1. PURPOSE AND DESCRIPTION OF SERVICES

1.1 Background

The California Legislature authorized creation of the Board, Program, and Trust in 2015 (Welfare and Institutions Code section 4875 et seq. ("Act")), intending it to be a qualified ABLE program as defined in Section 529A of the Internal Revenue Code of 1986, as amended ("IRC"). The Act authorizes Trust investments for a beneficiary's savings for qualified disability expenses. The Board was established to administer the State's qualified ABLE program.

The Board is the State entity responsible for effective and efficient administration of the Trust. The seven-member Board expects to meet monthly. Meetings are held in accordance with the California Bagley-Keene Open Meeting Act and will generally be held in Sacramento, California at the State Treasurer's Office, 915 Capitol Mall, but may also be held at other locations.

1.2 Scope Overview

The California Achieving a Better Life Experience Act Board ("CalABLE Act Board", "Board", or the "State") is the administrator of California's 529A Qualified ABLE Program as defined in Welfare and Institutions Code section 4875(k) ("CalABLE Program" or "Program"), and the State agency responsible for the effective and efficient administration of the California ABLE Program Trust ("Trust").

A qualified marketing and communications firm is needed to provide the Board with assistance with the development of marketing, communications and public relations services, including drafting a marketing plan to assist with the promotion of the Program; and provide the Board with program branding, design, and assistance with the planning of program related activities. The goal of obtaining these services is to increase the awareness of the CalABLE Program in California and nationally through marketing, branding, and outreach activities. These activities include a range of marketing approaches designed to educate and raise awareness among targeted consumer groups, including but not limited to adult individuals with disabilities, parents of disabled children and their families, service providers for individuals with disabilities, disability centric publications and media services of the Program, and ensure a successful enrollment period post-launch in Fiscal Year 2018-2019, to be measured both quantitatively through enrollment in the program and qualitatively through education and outreach activities.

The marketing and communications firm will work at the direction of the Board through the delegated authority to the Executive Director to ensure that critical components of the Program are integrated into a comprehensive marketing/outreach effort, consisting of strategic marketing goals and approximately 10,000 participants enrolled in the program within the first 12 months after launch. More information about the Board and the CalABLE Program can be found online at www.treasurer.ca.gov/able. The Board anticipates the Program will be implemented in December 2018.

1.3 Sample Standard Agreement

This Request for Proposals No. ABLE 06-18 ("RFP") includes a Sample Standard Agreement for each Bidder's review. The Sample Standard Agreement contains the language that the Board expects to utilize for this contract. All terms and conditions noted in the Standard Agreement are not negotiable. Proposals that do not accept all items included in the Standard Agreement will be deemed non-responsive and excluded from evaluation.

1.4 Scope of Work

- e) The Board is not required to award an Agreement.

Submission of Attachment 4 is mandatory. Proposals that fail to submit Attachment 4 shall be considered nonresponsive and rejected.

5. COST PROPOSAL (Maximum of thirty (30) points)

Use Attachment 3 (Cost Proposal) as a guide in completing your cost proposal. **The Board expects the total amount of the contract not to exceed \$250,000 for the one-year contract.** Review this section and the calculations in your Cost Proposal carefully. Mathematical errors may be corrected by the Board. **Do not make any modifications to the Cost Proposal form, including the 600 total annual hours and the \$10,000 total annual travel costs.**

The cost proposal shall:

- Follow the template outlined in Attachment 3 – Cost Proposal
- Assume a total of 600 hours of staff work (including subcontractor staff work) per year. Estimate the number of hours out of the 600 each level of staff who will be assigned to the contract will work. Note that the total number of hours for identified staff must equal 600 per year.
- Identify and include an hourly rate for each level of staff who will be assigned to work on the services outlined in this RFP. The hourly rates identified will be utilized in the contract awarded to the winning bidder for reimbursement for services performed. All-inclusive flat fees and/or retainer fees will not be accepted for consideration.

Travel costs are capped at \$10,000 per year. This amount may not be modified. The rates for travel costs shall be set in accordance with the California Department of Human Resources (CalHR) rates for

comparable classes and no travel outside the State of California shall be reimbursed unless prior written authorization is obtained from the Board.

Proposals submitted with a cost proposal that fails to meet any of the specified requirements outlined above, or in a form other than as provided for in Attachment 3, will be considered non-responsive and rejected.

Lowest cost proposal, based on the estimated Total Cost for One Year Contract Term from Attachment 3, is awarded the maximum cost points. Other proposals are awarded cost points based on the following calculation:

- $(\text{Lowest Bidder's Cost Proposal} / \text{Other Bidder's Cost Proposal}) = (\text{Factor})$
- $\text{Cost Points for Other Bidder} = (\text{Factor}) \times (\text{Maximum Cost Points})$

EXAMPLE:

- A maximum of 30 points is available.
- Lowest Bidder's cost proposal = \$187,500
- Other Bidder's cost proposal = \$250,000
- $(\text{Lowest Bidder's Cost Proposal} / \text{Other Bidder's Cost Proposal}) = \$187,500 / \$250,000 = 0.75$
- $\text{Cost Points awarded to Other Bidder} = 0.75 \times 30 \text{ Maximum Points} = 22.5 \text{ Cost Points}$

6. LEGAL, DISCIPLINARY, AND CONFLICTS OF INTEREST DISCLOSURES

The Board may reject a proposal due to any disclosure or conflict of interest (potential or actual) that is material in the sole opinion of the Board.

Any final settlement, administrative decision, or judgment made in connection with this litigation must be disclosed and must be accompanied by a full explanation of the circumstances surrounding it.

7. CALIFORNIA DISABLED VETERAN BUSINESS ENTERPRISE

This RFP does not include a minimum DVBE participation requirement. However, a DVBE incentive will be applied as provided in Attachment 14.

The Department of General Services (“DGS”) established a DVBE incentive pursuant to Senate Bill 115, Chaptered October 3, 2005 and the military and Veterans Code section 999.5(a). The regulations apply to all competitive solicitations for public works, services, goods, and information technology goods and services posted or released after October 9, 2007. The DVBE incentive is required in solicitations that include DVBE program requirements and may be offered in other competitive solicitations. Department of General Services’ policy implements this program by rewarding prime proposers for increased DVBE participation: the more DVBE participation, the greater the incentive. This incentive program helps State agencies to meet their annual DVBE participation goals.

Attachment 14 outlines the DVBE Incentive Program. Companies who have been certified by the State of California as a DVBE must submit a completed STD. 843 (Disabled Veteran Business Enterprise Declaration) form. All disabled veteran owners and disabled veteran managers of the DVBE must sign the form. DVBE Incentive participation is *optional* and at the discretion of the proposing company.

NOTE: For this RFP, the Incentive application is based on the High Score Method and shall not exceed five percent (5%), nor be less than one percent (1%) of the total score (see table in Attachment 14).

8. PREFERENCE PROGRAMS

8.1 Small Business or Microbusiness Preference (if applicable)

(If there are any inconsistencies herein with the applicable statutes, regulations, and State Contracting Manual, the statutes, regulations, and State Contracting Manual shall supersede.)

A five percent (5%) preference will be applied to certified small businesses submitting proposals for this RFP. To obtain the preference, Proposer must either be certified as a small business and submit a copy of their certification approval letter from DGS / Office of Small Business and DVBE Services (OSDS) or submit a complete application for certification to DGS / OSDS by 5:00 pm PT on the proposal due date. However, the proposed winning Proposer must be a certified small business at the time of contract award. The 5% preference is used only for computation purposes to determine the winning Proposer and does not alter the amounts of the resulting contract.

Once each proposal has been scored, if the highest scored proposal is from a non-certified small business, then 5% of the highest scoring proposal is added to the total "earned" points for each proposal submitted by a certified small business. These final numbers, with the 5% included, are then used to determine the highest scoring proposal.

Questions regarding the small business certification or preference approval should be directed to the OSDS at (916) 375-4940 or can be found online at <http://www.dgs.ca.gov/pd/Programs/OSDS.aspx>.

8.2 Non-Small Business Preference (if applicable)

(If there are any inconsistencies herein with the applicable statutes, regulations, and State Contracting Manual, the statutes, regulations, and State Contracting Manual shall supersede.)

A five percent (5%) preference is available to a non-small business claiming twenty-five percent (25%) California certified small business subcontractor participation. If claiming the non-small business subcontractor preference, the proposal must include a list of the small business(es) with which the Proposer commits to subcontract in an amount of at least 25% of the net proposal price with one or more California certified small businesses. Each listed certified small business must perform a

“commercially useful function” in the performance of the contract as defined in Government Code Section 14837(d)(4).

The required list of California certified small business subcontractors must be attached to the proposal and must include the following: 1) subcontractor name, 2) address, 3) phone number, 4) a description of the work to be performed and/or products supplied, 5) and the dollar amount or percentage of the net proposal price (as specified in the solicitation) per subcontractor.

Proposers claiming the 5% preference must commit to subcontract for at least 25% of the net proposal price with one or more California certified small businesses. Completed certification applications and required support documents must be submitted to the OSDS no later than 5:00 pm PT on the proposal due date. Questions regarding certification should be directed to the OSDS at (916) 375- 4940 or can be found online at <http://www.dgs.ca.gov/pd/Programs/OSDS.aspx>.

The preference to a non-small business firm that commits to California certified small business subcontractor participation of 25% of its net proposal price shall be 5% of the highest scoring proposal. A non-small business, which qualifies for this preference, may not take an award away from a certified small business.

8.3 Target Area Contract Preference Act (TACPA) (if applicable)

(If there are any inconsistencies herein with the applicable statutes, regulations, and State Contracting Manual, the statutes, regulations, and State Contracting Manual shall supersede.)

The TACPA preference will be granted for this procurement. Proposers wishing to take advantage of the TACPA preference will need to review the following website and submit the appropriate response with the proposal:

<http://www.dgs.ca.gov/pd/Programs/DisputeResolution.aspx>

Proposers wishing to take advantage of the TACPA preference are required to submit the following applications/forms:

- TACPA (STD. 830)
- Bidder's Summary of Contract Activities and Labor Hours (DGS/PD 525)
- Manufacturer Summary of Contract Activities and Labor Hours (DGS/PD 526)

DVBE participation is NOT required in the bid or proposal. However, a DVBE incentive will be applied as provided below.**

DVBE INCENTIVE. The State will apply a DVBE incentive for responsive bids or proposals (herein “bid” or “bids”) from responsible bidders that propose DVBE participation. The DVBE incentive will vary in relation to the percentage of confirmed DVBE participation. The following percentages shall apply.

Confirmed DVBE Participation of	DVBE Incentive
5% and above	5%
4% to 4.99% inclusive	4%
3% to 3.99% inclusive	3%
2% to 2.99% inclusive	2%
1% to 1.99% inclusive	1%

As applicable: (1) Awards based on low price – The DVBE incentive is applied by reducing the bid price by the amount of DVBE incentive as computed from the lowest responsive bid price submitted by a responsible bidder. The DVBE incentive is for evaluation purposes only. Application of the DVBE incentive shall not displace an award to a small business with a non-small business.

(2) Awards based on high score – The DVBE incentive is a percentage of the total possible available points, not including points for socioeconomic incentives or preferences. The DVBE incentive points are included in the sum of non-cost points. The DVBE incentive points cannot be used to achieve any applicable minimum point requirements.

Bidders who have been certified by California as a DVBE (or who are bidding rental equipment and have obtained the participation of subcontractors certified by California as a DVBE) must also submit a completed form **STD. 843 (Disabled Veteran Business Enterprise Declaration)**. The marketing services firm will furnish all necessary personnel, office space, equipment, materials, services, transportation, and other necessary resources to perform the work described herein in a professional manner:

**EXHIBIT D
(Standard Agreement)**

payment to Contractor for satisfactory services rendered prior to the termination, but not in excess of the maximum amount of this Agreement.

29. Termination for Insolvency

Contractor shall notify the State immediately in writing in the event that Contractor files any federal bankruptcy action or state receivership action, any federal bankruptcy or state receivership action is commenced against Contractor, Contractor is adjudged bankrupt, or a receiver is appointed and qualifies. In the event of any of the foregoing events, or if the State determines, based on reliable information, that there is a substantial probability that Contractor will be financially unable to continue performance under this Agreement, the State may terminate this Agreement and all further rights and obligations immediately.

30. Completion

In the event of termination for default, the State reserves the right to take over and complete the work by contract or other means. In such case, Contractor will be liable to the State for any additional cost incurred by the State to complete the work whether reimbursed or not.

31. Effect of Termination

**EXHIBIT D
(Standard Agreement)**

34. Darfur Contracting Act

Effective January 1, 2009, all Invitations for Bids (IFB) or Requests for Proposals (RFP) for goods or services must address the requirements of the Darfur Contracting Act of 2008 (Act). (Public Contract Code section 11475 et seq.) The Act was passed by the California Legislature and signed into law by the Governor to preclude State agencies generally from contracting with "scrutinized" companies that do business in the African nation of Sudan of which the Darfur region is a part, for the reasons described in Public Contract Code section 11475.

A scrutinized company is a company doing business in Sudan as defined in Public Contract Code section 11476. Scrutinized companies are ineligible to, and cannot, bid on or submit a proposal for a contract with a State agency for goods or services. (Public Contract Code section 11477(a).)

Therefore, Public Contract Code section 11478(a) requires a company that currently has (or within the previous three years has had) business activities or other operations outside of the United States to certify that it is not a "scrutinized" company when it submits a bid or proposal to a State agency. A scrutinized company may still, however, submit a bid or proposal for a contract with a State agency for goods or services if the company first obtains permission from DGS according to the criteria set forth in Public Contract Code section 11477(b).

35. Labor Neutrality Policy

ABLE recognizes the value of labor organizing and encourages the entities with which it contracts to demonstrate that they also value this principle by encouraging management neutrality in labor organizing activities.

To remain "neutral" means not to take any action or make any statement that will directly or indirectly state or imply any support for or opposition to the selection by the Contractor's employees of a collective bargaining agent, or preference or opposition to any particular union as a bargaining agent. Nothing in this section obligates or prohibits the Contractor from entering into private neutrality, labor peace or other lawful agreements with a labor organization seeking to represent or who currently represents the Contractor's employees.

36. Conflict of Interest; No Profit

a. Contractor certifies that its employees and the officers of its governing body shall avoid any actual or potential conflicts of interest, and that no officer or employee who exercises any functions or responsibilities in connection with this Agreement shall have any personal financial interest or benefit which either directly or indirectly arises from this Agreement.

b. Contractor shall establish safeguards to prohibit its employees or its officers from using their positions for a purpose which could result in private gain or which gives the appearance of being motivated for private gain for themselves or others, particularly those with whom they have family, business, or other ties.
