## CalABLE is a savings and investment plan offered by the state of California to individuals with disabilities.

Do you or a loved one receive public benefits such as Medicaid or Social Security, but need to save for things you need such as a car, home or education? Then CalABLE may be just the program for you! Learn how to save for your future needs without jeopardizing your public benefits.

*Join us as CalABLE Executive Director, Dante Allen presents on this exciting new benefit!*
