its subcontractors and of persons either directly or indirectly employed by any of them as it is for the acts and omissions of persons directly employed by the Contractor. The Contractor's obligation to pay its subcontractors is an independent obligation from the obligation of the State to make payments to the Contractor. As a result, the State shall have no obligation to pay or to enforce the payment of any moneys to any subcontractor.

6. **Force Majeure**

Neither party to this Agreement shall be liable for damages resulting from delayed or defective performance when such delays arise out of causes beyond the control and without the fault or negligence of the offending party. Such causes may include, but are not restricted to, acts of God or of
the public enemy, acts of the State in its sovereign capacity, fires, floods, power failure, disabling
strikes, epidemics, quarantine restrictions, and freight embargoes.

7. Waivers

No delay on the part of any party in exercising any right, power or privilege hereunder shall operate as
a waiver thereof, nor shall any waiver on the part of any party of any right, power or privilege
hereunder, nor any single or partial exercise of any right, power or privilege hereunder, preclude any
other or further exercise thereof or the exercise of any other right, power or privilege hereunder.

8. Incorporation of Amendments to Applicable Laws

Any references to sections of federal or state statutes or regulations shall be deemed to include a
reference to any amendments thereof and any successor provisions thereto.

9. Confidentiality

All financial, statistical, personal, technical and other data and information relating to the operations of
the State which are designated confidential by the State and become available to Contractor shall be
protected by Contractor from unauthorized use and disclosure.

10. Titles/Section Headings

Titles and headings are for convenience of reference only, and shall have no effect on the construction
or legal effect of this Agreement.

11. Choice of Law

Notwithstanding Paragraph 14 of Exhibit C (General Terms and Conditions), this Agreement shall be
administered, construed, and enforced according to the laws of the State of California (without regard
to any conflict of laws provisions) to the extent such laws have not been preempted by applicable
federal law. Any suit brought hereunder, including any action to compel arbitration or to enforce any
award or judgment rendered thereby, shall be brought in state court sitting in Sacramento, California,
the parties hereby waiving any claim or defense that such forum is not convenient or proper. Each
party agrees that any such court shall have in personam jurisdiction over it and consents to service of
process in any manner authorized by California law.

12. Notices

The parties agree that to avoid unreasonable delay in the progress of the services performed
hereunder, Contractor and the State have designated in Paragraph 4 of Exhibit A specific staff
representatives for the purpose of communication between the parties. Any notice or other written
communication required or which may be given hereunder shall be deemed given when delivered
personally, or by mail three (3) days after the date of mailing, unless by express mail then upon the
date of confirmed receipt, to the representatives named in Paragraph 4 of Exhibit A.

Either party hereto may, from time to time by notice in writing served by mail or hand delivery upon the
other as aforesaid, designate a different address or a different or additional person to which all such
notices or demands thereafter are to be addressed.

13. Permits and Licenses

Contractor shall carry out its duties and responsibilities herein in accordance with, be limited in the
exercise of its rights by, and observe and comply with, all federal, state, city and county laws, rules or
regulations affecting services under this Agreement. Contractor shall procure and keep in full force and

14. Books and Records

Contractor shall keep accurate books and records connected with the performance of this Agreement for a period of at least three (3) years. Contractor shall ensure that books and records of subcontractors, suppliers, and other providers shall also be accurately maintained. Such books and records shall be kept in a secure location and shall be available for inspection and copying by the State and its representatives at any time.

15. Key Personnel

a. A resume for each member of Contractor’s staff who will exercise a significant administrative, policy, or consulting role under this Agreement is attached to this Agreement. These members of Contractor’s staff shall be hereafter referred to (both individually and collectively) as “Key Personnel.”

b. Contractor shall not substitute, replace or reassign Key Personnel without the prior approval of the State and an amendment to this Agreement.

c. This Agreement may be terminated immediately, in the sole discretion of the State and upon written notice from the State to Contractor, because of any change in or departure of any of the Key Personnel.

16. Changes in Control, Organization or Key Personnel

Contractor shall promptly, and in any case within five (5) days, notify the State in writing: (i) if any of Contractor’s representations and warranties, as set forth in this Agreement, cease to be true at any time during the term of this Agreement; (ii) of any change in Contractor’s staff who exercises a significant administrative, policy, or consulting role under this Agreement, including without limitation any Key Personnel; (iii) of any change in the majority ownership, control, or business structure of Contractor; or (iv) of any other material change in Contractor’s business, partnership or corporate organization. All written notices from Contractor under this provision shall contain sufficient information to permit the State to evaluate the changes within Contractor’s staff or organization under the same criteria as was used by the State in its award of this Agreement to Contractor.

17. Insurance Requirements

28. Termination at Option of the State

In addition to the provisions of Paragraph 7 of Exhibit C (General Terms and Conditions), this Agreement may be terminated in whole or in part at any time upon thirty (30) days' written notice by the State, for any reason. Upon receipt of a termination notice, Contractor shall promptly discontinue all services affected unless the notice specifies otherwise. In the event the State terminates all or a portion of this Agreement for any reason, it is understood that the State will provide payment to Contractor for satisfactory services rendered prior to the termination, but not in excess of the maximum amount of this Agreement.

29. Termination for Insolvency

Contractor shall notify the State immediately in writing in the event that Contractor files any federal bankruptcy action or state receivership action, any federal bankruptcy or state receivership action is commenced against Contractor, Contractor is adjudged bankrupt, or a receiver is appointed and qualifies. In the event of any of the foregoing events, or if the State determines, based on reliable information, that there is a substantial probability that Contractor will be financially unable to continue performance under this Agreement, the State may terminate this Agreement and all further rights and obligations immediately.

30. Completion

In the event of termination for default, the State reserves the right to take over and complete the work by contract or other means. In such case, Contractor will be liable to the State for any additional cost incurred by the State to complete the work whether reimbursed or not.

31. Effect of Termination

Contractor acknowledges that the State is subject to the provisions of the Political Reform Act (Government Code section 81000 et seq. and all regulations adopted thereunder, including, but not limited to, California Code of Regulations, title 2, section 18700 et. seq.) and Contractor shall comply promptly with any requirement thereunder. If required by law, Contractor shall require its personnel, including without limitation, its Key Personnel all later substitutions therefore, to file Statements of Economic Interests in compliance with the Conflict of Interest Code for the Office of the State Treasurer and the various boards, authorities, commissions, and committees chaired by the State Treasurer (California Code of Regulations, title 2, section 1897). All such reports shall be filed simultaneously with the State.

34. **Darfur Contracting Act**

Effective January 1, 2009, all Invitations for Bids (IFB) or Requests for Proposals (RFP) for goods or services must address the requirements of the Darfur Contracting Act of 2008 (Act). (Public Contract Code section 10475 et seq.) The Act was passed by the California Legislature and signed into law by the Governor to preclude State agencies generally from contracting with “scrutinized” companies that do business in the African nation of Sudan of which the Darfur region is a part, for the reasons described in Public Contract Code section 10475.

A scrutinized company is a company doing business in Sudan as defined in Public Contract Code section 10476. Scrutinized companies are ineligible to, and cannot, bid on or submit a proposal for a contract with a State agency for goods or services. (Public Contract Code section 10477(a).)

Therefore, Public Contract Code section 10478(a) requires a company that currently has (or within the previous three years has had) business activities or other operations outside of the United States to certify that it is not a “scrutinized” company when it submits a bid or proposal to a State agency. A scrutinized company may still, however, submit a bid or proposal for a contract with a State agency for goods or services if the company first obtains permission from DGS according to the criteria set forth in Public Contract Code section 10477(b).
CONFLICT OF INTEREST: NO PROFIT

A. Contractor certifies that its employees and the officers of its governing body shall avoid any actual or potential conflicts of interest, and that no officer or employee who exercises any functions or responsibilities in connection with this Agreement shall have any personal financial interest or benefit which either directly or indirectly arises from this Agreement.

B. Contractor shall establish safeguards to prohibit its employees or its officers from using their positions for a purpose which could result in private gain or which gives the appearance of being motivated for private gain for themselves or others, particularly those with whom they have family, business, or other ties.
