FINANCING AUTHORITY**  
**Meeting Date: July 22, 2009**

***Request for Approval of Delegation of Authority to Executive Director***

Prepared by: *Brian Gorban*

**Summary:** Staff is requesting Board approval of a resolution authorizing delegation authority to the executive director of the California Alternative Energy and Advanced Transportation Financing Authority (CAEATFA or the “Authority”) for certain routine matters with respect to the Authority’s bond program.

AB 1479, chaptered August 4, 2008, allows that, “The authority may, by resolution, delegate to one or more of its members, its executive director, or any other official or employee of the authority any powers and duties that it may deem proper, including, but not limited to, the power to enter into contracts on behalf of the authority.”

**Background:** From time to time borrowers participating in the Authority’s bond program seek Authority consent relating to amendments to the bond documents; removing or replacing participants or agents in the transaction, delivering alternate credit facilities; the sale, encumbrance or transfer of project assets; or a merger or dissolution involving the borrower. Many of the bond document provisions for these transactions require that the Authority *shall* consent as long as certain delineated conditions in the bond documents are met.

Currently, official Board approval is necessary for the Authority to give its consent to many of these transactions. In the interest of streamlining the processes necessary to facilitate these dealings for all parties to the transactions, several authorities including CAEATFA obtained legislation allowing the authorities to delegate “*any powers and duties that it may deem proper*” to the executive director. Before the legislation passed, the Attorney General’s Office had advised that the CAEATFA Board did not have the power to delegate these routine matters to the executive director.

The purpose of this resolution is to define the various amendments for which the executive director may give the Authority’s consent without obtaining approval of the Board. When consent or approval by the Authority is sought, the resolution delegates to the executive director the power to perform the transactions listed below:

1. Sign and certify resolutions adopted by the Board.
2. Execute and deliver all bond documents previously or hereafter approved by the Board.
3. Execute, amend and deliver certain bond documents.
4. Appoint, consent to, approve, or remove same defined parties (e.g., trustees and paying agents, remarketing agents, etc.).

**Agenda Item – 4.C.**

5. Approve or consent to the delivery of any substitute, alternate or replacement credit enhancement or liquidity facility.
6. Approve or consent to the sale, encumbrance or other transfer of all or a portion of a project.
7. Approve or consent to a merger, dissolution, or the sale of substantially all assets by a participating party.
8. Carry out any ministerial actions contemplated by any bond documents.
9. Waive any provision of any bond documents that is expressly for the benefit of the Authority and has not been assigned by the Authority (e.g., deadlines for delivery of notices, certificates, reports and other items to the Authority).
10. Respond to any litigation or claim made against the Authority in connection with any bond issue, or any investigation or any bonds by any state or federal regulatory or law enforcement authorities when such response is required by law and is necessary to protect the interests of the Authority, the bondholders, or to achieve the terms of the applicable resolution adopted by the Board.

**Recommendation:** Staff recommends adoption of a resolution authorizing delegation authority to the executive director of CAEATFA for certain routine matters as described above with respect to the Authority’s bond program. This resolution delegation authority will be in force through January 31, 2011.

NOW, THEREFORE, BE IT RESOLVED by the California Alternative Energy and Advanced Transportation Financing Authority, as follows:

(b) The delegation in subsection (a) of this Section shall not include the power to execute and deliver any amendment that (i) would modify provisions relating to: (A) the description of all or any portion of a project financed with bonds of the Authority if such amendment would (1) result in the project failing to be eligible for financing or refinancing pursuant to the Act; (2) change the location of the project to property not described in the original approval of the Board; (3) in the case of tax-exempt bonds, would in and of itself cause interest on the bonds to be included in gross income for purposes of federal income taxation; (B) the sale or other transfer of all or any portion of a project financed with bonds of the Authority or all or any portion of the property pledged to secure bonds of the Authority; (C) merger by a Participating Party, the

Prior to removing, or consenting to or approving the removal of, any of the foregoing agents or entities, the Executive Director shall consult with the Participating Party under the related Bond Documents.

The foregoing delegation does not include the power to replace or substitute any of the foregoing agents or entities named or approved in the final resolution or otherwise in connection with the original issuance of any issue of bonds until after such bonds are issued.

Credit Enhancement and Liquidity Support.** (a) The Authority hereby delegates to Executive Director the power to approve or consent to the delivery of any substitute, alternate or replacement credit enhancement or liquidity facility for bonds of the Authority, and the power to terminate any credit enhancement or liquidity facility or eliminate any requirement that a credit enhancement or liquidity facility be maintained for bonds of the Authority, if and to the extent such approval or consent by the Authority is required by the applicable Bond Documents and such approval or consent (1) is given in accordance with the terms of the applicable Bond Documents (including, without limitation, qualifications required by such Bond Documents for a provider of credit enhancement or liquidity support, if applicable), (2) does not require bondholder consent pursuant to the terms of the Bond Documents or other agreement to which the Authority

is a party, if applicable, or any required consent has been acquired, or such approval or consent, by its own terms, shall become effective only upon acquiring such bondholder consent, (3) such substitute, alternate or replacement credit enhancement or liquidity facility and the provider thereof, the termination of the credit enhancement or liquidity facility or the elimination of the requirement therefore, as applicable, are such as to qualify and cause the bonds of the Authority to qualify under the Authority's published bond issuance guidelines and (4) the Executive Director has consulted with the Public Finance Division of the State Treasurer's Office prior to such approval or consent.

**Section 6. Sale, Encumbrance or Other Transfer of Projects.** The Authority hereby delegates to the Executive Director the power to approve or consent to the sale, encumbrance or other transfer of all or a portion of a project financed with bonds of the Authority when such approval or consent by the Authority is required by the applicable Bond Documents and is provided in compliance with the applicable Bond Documents.

**Section 7. Merger, Dissolution, etc.** The Authority hereby delegates to the Executive Director the power to approve or consent to a merger by a Participating Party, the dissolution of a Participating Party, or the sale or other transfer of substantially all of the assets of a Participating Party when such approval or consent by the Authority is required by the applicable Bond Documents and is provided in compliance with the applicable Bond Documents.

(b) The delegation in subsection (a) of this Section shall not include the power to waive (1) any provision that could not be amended pursuant to the delegation under Section 3 of this Resolution, (2) any provision requiring delivery of an opinion of counsel, and (3) any provision, the waiver of which would, in and of itself, result in the inclusion of interest on bonds in gross income for purposes of federal income taxation.

(c) All authorizations and delegations of power to waive any provision of a Bond Document under any prior resolution of the Authority are hereby rescinded.

**Section 10. Litigation.** The Authority hereby delegates to the Executive Director the power to respond on behalf of the Authority to any litigation or claim or

threat of litigation or claim made against the Authority or any of its members, directors, officers or employees in connection with any bond issue, or any investigation of any bonds by any state or federal regulatory or law enforcement authorities when such response is required by law and is necessary to protect the interests of the Authority, the bondholders, or to effectuate the terms of the applicable resolution adopted by the Board.
