CALIFORNIA ABLE ACT BOARD

First Reading: Mission, Vision, and Values

Values:

Adaptability and Flexibility – We will encourage an entrepreneurial mindset to consistently improve and solve problems through creativity and feedback from our customers.

Humility – We seek to listen and learn from our participants and our peers.

Integrity – We are committed to operating business in a reliable and trustworthy fashion.

Transparency and Accountability – We will always take ownership and responsibility for our actions and outcomes.

Sustainability – We are committed to growing ABLE accounts in a responsible manner that will ensure long term sustainability of the program and long term growth of account balances.

Collaboration– We will not operate in a silo; we will engage all stakeholders at all levels to ensure what we do is on message with what our impacted federal and state agencies are doing as well.
