West Park Apartments is an existing project located in San Diego on a 0.115-acre site. The project consists of 46 restricted rental units and 1 unrestricted manager unit, all of which will be converted from hotel SRO to studio units. Exterior renovations will include a new "cool" roof, window repair/replacement, metal guardrail repair, plaster siding repair and fresh paint. Interior renovations will include elevator modernization, improvements to the community room, fitness room and offices, and replacement of boilers/hot water systems. Individual units will be updated with new kitchenettes that include cabinets and countertops, refrigerator, stove, exhaust fan, microwave oven and garbage disposal. Unit upgrades also include new flooring, plumbing fixtures, lighting, ceiling fans and HVAC systems. Five units will be configured to meet ADA accessibility standards. Site area renovations include walkway resurfacing, landscape and irrigation updates and new signage. The rehabilitation is expected to begin in April 2019 and be completed in March 2020.
