Phone: 888-987-3443

Many popular energy efficiency measures can be installed and financed with the GoGreen Home program. They can be found on the Eligible Energy Efficiency Measures (EEEMs) list.

- The EEEMs list can be downloaded or searched by the measure name, measure category, and the measure's fuel source (gas, electric or both).
- All EEEMs must be installed in compliance with Title 20/24; some have additional efficiency requirements such as ENERGY STAR
- The EEEMs list indicates which measures can be self-installed and which require professional install by a contractor
- A measure which is not on the EEEMs list but qualifies for an IOU/REN/CCA energy efficiency or demand response program (e.g. a rebate program) is eligible

Eligible Energy Efficiency Measures

To find measure identifiers for GoGreen Home Energy Financing, use the following table.

For more information on eligibility and/or to view the list of Eligible Energy Efficiency Measures as a PDF, use the button below.

[EEEMS LIST*](#)

Search by Measure Name | Measure Category | Fuel Source

Displaying 60 of 60 measures

Appliances

Measure Name	Fuel Source Eligibility	Eligible for Self-Install	Measure Identifier
Air Cleaner/Purifier <i>Requirements: ENERGY STAR®</i>	Electric	Yes	AP-ACLN
Clothes Dryer (Electric) <i>Requirements: ENERGY STAR®</i>	Electric	Yes	AP-DRYE
Clothes Dryer (Gas) <i>Requirements: ENERGY STAR®</i>	Gas	Yes	AP-DRYG
Clothes Washer <i>Requirements: ENERGY STAR®</i>	Electric or Gas	Yes	AP-WASH

- Maximum loan amount eligible for the credit enhancement: \$50,000 per unit
 - 70% of claim-eligible portion of the loan must fund **Eligible Energy Efficiency Measures (EEEMs)** and other **legally and practically necessary** alterations
 - 30% of the claim-eligible portion of the loan may be used for **additional related home improvements** and/or to fund gas-only EEEMs when the customer gets service from a non-IOU gas utility
- Contractor must be enrolled in the GoGreen Home program as of the date of lender's notice to proceed with the project

At least 70%

Up to 30%

EEEMs and other legally and practically necessary alterations

Additional related or non-IOU gas measures

Phone: 888-987-3443

At least 70%

Eligible Measures

- On the [EEEMs list](#)
- Total cost may include **practically necessary** construction (installation, patching, painting, etc.) or **legal** requirements to install the measures (permits, combustion safety testing, etc.)

Up to 30%

Additional Related Home Improvements

- Cabinets, fixtures, water efficiency measures, etc.
- Can be self-installed or installed by a non-GoGreen Home contractor

Measures for a non-IOU fuel source

- Gas upgrades when gas is provided by a non-IOU gas utility

Cannot include a less efficient version of an EEEM (e.g. non-ENERGY STAR Refrigerator)

Note: Neither solar electric generation or battery storage costs can be included in the 70% or 30%

Sample Loan: EEEMs, Legally & Practically Necessary Alterations, Additional Related Improvements
