Post Porformance				

The application indicates the applicant met the 2014 minimum performance requirement that at least 40% of the program participants are lower-income households or located in a Qualified Census Tract.

The application indicates the applicant expects to meet the 2015 minimum performance requirement that at least 40% of program participants will be lower-income households.

Recommendation:

Staff recommends that the Committee approve an amount of \$150,000,000 in tax-exempt bond allocation to the California Housing Finance Agency for the Mortgage Credit Certificate Program. This is the Applicant's 2015 fair share amount.

DESCRIPTION OF PROPOSED PROGRAM:

• Population to be served by the proposed Program (family size, income levels, etc.):

According to the Applicant, the proposed Program expects to serve all ethnic groups and family sizes with a minimum of 40% of the households at or below 80% of the median income adjusted by household size.

- Estimated number of first-time homebuyers to be assisted: 750
- Housing stock to be purchased (types, unit sizes, etc.):

According to the Applicant, the housing stock to be purchased will consist of detatched units and attached condominiums having an average of 3.23 bedrooms, 2.03 bathrooms and 1,538 square feet.

• Specific reservations of MCCs for purposes such as low-income targeting, new construction, etc.:

According to the Applicant, the program will reserve at least 20% of the certificates for federally designated target areas and at least 40% of the MCCs for families with incomes at or below 80% of the area median income adjusted for family size.

• Expected duration MCCs will be available and anticipated monthly rate of issuance.:

According to the Applicant, MCCs are expected to be available for 3 months and the anticipated monthly rate of issuance is 175 MCCs per month. However, based on the information provided in the application, MCCs are expected to be available for 4 months.

• Other homebuyers assistance programs offered by participating jurisdiction(s):

According to the Applicant, it currently offers assistance through the California Homebuyer's Assistance Program ("CHDAP") via a deferred-payment junior loan in an amount equal to the lesser of 3% of the purchase price or appraised value. The Applicant also offers several first mortgage products that provide 3% down payment assistance in exchange for a slightly higher interest rate. In addition, the Applicant offers a Zip Extra subordinate loan that provides up \$6,500 in down payment assistance. The Applicant additionally offers a full or partial rebate of the School Facility Fee to eligible buyers of newly constructed homes in qualified areas.

• Additional features unique to the proposed Program:

Lenders will use an MCC reservation system in order to reserve an MCC allocation. The Applicant reviews each loan to validate the data provided by the lender and also performs program compliance and policy review of each loan for eligibility under the tax code and other agency requirements. The Applicant has also expanded its Lender Training and Outreach Division to include numerous web-based training applications in order to assist lenders in the structuring of loans and to streamline the process.
