- For Applicants approved on or after October 18, 2016, at least 15% of the Qualified Property amount approved must be purchased within one year of Board approval by the Authority,

Execution of the Master Regulatory Agreement

CAEATFA Staff will follow up with the Applicant after Board approval, via email, to provide specific instructions to the Applicant on the following process, including due dates and specific information/documents required from the Applicant.

1. As a condition of the Authority’s finding and awarding an STE, all recipients are required to execute the Master Regulatory Agreement (collectively the “Master Agreement”) within 30 days of Board approval, as shown on their Notification Letter. The Master Agreement shall include a Master Agreement Exhibit B which consists of a list of the Qualified Property to be purchased.

2. The provisions of the Master Agreement are not negotiable. A copy of the Master Agreement and Master Agreement Exhibit B can be found here.

1 Capitalized terms are defined in the Program’s statute and regulations.
3. CAEATFA Staff will provide to the Applicant with a Master Agreement specific to the approved Application.

4. Prior to execution of the Master Agreement, staff will request that the Applicant fill out and submit a Signature Certificate to identify representatives of the Applicant’s company that are authorized to enter into contracts on behalf of the company.

5. The following items are required in order to execute the Master Agreement:
   - Two copies of the Master Agreement signature page with original signatures (signed by an authorized representative of the Applicant’s company); and
   - Fees: A check, made out to CAEATFA, for the $15,000 minimum Administrative Fee (per Section 10036(b)(4) of CAEATFA regulations).

6. CAEATFA will draft, distribute, review and sign both copies of the Master Agreement. The documents will be countersigned and each party will retain an original copy of the Master Agreement with original signatures for its records.

7. According to the California Department of Tax and Fee Administration (CDTFA), Applicants may purchase Qualified Property prior to approval; however, certain conditions established by the CDTFA must be met. Please refer to the CDTFA’s website on the STE Program and your tax counsel for further information.

8. The regulatory provisions of the Master Agreement will continue in force for a period equal to the longer of (a) three years or (b) one-half of the Estimated Useful Lifespan of the longest lived item of Qualified Property identified in the Application.

**Purchases of Qualified Property and Semi-Annual Reports**

1. Applicants will purchase equipment from vendors using an Exemption Certificate per CDTFA Regulations Section 1667(c)(1). CAEATFA does not provide Exemption Certificates.

2. In order to maintain compliance with the STE Program regulations and an Applicant’s Master Regulatory Agreement, Applicants must submit Semi-Annual Reports. Each report should include information about the Qualified Property purchased using the sales and use tax exclusion.
a. The semi-annual report covering the first two calendar quarters of the year must be submitted to CAEATFA on or before July 31;
b. The semi-annual report covering the last two calendar quarters of the year must be submitted on or before January 31 of the immediately following calendar year.

3. The provisions of the Semi-Annual Report Certification are not negotiable. The Semi-Annual Report Certification (or Final Semi-Annual Report Certification) and the Exhibit A forms can be found by clicking the links.

4. The Semi-Annual Report consists of three parts. When due, the following documents should be submitted to CAEATFA at CAEATFA@treasurer.ca.gov:

   a. Semi-Annual Report Certification in PDF format
      i. The Semi-Annual Report Certification has been updated to use a digital signature. If possible, please use a digital signature to sign the Certification.

5. The analyst will review submitted documents to ensure they are complete and free from error and may request that the Applicant make corrections. Once the documents are correct, the analyst will request that the Applicant mail a check for the administrative fee, if applicable. Original signed documents no longer need to be mailed in to CAEATFA.
