Sales and Use Tax Exclusion Program

Notice of Emergency Regulations

The California Alternative Energy and Advanced Transportation Financing Authority (“Authority” or “CAEATFA”) organized and operating pursuant to Division 16 (commencing with Section 26000) of the California Public Resources Code proposes to adopt the proposed emergency regulations after considering all comments, objections, and recommendations regarding the proposed action.

The regulations amend Sections 10031, 10032, 10033, and 10036 of Article 2 of Division 13 of Title 4 of the California Code of Regulations to address the Sales and Use Tax Exclusion Program’s oversubscription over the last three years, incorporate lessons learned from program implementation, add further clarity and specificity in existing regulation provisions, and update and revise section references.

Government Code Section 11346.1(a)(2) requires that, at least five working days prior to submission of the proposed emergency regulations action to the Office of Administrative Law (“OAL”), the adopting agency provide a notice of the proposed emergency action to every person who has filed a request for notice of regulatory action with the agency. After submission of the proposed emergency regulations to OAL, OAL shall allow interested parties five (5) calendar days to submit comments on the proposed emergency regulations as set forth in Government Code Section 11349.6. Upon filing, OAL will have ten (10) calendar days within which to review and make a decision on the proposed emergency rulemaking package. If approved, OAL will file the regulations with the Secretary of State, and the adoption of emergency regulations will become effective for one hundred and eighty (180) days. Within the 180-day effective period, CAEATFA will proceed with regular rulemaking action, including

a public comment period. The emergency regulations will remain in effect during this rulemaking action.

In accordance with its authority under Public Resources Code Section 26009, CAEATFA is proposing to adopt the regulation as emergency regulations. Attached to this Notice is the specific regulatory language of CAEATFA's proposed regulatory action and the Finding of Emergency. You may also review the proposed regulatory action and the Finding of Emergency on CAEATFA's website at the following address: <http://www.treasurer.ca.gov/caeatfa/ste/regulations/index.asp>.
