CALIFORNIA ABLE ACT BOARD

*Presentation: USC Capstone Project on CalABLE*

---

***Information Item***

The Board will receive a presentation from University of Southern California's Master of Public Administration Class of 2017. The presentation will be a high level review of the work product the Capstone Class completed for the CalABLE Board this Spring semester.

***Background***

In the Spring 2017 semester, students looked at the processes of establishing a new state agency such as the California ABLE Act Board. Students were assigned into different workgroups to focus on ABLE legislative analyses at the federal and state levels, budget for operations and programming, including innovative funding opportunities, and creating marketing and outreach strategies.
