¹ GoGreen Business uses a credit enhancement in the form of a Loan Loss Reserve to leverage private capital at reduced rates and extended term lengths for borrowers. The credit enhancement is provided by utility ratepayer funds.

² Projects that have been pre-approved for GoGreen Business have passed a preliminary evaluation and are expected to be enrolled into the program after further development, installation, and review. All projects pre-approved and pending enrollment in GoGreen Business as of September 30, 2023 are reported here.

³ The number of contractors/project developers enrolled in GoGreen Business as of September 30, 2023. Over time, some contractors/project developers are suspended or removed from the program as part of routine quality checks for reasons such as license expirations.
