

Treasurer Fiona Ma's 6 Housing & Economic Development Goals:

1. Increase housing production
2. Contain cost/increase efficiency in the use of resources we have for housing production and economic development
3. Incentivize/spur new technology
4. Increase opportunities for people of color in the development and investment space
5. Empower people to be part of the development happening in their communities
6. Increase opportunities for wealth building for all individuals.
