* See reverse side for additional information on Cal ABLE

Help Us Design California's ABLE Accounts!

**California Achieving
a Better Life
Experience (CalABLE)
for People with
Disabilities**

What is CalABLE?

California Achieving a Better Life Experience (CalABLE) is a new program that will allow people with disabilities to establish tax-advantaged savings accounts with the ability to save up to \$14,000 (currently) per year and up to \$100,000 in total without losing vital public benefits such as Medi-Cal, SSI or SSDI.

Eligibility Requirements

- Must be disabled before age 26 **AND**
- Currently receiving, or eligible for, SSI/SSDI **OR**
- Self-certification: Has been diagnosed by a qualified physician with a physical or mental disability resulting in marked and severe functional limitations that is expected to last no less than 12 months.

How can I use ABLE accounts?

Moneys in CalABLE accounts can be used for “Qualified Disability Expenses” (QDEs), which relate to the person’s disability and help maintain or improve health, independence, or quality of life. Some examples of a QDE include expenses related to a beneficiary’s education, housing, transportation, employment training and support, assistive living technology and related services, personal support services, financial management services, legal fees and funeral and burial expenses.

Connect with Us and Provide Your Input!

We want to hear from you! California is the only state that is actively soliciting the input of its future participants in the development of ABLE accounts.

- For the latest updates, find us on Facebook and Twitter (California ABLE Act Board)
- Visit our website at www.treasurer.ca.gov/able to sign up for our listserv, learn about upcoming stakeholder meetings in your area, and more!
