Description of Proposed Project:
State Ceiling Pool: General
Total Number of Units: 114, plus 1 manager unit
Type: Acquisition and Rehabilitation
Type of Units: Senior Citizens

The proposed project is an existing 115-unit senior apartment community originally constructed in 1995. The project is located in the City of Monrovia on a former railroad easement. The topography of the site is generally flat and level. The total site is approximately 3.7 acres. The property is comprised of 16 two-story and four (4) one-story garden styled residential buildings with one 1,627 square foot clubhouse, and one building with leasing/management and social services offices. The remainder of the site has a swimming pool, spa, carports, paved parking areas, driveways, walkways and landscaped grounds. The targeted population will be senior households age 55 and older with household incomes ranging from 50% to 60% of the area median income for Los Angeles County. The scope of the rehabilitation will include significant renovation of individual units and common areas, building exteriors and site improvements. Rehabilitation is expected to begin in January 2014 and take place over 12 months.

Description of Public Benefits:
