## **A) Purpose and Description of Services – Scope of Work**

### **Scope Overview**

The Achieving a Better Life Experience Act Board (“ABLE Act Board”, “Board”, or the “State”) is the administrator of California’s 529A Qualified ABLE Program as defined in Welfare and Institutions Code section 4875(k) (“ABLE Program” or “Program”), and the State agency responsible for the effective and efficient administration of the California ABLE Program Trust (“Trust”).

A qualified investment consultant is needed to assist the Board in its role as fiduciaries to the Trust. The investment consultant would assist the Board with (i) creating the statement of investment policy and monitoring criteria for the Trust, (ii) evaluating program manager and investment manager proposals, and (iii) monitoring the investment performance of the program manager(s). More information about the ABLE Act can be found online at [www.treasurer.ca.gov/able](http://www.treasurer.ca.gov/able). The Board anticipates the Program will be launched in the third quarter of 2017.

The term of the agreement entered into pursuant to this RFP, if any, will be one year with an option, at the Board’s sole discretion, to extend the agreement for up to one year at the same rate(s).

### **Background**

The California Legislature authorized creation of the Board, Program, and Trust in 2015 (Welfare and Institutions Code section 4875 et seq. (“Act”)), intending it to be a qualified ABLE program as defined in Section 529A of the Internal Revenue Code of 1986, as amended (“IRC”). The Act authorizes Trust investments for a beneficiary’s savings for qualified disability expenses. The Board was established to administer the State’s qualified ABLE program.

The Board is the State entity responsible for effective and efficient administration of the Trust. The seven-member Board expects to meet monthly. Meetings are held in accordance with the California Bagley-Keene Open Meeting Act and will generally be held in Sacramento, California at the State Treasurer’s Office, 915 Capitol Mall, but may be held at other locations.

### **Scope of Work**

The following scope of work details the Board’s expectations for an investment consultant. These investment consultant services include the following:

- Under the direction of the Board or its designee, analyze and evaluate asset allocation plans for the Trust based on the expected use of accounts by eligible beneficiaries as well as risk reduction.
- Create and regularly review an investment policy statement and monitoring procedures.
- Participate in the development of the program administrator and investment manager (“program manager”) request for proposals, and assist the Board with evaluation of the proposals. The Board expects to issue the program manager request for proposals in late February 2017, with a contract term start date of May 2017.
- Advise the Board or its designee on which data should be reported quarterly by the program and/or investment manager(s).
- Review and analyze the investment performance of the program and/or investment manager(s) of the Trust using criteria adopted by the Board. Periodically, there may be additional

evaluations comparing Program investment performance and fees to the performance of national and/or other state 529A plans.

- Conduct monthly monitoring and provide quarterly evaluations of the Trust that compare monthly investment results to appropriate indices and Board policies, including compliance by the program manager(s) to these policies, and provide evaluations to the Board or its designee within 10 business days of receiving the data from the program manager(s).
- Provide assistance to the Board in understanding various investment vehicles and the investment market generally. This may include providing training seminars to the Board and its staff, as necessary, on rates of return, investment products, strategies or other fundamental concepts of investing.
- Inform the Board or its designee in the event of significant changes in the investment climate or market conditions that could affect Trust investments.
- Provide general advice, counsel, and recommendations on a variety of investment related matters regarding the Trust including investment personnel, investment strategy, investment portfolio addition or division, as well as overall investment health of the program and/or investment manager(s), other 529A vendors, and 529A industry issues and trends.
- Work with the Board's consultants and program and/or investment manager(s) as needed.
- Attend or otherwise participate in all Board meetings unless notified otherwise by the Board. It is anticipated that the Board will meet approximately once every month.
- Be available to consult with Board members and the Executive Director from 8am to 5pm Pacific Time, Monday through Friday.
- Respond to the need for telephone consultation within a 24-hour period and be available for meetings with the Board with no greater than 10 days' notice.

#### **B) Minimum Qualifications for Bidders**

##### **Bidder must complete Attachment 5 certifying that the Bidder meets the following minimum qualifications:**

- Bidder must have been actively providing advice on investment options for at least the last five years. Investment expertise must include knowledge and experience in a wide range of investment vehicles.
- Bidder must have been providing consultation to or on behalf of individuals or governmental agencies that have been investing funds totaling at least \$1 billion.
- Bidder must agree in writing to serve as fiduciary with respect to its work.
- Bidder may not during the term of a contract that may be executed pursuant to this RFP have a contractual or other business relationship with any program management services contractor that provides services for the Trust or any investment manager directing funds in the Program portfolio, either on its own or in partnership, with other entities. Ownership of an ABLE account does not constitute a business relationship for the purposes of this minimum qualification
- Must be qualified to do business in the State of California. If awarded the contract, Bidder must be able to provide, at the State's request, evidence of qualification to do business in the State of California from the California Secretary of State. If awarded the contract, Bidder must

also be able to provide, at the State's request, evidence of qualification to do business in the State of California from the California Secretary of State for any subcontractor identified as personnel under "Qualifications and Experience", Section D.

- h) Proposals must be submitted for the performance of all the services described herein. Any deviation from the work specifications will not be considered and will cause a proposal to be rejected.
- i) A proposal may be rejected if it is conditional or incomplete, or if it contains any alterations of form or other irregularities of any kind. The Board may reject any or all proposals and may waive an immaterial deviation in a proposal. The Board's waiver of an immaterial

deviation shall in no way modify the RFP document or excuse the Bidder from full compliance with all requirements if awarded the agreement.

- j) The Bidder is entirely responsible for the costs of developing proposals and costs incurred in anticipation of award of the agreement. Such costs shall not be charged to the Board.
- k) An individual who is authorized to bind the proposing firm contractually shall sign Required Attachment 2, Proposal/Proposer Certification Sheet. The signature must indicate the title or position that the individual holds in the firm. An unsigned proposal may be rejected.

A Bidder may thereafter submit a new proposal prior to the proposal submission deadline. Proposals may not be withdrawn without cause subsequent to the proposal submission deadline.

- o) Upon announcement and release of this RFP and until selection of the winning Bidder (notice of intent to award the agreement), Bidders (or potential Bidders) are not permitted to communicate with the Board, its staff or its consultants with respect to the RFP except in connection with process and procedures related to the RFP. Any communication must be directed to Christina Elliott at [Christina.Elliott@treasurer.ca.gov](mailto:Christina.Elliott@treasurer.ca.gov).
- p) The Board reserves the right to reject all proposals. The Board is not required to award an agreement.
- q) Before submitting a proposal, Bidders should carefully review the proposal, correct all errors and confirm compliance with the RFP requirements.
- r) Where applicable, Bidder should carefully examine work sites and specifications. No additions or increases to the agreement amount will be made due to a lack of careful examination of work sites and specifications.
- s) More than one proposal from any firm, organization, partnership, corporation or association under the same or different names, will not be considered. Reasonable grounds for believing that any Bidder has submitted more than one proposal for the work contemplated herein will cause the rejection of all proposals submitted by that Bidder. If there is reason for believing that collusion exists among the Bidders, none of the participants in such collusion will be considered in this or future procurements.
- t) No oral understanding or agreement shall be binding on either party.

#### 4) Evaluation Process

- a) All proposals will be reviewed by an evaluation committee. The initial review of the proposals will confirm that all information has been submitted in conformity with the requirements of this RFP. The absence of required information will cause a proposal to be deemed nonresponsive and may result in the proposal's disqualification. Responsive proposals will then be scored according to criteria herein. The scored categories and the corresponding weighting of each scored category is as follows:

Scored Category	Weighting
Bidder's Background and Personnel Information	30 points
Experience in Investment Consulting	40 points
Cost	30 points
<b>Total Possible Points</b>	<b>100 points</b>

- b) The following point scale will be used to score the responses to each scored category except with regard to costs.

Percent of Maximum Score Allotted to Particular Weighted Criterion

100% - Excellent response backed by demonstrated ability.

85%- Good response backed by demonstrated ability.

75%- Fair response backed by demonstrated ability.

60%- Poor response.

0% - Bidder does not demonstrate ability.

- c) Proposals that contain false or misleading statements, or that provide references which do not support an attribute or condition claimed by the Bidder, may be rejected. If, in the opinion of the Board, such information was intended to mislead the Board in its evaluation of the proposal, and the attribute, condition, or capability is a requirement of this RFP, it will be the basis for rejection of the proposal.
- d) The contract will be awarded to the responsible and responsive Bidder with the highest total score.
- e) The Board is not required to award an Agreement.

#### 5) Award and Protest

- a) Notice of the proposed award shall be posted in a public place at the Office of the Board, 915 Capitol Mall, Room 101, Sacramento, CA 95814 and online at [www.treasurer.ca.gov/able](http://www.treasurer.ca.gov/able) for five (5) working days prior to awarding the agreement.
- b) If any Bidder, prior to the award of the agreement, files a protest with the Board and the DGS Office of Legal Services, 707 Third Street, 7<sup>th</sup> Floor, Suite 7-330, West Sacramento, CA 95605, on the grounds provided under Public Contract Code Section 10345(b), the agreement shall not be awarded until either the protest has been withdrawn or DGS has decided the matter. It is suggested that any protest be submitted by certified or registered mail.
- c) Within five (5) days after filing the initial protest, the protesting Bidder shall file with the Board and the DGS Office of Legal Services a detailed written statement specifying the grounds for the protest. It is suggested that this detailed written statement be submitted by certified or registered mail.

**6) Disposition of Proposals**

- a) Upon proposal opening, all documents submitted in response to this RFP will become the property of the Board and the State, and will be regarded as public records under the California Public Records Act (Government Code Section 6250 et seq.) and subject to review by the public.
- b) Proposal packages may be returned only at the Bidder's expense, unless such expense is waived by the Board.

**7) Agreement Execution and Performance**

- a) Performance shall start on the agreement start date, or on the express date set by the Board and the Contractor, after all approvals have been obtained and the agreement is fully executed. If the Contractor fails to commence work at the agreed upon time, the Board, upon five (5) days written notice to the Contractor, reserves the right to terminate the agreement. In addition, the Contractor shall be liable to the State for the difference between Contractor's proposal price and the actual cost of performing work by another contractor.
- b) All performance under the agreement shall be completed on or before the termination date of the agreement.
- c) The Sample Standard Agreement contains the language that the Board expects to utilize for this engagement. The term of the agreement entered into pursuant to this RFP, if any, will be one year with an option, at the Board's sole discretion, to extend the agreement for up to one year at the same rate(s). The agreement may require approval by the Department of General Services ("DGS"). In no event shall services be performed prior to approval by the DGS Office of Legal Services, if required

**D) Qualifications and Experience**

Questions in this Section D are intended to demonstrate the Bidder's qualifications. Points will be awarded for the Bidder's response(s) to each question. The allocation of points is defined in Section C.4 of this RFP entitled "Evaluation Process." Questions should be answered for each relevant partner or subcontractor to the extent applicable if a Bidder is a consortium or is using subcontractors. In preparing proposals, the Bidder must list each question and then provide the Bidder's response to that question in the same order listed in this RFP.

**1) Bidder's Background and Personnel Information (Maximum of thirty (30) points)**

- a) Provide an overview of the Bidder's firm including mission statement and vision statement, number of years' experience providing investment consulting, and what services Bidder's firm will bring to this contract.
- b) Describe the organizational structure and explain how this structure will be used to perform the requirements of this contract. Explain the advantages of this structure.
- c) Complete the following table for all professionals who will be responsible for providing the investment consulting activities to be performed pursuant to this contract, including subcontractors.

Name & Location	Title & Responsibility	Total Years' Experience	Years with Firm

--	--	--	--

- d) Provide professional resumes of each of the individuals included in the chart immediately above.
- e) Indicate who will have ultimate responsibility for this contract. Indicate the availability of this person for live or telephone meetings with the Board or its designee. Describe the Bidder's backup procedures if the primary person assigned to this account leaves the firm, or is otherwise unavailable. How many other client relationships will each individual have?

**2) Experience in Investment Consulting (Maximum of forty (40) points)**

- a) Describe Bidder's experience in advising boards on formulating and reviewing investment policies and in interpreting investment data. Include the names of the boards, the number of years that the Bidder has provided such service, the number of agencies or boards to which Bidder is currently providing investment advice and the approximate dollar value of the portfolios for which consultative services are provided.
- b) Describe in detail what data, information, and advice the Bidder proposes to provide to the Board in formulating its investment policies and analyzing and interpreting the investment performance of the program and/or investment manager(s). Describe the Bidder's methodology used for measuring risk.
- c) Describe how benchmarks are chosen or developed and how the manager's performance is compared to similar portfolios. Indicate whether your firm has ever developed benchmarks and, if so, provide a description of the benchmarks developed.
- d) Discuss any changes/material refinements in Bidder's advisement philosophy which have occurred within the past three years. What prompted the changes/refinements?
- e) Describe the Bidder's experience with the use of mathematical, computer, or other models in evaluating both investment performance and risk. Provide a sample of at least one such modeling report demonstrating thoroughness and understandability by Bidder's staff.
- f) Provide a list of the investment selection models and investment evaluation models that Bidder uses on a regular basis.
- g) Describe the Bidder's understanding of the objectives of the ABLE Program. How does this understanding affect your views on the investment options that should be offered? What special expertise does the Bidder bring to advising the Board?
- h) List any consulting accounts lost within the past three years and note the reason for the account lost.
- i) Provide the name, address, telephone number, contact name and title for five (5) firms to serve as references for Bidder, using format in Attachment 4. Provide three (3) references for any subcontractors you plan to use. These references should include governmental agencies, preferably State of California agencies or agencies located in California, which are charged with overseeing the investment of funds held in trust for others. Identify the individuals at Bidder's firm who were responsible for providing investment consultation to these agencies. Submission of Attachment 4 is mandatory. Proposals that fail to submit Attachment 4 shall be considered nonresponsive and rejected.

### 3) Cost Proposal (Maximum of thirty (30) points)

Use Attachment 3 (Cost Proposal) as a guide in completing your cost proposal. **The Board expects the total amount of the contract not to exceed \$150,000 for the one-year contract.** Review this section and the calculations in your Cost Proposal carefully. Mathematical errors may be corrected by the Board. **Do not make any modifications to the Cost Proposal form, including the 200 total annual hours and the \$10,000 total annual travel costs.** The cost proposal shall:

- Follow the template outlined in Attachment 3 – Cost Proposal
- **Assume a total of 200 hours of staff work (including subcontractor staff work) per year.** Estimate the number of hours out of the 200 each level of staff who will be assigned to the contract will work. Note that the total number of hours for identified staff must equal 200 per year.
- Identify and include an hourly rate for each level of staff who will be assigned to work on the services outlined in this RFP. The hourly rates identified will be utilized in the contract awarded to the winning bidder for reimbursement for services performed. **All-inclusive flat fees and/or retainer fees will not be accepted for consideration.**
- **Travel costs are capped at \$10,000 per year. This amount may not be modified.** The rates for travel costs shall be set in accordance with the California Department of Human Resources (CalHR) rates for comparable classes and no travel outside the State of California shall be reimbursed unless prior written authorization is obtained from the Board.

Proposals submitted with a cost proposal that fails to meet any of the specified requirements outlined above, or in a form other than as provided for in Attachment 3, will be considered non-responsive and rejected.

The following formula shall be used for the award of cost points:

Lowest cost proposal, based on the estimated Total Cost for Three Year Contract Term (two years and potential one-year extension) from Attachment 3, is awarded the maximum cost points. Other proposals are awarded cost points based on the following calculation:

$$(\text{Lowest Bidder's cost proposal} / \text{Other Bidder's cost proposal}) = (\text{factor})$$

$$\text{Cost points for other Bidder} = (\text{factor}) \times \text{maximum cost points}$$

EXAMPLE: A maximum of 30 points is available.

$$\begin{aligned} \text{Lowest Bidder's Cost Proposal} &= \$75,000 \\ \text{Other Bidder's Cost Proposal} &= \$100,000 \end{aligned}$$

$$(\text{Lowest Bidder's cost proposal} / \text{Other Bidder's cost proposal}) = \$75,000 / \$100,000 = \frac{3}{4}$$

$$\text{Cost points awarded to Other Bidder} = \frac{3}{4} \times 30 \text{ maximum cost points} = 22.5 \text{ cost points}$$

### E) Legal, Disciplinary, and Conflicts of Interest Disclosures

- 1) Advise if any partner, officer, investment officer, portfolio manager, research analyst, or trader of the Bidder's firm has been convicted or pleaded no contest in a case stemming from a

felony indictment. Any such conviction or plea must be disclosed and must be accompanied by a full explanation of the circumstances surrounding it.

- 2) Advise if the Bidder is or was a defendant in litigation relating to any services which it proposes to provide to the Board. Any final settlement, administrative decision, or judgment made in connection with this litigation must be disclosed and must be accompanied by a full explanation of the circumstances surrounding it.
- 3) Advise if the Bidder, any partner, related company (parent, subsidiary, sister), affiliate or joint venture, or any owner, officer, director, principal, or management level employee of the Bidder been involved in any enforcement action by the Securities and Exchange Commission or any other governmental regulatory agency or been named a defendant in litigation where there was an allegation of violation of fiduciary responsibility. If yes, explain in detail.
- 4) Disclose any other legal or disciplinary event that is material to the Board's evaluation of the Bidder or the integrity of Bidder's management or advisory personnel by either: (1) identifying the specific type of event and specifically referring to the relevant portions of the Bidder's most recent Forms MA or MA-I (and, if doing so, providing detailed information specifying where the Board may electronically access such forms), or (2) providing a writing that fully and fairly discloses the information required to be disclosed and documented under MSRB Rule G-42(b) and (c).
- 5) Advise if the Bidder has ever been terminated for cause from any contract. If the answer is yes, cite the background of the contract, reason for the termination, and what the Bidder has done to change operations or personnel to preclude the circumstances regarding the termination from re-occurring.
- 6) If not already included in your response to Section E, 1 through 4, immediately above, disclose any business relationships, which may be construed to be potential or actual conflicts of interest. The contractor will have a continuing requirement to disclose any business relationships that may be construed to be a potential or actual conflict. The disclosure must be sufficiently detailed to inform the Board of the nature, implications and potential consequences of each conflict and must include an explanation of how the Bidder addresses, or intends to manage or mitigate, each conflict.

The Board may reject a proposal due to any disclosure or conflict of interest (potential or actual) that is material in the sole opinion of the Board.

#### **F) California Disabled Veteran Business Enterprise**

The Disabled Veteran Business Enterprise (DVBE) participation requirement, including DVBE incentive, for this RFP have been waived.

#### **G) Preference Programs**

##### **1) Small Business or Microbusiness Preference**

(If there are any inconsistencies herein with the applicable statutes, regulations, and State Contracting Manual, the statutes, regulations, and State Contracting Manual shall supersede.)

A five percent (5%) preference will be applied to certified small businesses submitting proposals for this RFP. To obtain the preference, Proposer must either be certified as a small business and submit a copy of their certification approval letter from DGS / Office of Small Business and DVBE Services (OSDS) or submit a complete application for certification to DGS / OSDS by 5:00 pm PT on the proposal due date. However, the proposed winning Proposer must be a certified small business at the time of contract award. The 5%

preference is used only for computation purposes to determine the winning Proposer and does not alter the amounts of the resulting contract.

Once each proposal has been scored, if the highest scored proposal is from a non-certified small business, then 5% of the highest scoring proposal is added to the total "earned" points for each proposal submitted by a certified small business. These final numbers, with the 5% included, are then used to determine the highest scoring proposal.

Questions regarding the small business certification or preference approval should be directed to the OSDS at (916) 375-4940 or can be found online at <http://www.dgs.ca.gov/pd/Programs/OSDS.aspx>.

## **2) Non-Small Business Preference**

(If there are any inconsistencies herein with the applicable statutes, regulations, and State Contracting Manual, the statutes, regulations, and State Contracting Manual shall supersede.)

**SCOPE OF WORK**

1) Purpose of Service

The California Achieving a Better Life Experience Board (“CalABLE”, “ABLE Act Board”, “Board”, or the “State”) is the state entity that is responsible for effective and efficient administration of the California Achieving a Better Life Experience Act Trust (Trust). The Trust was created through state legislation in 2015 (Chapter 774, Statute of 2015) and is a qualified State Achieving a Better Life Experience Act program as defined in Section 529A of the Internal Revenue Code.

The Contractor will provide CalABLE with investment consulting services in connection with CalABLE’s responsibility to adopt an investment policy for the Trust. The Contractor will also assist CalABLE in reviewing responses for the CalABLE program manager request for proposal; and once that program manager is in contract with the Board, the Contractor will monitor the performance of the program manager.

2) Description of Service

The following scope of work details the Board’s expectations for the Contractor. These investment consultant services include the following:

- Under the direction of the Board or its designee, analyze and evaluate asset allocation plans for the Trust based on the expected use of accounts by eligible beneficiaries as well as risk reduction.
- Create and regularly review an investment policy statement and monitoring procedures.
- Participate in the development of the program administrator and investment manager (“program manager”) request for proposals, and assist the Board with evaluation of the proposals. The Board expects to issue the program manager request for proposals in late February 2017, with a contract term start date of May 2017.
- Advise the Board or its designee on which data should be reported quarterly by the program and/or investment manager(s).
- Review and analyze the investment performance of the program and/or investment manager(s) of the Trust using criteria adopted by the Board. Periodically, there may be additional evaluations comparing Program investment performance and fees to the performance of national and/or other state 529A plans.
- Conduct monthly monitoring and provide quarterly evaluations of the Trust that compare monthly investment results to appropriate indices and Board policies, including compliance by the program manager(s) to these policies, and provide evaluations to the Board or its designee within 10 business days of receiving the data from the program manager(s).
- Provide assistance to the Board in understanding various investment vehicles and the investment market generally. This may include providing training seminars to the Board and its staff, as necessary, on rates of return, investment products, strategies or other fundamental concepts of investing.
- Inform the Board or its designee in the event of significant changes in the investment climate or market conditions that could affect Trust investments.

**EXHIBIT A**  
**(Standard Agreement)**

- Provide general advice, counsel, and recommendations on a variety of investment related matters regarding the Trust including investment personnel, investment strategy, investment portfolio addition or division, as well as overall investment health of the program and/or investment manager(s), other 529A vendors, and 529A industry issues and trends.
  - Work with the Board's consultants and program and/or investment manager(s) as needed.
  - Attend or otherwise participate in all Board meetings unless notified otherwise by the Board. It is anticipated that the Board will meet approximately once every month.
  - Be available to consult with Board members and the Executive Director from 8am to 5pm Pacific Time, Monday through Friday.
  - Respond to the need for telephone consultation within a 24-hour period and be available for meetings with the Board with no greater than 10 days' notice.

In the event of any of the foregoing events, or if the State determines, based on reliable information, that there is a substantial probability that Contractor will be financially unable to continue performance under this Agreement, the State may terminate this Agreement and all further rights and obligations immediately.

**30. Completion**

In the event of termination for default, the State reserves the right to take over and complete the work by contract or other means. In such case, Contractor will be liable to the State for any additional cost incurred by the State to complete the work whether reimbursed or not.

**31. Effect of Termination**

All such reports shall be filed simultaneously with the State.

**34. Darfur Contracting Act**

Effective January 1, 2009, all Invitations for Bids (IFB) or Requests for Proposals (RFP) for goods or services must address the requirements of the Darfur Contracting Act of 2008 (Act). (Public Contract Code section 11475 et seq.) The Act was passed by the California Legislature and signed into law by the Governor to preclude State agencies generally from contracting with "scrutinized" companies that do business in the African nation of Sudan of which the Darfur region is a part, for the reasons described in Public Contract Code section 11475.

A scrutinized company is a company doing business in Sudan as defined in Public Contract Code section 11476. Scrutinized companies are ineligible to, and cannot, bid on or submit a proposal for a contract with a State agency for goods or services. (Public Contract Code section 11477(a).)

Therefore, Public Contract Code section 11478(a) requires a company that currently has (or within the previous three years has had) business activities or other operations outside of the United States to certify that it is not a "scrutinized" company when it submits a bid or proposal to a State agency. A scrutinized company may still, however, submit a bid or proposal for a contract with a State agency for goods or services if the company first obtains permission from DGS according to the criteria set forth in Public Contract Code section 11477(b).
