**Re: Proposed October 18, 2017 or November 15, 2017 Allocation Meeting
- Preference Survey and Request for Project Information**

In the coming weeks, the California Debt Limit Allocation Committee (CDLAC) plans to schedule either an October 18, 2017 or November 15, 2017 allocation meeting. If you are interested in submitting an application for tax exempt bond allocation in August (for an October meeting) or in September (for a November meeting), we ask that you indicate which of the proposed meeting dates would best meet the needs of your project. In addition, we ask that you provide our office with the name of your project(s) and the total number of units to be provided. Please note: If an October meeting is scheduled, there will be no further opportunity to add a November meeting. Your response is requested via email to CDLAC@ treasurer.ca.gov no later than June 21, 2017.

Should you have questions regarding this information, please do not hesitate to contact the CDLAC office at (916) 653-3255. You are advised to visit the CDLAC website and/or subscribe to the CDLAC e-mail distribution list to receive additional information as it becomes available.
