Re: Requirements for May 25, 2021 Application Deadline

The purpose of this memo is to inform CDLAC Applicants and Project Sponsors of the process for applying for a QRRP bond allocation and tax credits by May 25, 2021. All joint bond and tax credit applications will be submitted via USB flash drive rather than through the CDLAC online application portal.

Consistent with the first-round application process, a PDF of the joint CDLAC/CTCAC application is available on the CDLAC website: (<https://www.treasurer.ca.gov/cdlac/forms/cdlac-tcac-joint-app.pdf>). This application is to be completed with all required CDLAC and CTCAC application attachments: (<https://www.treasurer.ca.gov/ctcac/2021/application.asp>). Please label all folders and subfolders within the USB drive. Instructions for folder labeling can be found in Attachment 40.

Applications are required to be submitted to CDLAC by the CDLAC applicant (i.e. bond issuer). Project Sponsors should send the bond issuer three (3) USB drives, one for the bond issuer to retain and two for the bond issuer to send to CDLAC. The USB drives must be labeled on the exterior with the project name and must be accompanied by a check for the CDLAC filing fee and a check for the CTCAC filing fee. CDLAC staff will forward one of the USB drives and the CTCAC application filing fee to CTCAC. Project Sponsors need not send a separate application to CTCAC as in years past.

All applications must arrive at the CDLAC office no later than 4:00 pm on May 25, 2021. Please reach out to CDLAC@treasurer.ca.gov with any questions or concerns.
