FINANCING AUTHORITY**

Meeting Date: December 15, 2010

***Resolution of the California Alternative Energy and Advanced Transportation
Financing Authority Delegating Certain Powers and Authorizing Certain Actions
Related to Bond Financings***

Prepared by: *Deana Carrillo*

Summary: Staff is requesting Board approval of a resolution authorizing delegation authority to the executive director, deputy executive director, and Chair of the California Alternative Energy and Advanced Transportation Financing Authority (CAEATFA or the “Authority”) for certain routine matters with respect to the Authority’s bond program. At the April 28, 2010 Board meeting the Board approved a similar delegation of authority, expiring on January 31, 2011.

AB 1479, chaptered August 4, 2008, allows that, “The authority may, by resolution, delegate to one or more of its members, its executive director, or any other official or employee of the authority any powers and duties that it may deem proper, including, but not limited to, the power to enter into contracts on behalf of the authority.”

The resolution recommended today differs from the prior delegation resolution by delegating some additional powers related to redemption, prepayment and defeasance of bonds, permitting responses to audits, investigations and other reviews, in addition to litigation, and other minor changes.

Background: From time to time borrowers participating in the Authority’s bond program seek Authority consent relating to amendments to the bond documents; removing or replacing participants or agents in the transaction, delivering alternate credit facilities; the sale, encumbrance or transfer of project assets; or a merger or dissolution involving the borrower. Many of the bond document provisions for these transactions require that the Authority *shall* consent as long as certain delineated conditions in the bond documents are met.

In the past, official Board approval has been necessary for the Authority to give its consent to many of these transactions. In the interest of streamlining the processes necessary to facilitate these dealings for all parties to the transactions, several authorities (including CAEATFA) obtained legislation allowing the authorities to delegate “*any powers and duties that it may deem proper*” to the Executive Director and Deputy Executive Director. Before the legislation passed, the Attorney General’s Office had advised that the CPCFA Board did not have the power to delegate these routine matters to the Executive Director. Since January 2009 the Board has been approving the delegation authority for one year terms. As noted above, the current delegation of authority expires on January 31, 2011.

The purpose of this resolution is to define the various amendments for which the executive director, deputy executive director and Chair may give the Authority's consent without obtaining approval of the Board. When consent or approval by the Authority is sought, the resolution delegates to the executive director (and deputy executive director upon the executive director's written authorization or when the position of executive director is vacant) the power to perform the transactions listed below:

1. Sign and certify resolutions adopted by the Board.
2. Execute and deliver all bond documents previously or hereafter approved by the Board.
3. Execute, amend and deliver certain bond documents.
4. Appoint, consent to, approve, or remove same defined parties (e.g., trustees and paying agents, remarketing agents, etc.).
5. Approve or consent to the delivery of any substitute, alternate or replacement credit enhancement or liquidity facility.
6. Approve or consent to the sale, encumbrance or other transfer of all or a portion of a project.
7. Approve an arrangement of a redemption, prepayment or defeasance of Bonds.
8. Approve or consent to a merger, consolidation, affiliation, dissolution, or the sale of substantially all assets by a participating party.
9. Carry out any ministerial actions contemplated by any bond documents.
10. Waive any provision of any bond documents that is expressly for the benefit of the Authority and has not been assigned by the Authority (e.g., deadlines for delivery of notices, certificates, reports and other items to the Authority).
11. Respond to any audits, investigations, litigation or claim made against the Authority in connection with any bond issue, or any investigation or any bonds by any state or federal regulatory or law enforcement authorities when such response is required by law and is necessary to protect the interests of the Authority, the bondholders, or to achieve the terms of the applicable resolution adopted by the Board.

Recommendation: Staff recommends adoption of a resolution authorizing delegation authority to the Executive Director and Deputy Executive director of CAEATFA for certain routine matters as described above with respect to the Authority's bond program. This resolution of delegation authority will be in force through January 31, 2012.
