

At-A-Glance Eligibility Checklist for Contractors & Project Developers

GoGreen Business Energy Financing Program for Multifamily Properties

If your project meets these criteria, help your customer apply with a GoGreen Business finance company! The finance company will check and approve the customer's credit, review the project, and give the go-ahead to proceed with installation.

CUSTOMER

- ☐ A for-profit or non-profit entity that meets one of the following:
 - ☐ 100 or fewer employees
 - ☐ Annual revenues less than \$15 million
 - ☐ SBA size standard requirement for the customer industry

PROPERTY

- ☐ Five or more units
- ☐ An IOU (PG&E, SoCalGas, SCE or SDG&E bills the property for gas and/or electric service
 - ☐ Customers may receive service from a Community Choice Aggregator (CCA) or Energy Service Provider (ESP) as long as there is a bill from an IOU

ENERGY SAVING MEASURES (ESMs)

- ☐ Each measure qualifies either through the [Pre-qualified ESM list](#) or through the Professional Certification method
- ☐ Must save energy corresponding to the fuel provided by an investor-owned utility (IOU)
- ☐ Must be installed by a Participating Contractor, unless self-install eligible per the Pre-qualified ESM list

PROJECT

- ☐ Energy efficiency retrofit projects (includes DR) consisting of at least one ESM
 - ☐ Project can contain non-energy measures or DG, though the finance company will determine amount allowed
- ☐ Total cost for non-lighting ESMs installed utilizing the Pre-qualified ESM List does not exceed \$350,000
- ☐ Contractor is enrolled in the Program prior to completing their scope of work

Projects up to \$5MM may be financed. Credit enhanced financing is available on projects up to \$1MM with at least 70% ESMs and no more than 30% non-ESMs. Additional non-ESMs or distributed generation such as solar PV may also be included; contact a finance company for terms.
