RE: Methodology for Determining Rural Status of Project Site for 2025 Applications

Pursuant to California law, the California Tax Credit Allocation Committee (“CTCAC” or “Committee”) shall set aside twenty percent (20%) of all annual nine percent (9%) federal credits for projects in rural areas.<sup>1</sup> With certain limited exceptions, CTCAC regulations require all projects located in rural areas to compete for credits in the rural set-aside.<sup>2</sup> Therefore, all applicants competing for nine percent (9%) tax credits must document, to the Committee’s satisfaction, the rural or non-rural status of their projects.

Section 50199.21 of the Health and Safety Code defines “rural area” as an area that satisfies one of three criteria on January 1 of any calendar year. A project competing in the rural set-aside must demonstrate that the project area is rural under one of the three methodologies listed under Section 50199.21 of the Health and Safety Code and detailed in this memo:

1. Non-metropolitan Counties;
2. Rural Housing Service (RHS) Eligible Area; or
3. Small City Status.

Continue reading for complete instructions on determining rural status via the three methodologies. See also attached Exhibits:

<sup>2</sup> CAL. CODE. REGS. tit. 4, § 10315(c).

## **Methodology 1: Non-metropolitan Counties**

Projects in non-metropolitan areas are considered rural. Under the current definition of “metropolitan statistical area” established by the United States Office of Management and Budget (OMB) effective in 2010 and still effective as of January 1, 2025, twenty-two (22) of the fifty-eight (58) counties in California are considered non-metropolitan. In 2023 a Metropolitan county (San Benito) was added to the OMB’s list of rural counties under an exception for outlying counties that do not have any urbanized area population. Projects located in the following counties are not required to provide documentation of their rural status and will be considered as rural:

Alpine	Del Norte	Lake	Modoc	San Benito	Trinity
Amador	Glenn	Lassen	Mono	Sierra	Tuolumne
Calaveras	Humboldt	Mariposa	Nevada	Siskiyou	
Colusa	Inyo	Mendocino	Plumas	Tehama	

## **Methodology 2: Rural Housing Service (RHS) Eligible Area**

Areas eligible for the RHS Section 515 program are considered rural.

Applicants are advised to contact USDA directly to confirm Section 515 program eligibility of a project’s area.<sup>3</sup> Note also that an existing project with an existing Section 515 loan does not necessarily qualify for the Section 515 program.

To satisfy Methodology 2, the applicant shall provide to CTCAC a current letter from USDA confirming that on January 1<sup>st</sup> of the current year, the area is eligible for the Section 515 program.

## **Methodology 3: Small City Status**

A project area may be rural under the Small City Status methodology, provided that one of the following conditions are met:

1. An incorporated city having a population of 40,000 or fewer as identified in the project city’s latest population estimate (as of 1/1/ 2025) in DOF 2024 Population Estimates (Exhibit B)<sup>4</sup>, provided that the area is not located within a census block designated as an urban area by the United States Census Bureau in the most recent decennial census.
2. An unincorporated area that adjoins<sup>5</sup> a city having a population of 40,000 or fewer, provided that the adjoining unincorporated area is not located within a census block designated as an urban area by the United States Census Bureau in the most recent decennial census.

<sup>3</sup> *Id.* § 10322(h)(31).

<sup>4</sup> For more information: <https://dof.ca.gov/forecasting/demographics/estimates-e1/>.

<sup>5</sup> If the proposed site census tract (in an unincorporated area) touches or overlaps a city limit, it is adjoining. For guidance, please contact CTCAC’s rural region analyst.

3. An unincorporated area that does not adjoin a city and is not located within a census block designated as an urban area by the United States Census Bureau in the most recent decennial census.

Please contact the CTCAC rural region analyst for assistance in determining Census Bureau urban area designation of a proposed project site.
