Madison Park Apartments is an existing project located in Oakland on an approximately 80,597 gross square foot site. The project consists of 96 restricted rental units and 2 unrestricted manager units. The project has 20 studio units, 69 one-bedroom units and 9 two-bedroom units. The renovations will include building exterior and interior upgrades. Building exterior renovations will consist of life safety systems, fire escapes and elevator. Interior renovations will include corridor ventilation and pressurization, addition of a computer lab, reconfiguration of offices for resident services, improvements to plumbing features in bathrooms and ventilation and reconfiguration of the trash system. Individual apartment units will be updated with a new appliance package, countertops, cabinets, flooring and accessibility upgrades to 10% of the units. Lastly, common or site area renovations will consist of modernization to common area finishes to comply with historical building code. The rehabilitation is expected to begin in November 2018 and be completed in October 2019.

### Description of Public Benefits:

**Percent of Restricted Rental Units in the Project:** 100%  
25% (24 units) restricted to 50% or less of area median income households.
