

**THE CALIFORNIA DEBT LIMIT ALLOCATION COMMITTEE**

**July 19, 2017**

*Revised*

**Consideration and Approval of Proposed CDLAC Regulations for Submittal to the Office of Administrative Law for Emergency and Regular Rulemaking Consideration**  
**(Agenda Item No. 5)**

**ACTION:**

Approval of proposed CDLAC Regulations for submittal to the Office of Administrative Law for emergency and regular rulemaking consideration.

**BACKGROUND:**

CDLAC will submit, if approved by Committee, a request for emergency approval of the proposed regulation changes to the Office of Administrative Law on August 7 with an anticipated approval and adoption date of August 16.

The purpose of these regulation changes is to introduce a new program, the Qualified Public Educational Facility Bond (“QPEF”) Program, to the nine programs currently in existence for the issuance of tax-exempt private activity bonds. QPEF’s are tax-exempt private activity bonds issued to finance the construction, renovation, and furnishing of primary and secondary school facilities. This form of financing reduces the cost of financing for schools as interest earned by the lender is tax exempt. The volume cap for QPEF bonds that can be issued in California for each program year is specified in 26 USCA section 142(k). The limit for the Qualified Public Educational Facility Bond Program is calculated by multiplying the state population by \$10, and totals \$392 million for the 2017 program year.

**PROPOSED REVISIONS:**

**Forms to be Incorporated by Reference**

**“Application For an Allocation of the State Ceiling on Qualified Private Activity Bonds for a Qualified Public Educational Facility Bond Project”**

Necessity: The form has been created to provide a method for applicants to apply to CDLAC to receive an allocation of Qualified Public Educational Facility Bond Allocation.

**“Annual Applicant Public Benefits and Ongoing Compliance Self-Certification”**

Necessity: The form requires modification for consistency with the addition of the newly proposed Qualified Educational Facility Program. The revised date of the form will be updated to 07-17-17 to ensure that only the most recent edition of the form is used for compliance verification.

**“Certification of Compliance II for Non-Qualified Residential Rental Projects”**

Necessity: The form requires modification for consistency with the addition of the newly proposed Qualified Educational Facility Program. The revised date of the form will be updated to 07-17-17 to ensure that only the most recent edition of the form is used for compliance verification.
