

Agenda Item No. 8
Transfer of Unused Allocation Remaining on December 11, 2013

REVISED
CALIFORNIA DEBT LIMIT ALLOCATION COMMITTEE
December 11, 2013

CONSIDERATION OF STAFF'S RECOMMENDATION TO TRANSFER AND AWARD UNUSED ALLOCATION TO VARIOUS ISSUERS

ACTION:

Approve the transfer and award of all unused allocation remaining in program pools on December 11, 2013 to four highly active multifamily housing issuers (identified below) for the Qualified Residential Rental Project (QRRP) Program, and to the California Pollution Control Financing Authority (CPCFA) for the Exempt Facility Program.

BACKGROUND:

After the December 11, 2013 allocations have been made, there will be a 2013 volume cap balance of approximately \$2,789,557,022 remaining. This amount is likely to increase as projects that have received bond authority may issue only a portion of their allocation or fail to issue bonds entirely. Staff surveyed ten (10) of CDLAC's most highly-active issuers. Five of these issuers responded with interest in receiving a lump sum 2013 carryforward allocation. These applicants identified both projected demand over the next three program years and planned use for their existing unused 2012 lump sum carryforward allocation, if any. Staff recognizes that some of the anticipated demand identified by the issuers is based on programs that may or may not ultimately come to fruition. However, staff is comfortable with these program assumptions and feels that the projected amounts are reasonable at this point in time.

In order to ensure that no amount of 2013 allocation is lost, staff is recommending that the remaining allocation as of December 11, 2013 be made available to the following issuers in the following amounts:

NAME OF ISSUER	RECOMMENDED TRANSFER AMOUNT
City of Los Angeles	\$150,000,000*
California Statewide Communities Development Authority	\$700,000,000*
California Municipal Finance Authority	\$750,000,000*
Housing Authority of the County of Sacramento	\$50,000,000*
California Pollution Control Financing Authority	\$1,000,000,000

*This carryforward allocation will be applied to future individual QRRP requests for allocation made by the issuer to the Committee until the amounts are exhausted.

COMMENT: Staff's proposal will ensure that no amount of the 2013 State Ceiling is unallocated.

RECOMMENDATION: Staff recommends that of the remaining \$2,789,557,022 in unused 2013 allocation, \$1,650,000,000 be transferred to the four aforementioned issuers of multifamily housing projects for the Qualified Residential Rental Project Program, and all allocation remaining thereafter be transferred to the California Pollution Control Financing Authority for the Exempt Facility Program; all on a carryforward basis.
