

# ABLE Act Stakeholder Meetings

## Alameda County

---

The ABLE Act allows people with disabilities who acquired their disability before the age of 26 to save up to \$100K while on benefits. This means that people who receive SSI or other types of Social Security benefits will soon be able to save more than the current \$2,000 limit when they open an ABLE account. Before California's ABLE accounts become available, the CalABLE Act Board needs to hear from you! Let's shape what our California ABLE accounts look like together. **Come participate in one of our five ABLE Act Stakeholders Meetings to learn more and share your input.** *See you there. Please share.*
