 - (18) If a PFI, PFL or Successor Servicer files a claim while one or more claims are already pending the Authority's review, a statement of the priority of payment of the claim compared to the other claims in the event the balance of the Loss Reserve Account is insufficient to pay all the claims.
 - (19) Certification that the notice was filed with the Authority as required by Section 10091.10(b), and certification that the charge-off was made in a manner consistent with the PFI, PFL or Successor Servicer's usual methods for taking action on loans that are not Enrolled Loans under the Program.

- (f) The Authority shall approve claims within thirty (30) calendar days of the Authority's receipt of a completed and qualified claim request, provided, however, that the Executive Director shall be authorized to reject a claim if the Executive Director determines the representations and warranties provided by the PFI, PFL, or Successor Servicer pursuant to Section 10091.9 at the time of enrolling the Eligible Loan were false, or the PFI, PFL, or Successor Servicer is not in compliance with its obligations, including reporting obligations, under these regulations. The Authority, upon providing written notice to the PFI, PFL, or Successor Servicer, may defer the approval of claims up to an additional thirty (30) calendar days if the Authority requires more information to determine if the claim shall be paid. Prior to authorizing a disbursement from a Loss Reserve Account, the Authority may request additional documentation from the PFI, PFL, or Successor Servicer related to the Enrolled Loan.
- (g) Upon the approval of a claim, the Authority shall direct the Trustee to disburse the approved claim amount within five (5) business days.
- (1) Where a PFI or PFL makes its first claim request within one (1) year of enrolling its first loan in the Program, the Authority will instruct the Trustee to withdraw the approved claim amount from the appropriate Program Holding Account(s) and disburse those funds to the PFI or PFL. This claim reimbursement will not affect the PFI's or PFL's Loss Reserve Account balance. This provision shall not apply to Enrolled Loans where the servicing responsibility has been assumed by a new PFI, PFL or Successor Servicer pursuant to Section 10091.13. Where a PFI, PFL, or Successor Servicer is participating in the Program and another pilot program administered by the California Hub for Energy Efficiency Financing, the claim described in this section is not additive for that PFI, PFL, or Successor Servicer.
 - (2) Except as set forth in Section 10091.10(g)(1), the Authority will instruct the Trustee to withdraw the approved claim amount from the PFI, PFL, or Successor Servicer's Loss Reserve Account.
