Religious Questionnaire

1. Does the applicant offer a broad curriculum in secular subjects?
2. Please list the secular subjects offered in the applicant's curriculum.
3. Is the information and coursework used to teach secular subjects neutral with respect to religion, neither promoting nor opposing any particular religion or religion in general?
4. Is the academic content of courses in secular subjects typical of comparable courses provided in non-religious institutions for higher education?
5. Please describe the academic content of the applicant's courses in secular subjects (which you may do by submitting a course catalog).
6. Does or will any portion of the project being financed or refinanced include any facility, place or building used or to be used (for any period during the useful life of the facility, place or building) for sectarian instruction or as a place for religious worship or for any class that includes instruction information or coursework that promotes or opposes a particular religion or religious beliefs?
7. Will any portion of the project being financed or refinanced include any facility, place or building used or to be used (for any period during the useful life of the facility, place or building) in connection with any part of the programs of a school or department of theology or divinity (including, without limitation, dining and residence halls, academic and student center complexes and other common use facilities)?
8. If the answer to the question above is "yes," please provide a description of that portion of the project and describe how, and the extent to which, that portion of the project is, or will be, used in connection with programs of a school or department of theology or divinity as compared to other uses.
9. Does the applicant restrict the admission of a student based on his or her race or ethnicity?

Religious Certification and Acknowledgement

I, (name of signatory), hereby certify that I am the (name of position) of (name of applicant), and am authorized to, and do hereby, certify that: (1) (name of applicant) offers a broad curriculum in secular subjects; and (2) the information and coursework used to teach secular subjects is neutral with respect to religion and neither promotes nor opposes any particular religion or religion in general, and the academic content of classes in secular subjects is typical of that provided in nonreligious institutions for higher education.

I acknowledge that in connection with the financing requested (including new financing or refinancing), (name of applicant) will be required to covenant that no bond proceeds will be used to finance any facility, place, or building used or to be used for sectarian instruction, as a place for religious worship, or primarily in connection with any part of a program of a school or department of theology or divinity, or to finance any class that includes instruction information or coursework that promotes or opposes a particular religion or religious beliefs, in each case through the useful life of the facility, place or building.

**STATE OF CALIFORNIA
CALIFORNIA EDUCATIONAL FACILITIES AUTHORITY
Iran Contracting Act**

Pursuant to Public Contract Code sections 2200-2208, an applicant at the time of bid or proposal for a new contract, or renewal of an existing contract may be ineligible to bid on, submit a proposal for, or enter into or renew a contract with a public entity for goods or services of one million dollars or more, if the applicant is identified on a list created by the Department of General Services under Public Contract Code section 2203(b) as a person engaging in investment activities in Iran as described in Public Contract Code section 2202.5(a) or is a financial institution described in Public Contract Code section 2202.5(b) as extending twenty million dollars or more in credit for 45 days or more to a person that will use the credit to provide goods or services in the energy sector in Iran and is identified on the list created by the Department of General Services. The applicant is required to complete this certification and submit it to the California Educational Facilities Authority.

At the time an application for financing is submitted, the applicant must also include a certification from its selected underwriter(s) that either the underwriter(s) is not identified on the Department of General Services' list created pursuant to Public Contract Code section 2203(b) as described above and is not a financial institution as described above or that it has received written permission from the California Educational Facilities Authority to enter into a bond purchase agreement, or similar agreement, pursuant to Public Contract Code section 2203(c).

Please check **one** of the following two paragraphs and sign below:

1. We are not currently identified on a list created by the Department of General Services pursuant to Public Contract Code section 2203(b) as a person engaging in investment activities in Iran as described in Public Contract Code section 2202.5(a), nor are we a financial institution described in Public Contract Code section 2202.5(b) as extending twenty million dollars or more in credit for 45 days or more to a person that will use the credit to provide goods or services in the energy sector in Iran and is identified on the list created by the Department of General Services pursuant to Public Contract Code section 2203(b).

OR

2. We are identified on a list created pursuant to Public Contract Code section 2203(b), but we have received written permission from the California Educational Facilities Authority to enter into a bond purchase agreement, or similar agreement, pursuant to Public Contract Code section 2203(c). A copy of the written permission from California Educational Facilities Authority is included with this certification.

CERTIFICATION:

I, the official named below, CERTIFY UNDER PENALTY OF PERJURY that I am duly authorized to legally bind the applicant to the clause listed above. This certification is made under the laws of the State of California.
