

RESOLUTION NO. 2015-02

**RESOLUTION OF THE CALIFORNIA SECURE CHOICE RETIREMENT SAVINGS INVESTMENT BOARD RELATING TO THE APPROVAL TO AMEND INTERAGENCY AGREEMENT CSCRSIB01-14 WITH THE STATE TREASURER'S OFFICE FOR PROCUREMENT AND CONTRACT MANAGEMENT SERVICES**

**WHEREAS**, the California Secure Choice Retirement Savings Investment Board (the "Board") is established under SB 1234 (Chapter 734, 2012; codified under Government Code section 100000 et seq.) and mandated to conduct a market analysis to determine whether the necessary conditions for implementation of the California Secure Choice Retirement Savings Trust Act (the "Act") can be met, provided that the Board shall conduct the market analysis only if sufficient funds to initiate and complete the required market analysis are made available through a nonprofit or private entity, or from federal funding;

**WHEREAS**, Government Code section 100042 provides, in part, that the Act shall become operative only if the Board determines that, based on the market analysis, the provisions of the Act will be self-sustaining, and funds are made available through a nonprofit or other private entity, federal funding, or an annual Budget Act appropriation in amounts sufficient to allow the Board to implement the Act until the California Secure Choice Retirement Savings Trust has sufficient funds to be self-sustaining;

**WHEREAS**, Government Code section 100043 provides that the Board shall not implement the California Secure Choice Retirement Savings Program (the "Program") if the Individual Retirement Account ("IRA") arrangements offered fail to qualify for the favorable federal income tax treatment ordinarily accorded to IRAs under the Internal Revenue Code, or if it is determined that the Program is an employee benefit plan under the federal Employee Retirement Income Security Act;

**WHEREAS**, the Board has entered into an interagency agreement, Agreement no. CSCRSIB01-14, (the "Agreement") with the State Treasurer's Office to assist the Board with procurement and contract management for the necessary market analysis, program design, feasibility study, and legal analysis;

**WHEREAS**, the State Treasurer's Office has since hired two new staff members who will perform contract management services; and

**WHEREAS**, the term of the Agreement ends September 30, 2015, yet the market analysis, program design, feasibility study, and legal analysis are not expected to be completed by September 30, 2015;

**NOW, THEREFORE, BE IT RESOLVED** that the Chair or the Chair's designee is hereby authorized to execute an amendment to the Agreement with the State Treasurer's Office for procurement and contract management services to include the two new staff and extend the term of the Agreement to March 31, 2016.
