### **Re: ADDITIONAL ALLOCATION MEETING DATE: November 15, 2017**

Thank you to those who participated in our recent meeting survey. As a result of the overwhelming number of requests for a November allocation meeting, the California Debt Limit Allocation Committee (CDLAC) has added a November 15, 2017 allocation meeting to this program year's meeting schedule. **The deadline to submit an application is Friday, September 15, 2017.** As a reminder, the final 2017 allocation meeting will be held on December 13, 2017. No other additional 2017 allocation meetings are planned at this time.

The schedule of 2018 scheduled meeting dates will be posted to the CDLAC website in September 2017. You are advised to visit the CDLAC website and/or subscribe to the CDLAC e-mail distribution list to receive additional information as it becomes available.

Should you have questions regarding the information, please do not hesitate to contact the CDLAC office at (916) 653-3255.
