## **INDEPENDENT AUDITOR'S REPORT**

**CEFA Members**  
**California Educational Facilities Authority**  
**Sacramento, California**

We have audited the accompanying financial statements of the California Educational Facilities Authority (CEFA), a fund of the State of California, as of and for the fiscal years ended June 30, 2009 and 2008, as listed in the table of contents. These financial statements are the responsibility of CEFA's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

As discussed in Note 1, the financial statements present only CEFA and do not purport to, and do not, present fairly the financial position of the State of California, as of June 30, 2009 and 2008, and the changes in its financial position for the years then ended in conformity with accounting principles generally accepted in the United States of America.

In our opinion, the financial statements, referred to above present fairly, in all material respects, the financial position of CEFA as of June 30, 2009 and 2008, and the changes in financial position, and cash flows, thereof for the years then ended in conformity with accounting principles generally accepted in the United States of America.

Our audit was conducted for the purpose of forming an opinion on the financial statements that collectively comprise CEFA's basic financial statements. The additional information, as described in the table of contents, is presented for the purpose of additional analysis and is not a required part of the financial statements. The additional information has been subjected to the auditing procedures applied in the audit of the financial statements and, in our opinion, is fairly presented in all material respects in relation to the financial statements taken as a whole.

## NOTES TO FINANCIAL STATEMENTS

JUNE 30, 2009 AND 2008

---

### 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### A. GENERAL

The California Educational Facilities Authority (CEFA) was created by Chapter 1432, Statutes of 1972, which became effective March 7, 1973, and was subsequently amended. Legislation pertaining to the Act is contained in Division 10, Part 59, Chapter 2 of the Education Code commencing with Code Section 94100. Effective January 1, 1996, legislation was passed to consolidate the California Student Loan Authority (CSLA) with CEFA. The Student Loan Authority Fund and the Educational Facilities Authority Fund are maintained within CEFA and the combined balance sheet and results of operations and cash flows are presented in these financial statements.

CEFA was created for the purpose of issuing revenue bonds to assist private non-profit institutions of higher learning in the expansion and construction of educational facilities. Because it is authorized to issue tax-exempt bonds, CEFA may provide more favorable financing to such private institutions than might otherwise be obtainable. The provisions of Assembly Bill 89, Section 94153 of the Education Code has been repealed thereby deleting the limitation of the total amount of bonds authorized to be outstanding at any time.

The law specifically provides that bonds issued under the Act shall not be a debt, liability or claim on the faith and credit or the taxing power of the State of California, or any of its political subdivisions. The full faith and credit of the participating institutions, however, is normally pledged to the payment of the bonds. Bonds are issued at either public or private sales after details of the proposed project and satisfactory evidence of the ability of the participating institution to meet financial obligations have been submitted to CEFA.

The CSLA was originally established for the primary purpose of financing federally insured student and parent loans directly to students. Following the consolidation with CEFA, CEFA is authorized to issue negotiable revenue bonds in order to provide funds for achieving its purposes and to assign and pledge all or any portion of its interests in federally insured loans or the revenue therefrom for the benefit of holders of CEFA's bonds. Neither the faith and credit nor the taxing power of the State of California or its political subdivisions is liable for payment of the debt of the CEFA.

CEFA's authority has been expanded to include the financing of student loans. Students attending both public and private non-profit colleges and universities are eligible. In 1997, the first bond issuance under this program funded the Cal Loan Program to enable students to borrow defined amounts if basic student aid is insufficient to cover expenses. \$30,260,000 in tax-exempt bonds were issued, enough to finance approximately 9,000 loans. The bonds were payable out of funds pledged under the program's indenture, which includes payments, proceeds, charges and other cash income received in account of, or with respect to, any student loan. CEFA issued its second bond of this type in 1998 in the amount of \$25,000,000, enough to finance approximately 4,000 loans. This bond funded the Cal Edge Program and the structure of the bond is similar to the Cal Loan Program, although the programs offer different types of student loans. On June 27, 2001, CEFA issued a second series of Cal Loan Bonds (Cal Loan Program, Series 2001 A) in the amount of \$45,000,000 and contributed \$1.1 million in up-front cash.

## NOTES TO FINANCIAL STATEMENTS JUNE 30, 2009 AND 2008

---

CEFA contracts with All Student Loan Resources Corporation to provide program oversight for Cal Loan and Cal Edge.

In 2002, CEFA's authority was further expanded to include the financing of grants to eligible colleges for outreach programs contributing to the expansion of postsecondary educational opportunities for low- and very low-income students. Funds for the \$2 million program are provided from CEFA's existing fund balance and will be disbursed over a three-year period. During the years ending June 30, 2009 and 2008, \$0 and \$1,312,310, respectively, in grant funds were disbursed.

CEFA contracts with the State Treasurer's Office to provide administrative support including, but not limited to accounting, budgets, data processing, personnel and business services.

### B. THE REPORTING ENTITY

These financial statements present information on the financial activities of CEFA. CEFA is an enterprise fund of the State of California. The financial information is included in the State of California's Business Type Activities. The California State Treasurer is responsible for the oversight of CEFA.

### C. BASIS OF PRESENTATION

CEFA is a public instrumentality of the State of California and is treated as an enterprise fund. The accrual basis of accounting is utilized whereby revenues are recorded when earned and expenses are recognized in the accounting period in which the liability is incurred (when goods are received or services rendered). The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles. As a governmental entity, CEFA follows the accounting standard hierarchy established by the GASB. However, since CEFA operates proprietary activities, which are usually thought to be business-type activities (enterprise fund accounting), applicable statements and interpretations of the Financial Accounting Standards Board (FASB) issued before November 30, 1989 may apply unless they conflict with or contradict GASB pronouncements. CEFA has elected not to apply FASB pronouncements issued after November 30, 1989.

### D. ACCOUNTS RECEIVABLE

Accounts receivable consist of loans that are either deferred or in repayment. A reserve of \$7,400,000 and \$5,700,000 for the Cal Loan program (netted against accounts receivable) was established as of June 30, 2009 and 2008, respectively. Currently, the individual colleges guaranty the first 12% and CEFA guaranties the next 5% of portfolio losses for the 1997A bond. For the 2001A bond, CEFA guaranties the first 5% and the individual colleges guaranty the next 12% of portfolio losses. The Cal Edge Program does not require college guaranties to offset loans; therefore, a reserve of \$167,700 and \$520,093 for the program was established as of June 30, 2009 and 2008, respectively. Similar to Cal Loan, this reserve is netted against accounts receivable.

### E. REVENUES

#### Educational Facilities Authority Fund (EFAF)

Fees are for review of bond issuance as follows: \$1,000 non-refundable application fee (no application fee charged for equipment loans), and .15% of the aggregate issue amount (.075% for equipment loans) of each successful financing up to a maximum amount of \$75,000. The annual administration fees, which are charged on all outstanding bonds, are waived if the participant has other CEFA debt. The administration fees are \$500 annually for the first five years, and \$250 annually thereafter for the life of the bond issue.

#### Student Loan Authority Fund (SLAF)

The Cal Edge and Cal Loan Bond funds earn interest on student loans outstanding and on the investments of bond trust funds and from loan guarantee fees. Net excess earnings (retained earnings) are restricted for the respective loan programs.

Administration fund cash for both EFAF and SLAF is held by Surplus Money Investment Fund and generates investment income.

CEFA distinguishes operating revenues and expenses from nonoperating items. Operating revenues and expenses generally result from providing student loans.

### F. BUDGET

As enterprise funds, EFAF and SLAF are designed to be self-supporting, and are not considered a budgetary fund. The Education Code sections of the Act (E.C. 94100 et. Seq.) do not require annual budgets or establish appropriation limits. Section 94141 specifically limits expenses to moneys from revenues generated by operations.

### G. CASH AND CASH EQUIVALENTS

CEFA considers all short-term investments with an original maturity of three months or less to be cash equivalents.

### H. RISK MANAGEMENT

CEFA is an enterprise fund of the State of California, which is primarily self-insured against loss or liability. The State generally does not maintain reserves; losses are covered by appropriations in the year in which the payment occurs. CEFA has not had any claims subject to this coverage in the last ten years. Additional disclosures are presented in the basic financial statements of the State of California.

### I. DEFERRED CHARGES

Deferred charges are bond issuance costs and discounts that are being amortized over the life of the bonds, generally 20 years for the Cal Loan bond and 30 years for the Cal Edge bond.

# CALIFORNIA EDUCATIONAL FACILITIES AUTHORITY

## NOTES TO FINANCIAL STATEMENTS JUNE 30, 2009 AND 2008

---

### J. NET ASSETS

Net assets are restricted by enabling legislation for the purposes of providing student loans, financing of grants to eligible colleges for outreach programs, and issuing revenue bonds to assist private non-profit institutions of higher learning in the expansion and construction of educational facilities.

### K. USES OF ESTIMATES TO PREPARE FINANCIAL STATEMENTS

Management uses estimates and assumptions in preparing financial statements in accordance with accounting principles generally accepted in the United States of America. Those estimates and assumptions affect the reported amount of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenues and expenses. Actual results could vary from the estimates that were assumed in preparing the financial statements.

## 2. CASH AND INVESTMENTS

### A. GENERAL

Cash and investments at June 30, are classified in the accompanying financial statements as follows:

	<u>2009</u>	<u>2008</u>
Cash and Investments in State Treasury	\$ 12,294,067	\$ 12,017,952
Cash and Investments with Fiscal Agent	5,148,995	10,071,171

## NOTES TO FINANCIAL STATEMENTS JUNE 30, 2009 AND 2008

### B. STATE TREASURY

CEFA invests excess cash funds in the Surplus Money Investment Fund (SMIF). All of the resources of SMIF are invested through the Pooled Money Investment Account (PMIA). The PMIA investment program is designated by the Pooled Money Investment Board and is administered by the office of the State Treasurer. As of June 30, 2009 and 2008, CEFA invested funds in SMIF in the amount of \$12,293,000 and \$12,016,000, respectively.

Additional disclosure detail required by Government Accounting Standards Board Statement No. 3, No. 31, No. 40, and GASB Technical Bulletin 94-1, regarding cash deposits and investments, are presented in the financial statements of the State of California for the years ended June 30, 2009 and 2008.

### C. FISCAL AGENTS

CEFA has invested proceeds from its student loan program in trust indentures held by two commercial banks: The Bank of New York and Union Bank of California. Cash and investments of the trusts are restricted and are being held to make student loans, repay bond debt, finance program expenditures, and maintain reserves.

Investment of debt proceeds by fiscal agents are governed by provisions of the debt agreements, rather than the general provisions of the California Government Code or the State of California's investment policy. The table below identifies the investment types that are authorized for investments held by CEFA's fiscal agents. The table also identifies certain provisions of these debt agreements that address interest rate risk, credit risk, and concentration of credit risk.

**CALIFORNIA EDUCATIONAL FACILITIES AUTHORITY**

**NOTES TO FINANCIAL STATEMENTS  
JUNE 30, 2009 AND 2008**

Changes in market interest rates will adversely affect the fair value of an investment, resulting in interest rate risk. Generally, the longer the maturity of an investment, the greater the sensitivity of its fair value to changes in market interest rates. One of the ways to manage exposure to interest rate risk is by purchasing a combination of shorter term and longer term investments and by timing cash flows from maturities so that a portion of the portfolio is maturing or coming close to maturity evenly over time as necessary to provide the cash flow and liquidity needed for operations. The interest rate risk inherent in a portfolio can be measured using the weighted average maturity of the portfolio. The debt agreements have no specific limitations with respect to this metric.

Funds can be withdrawn from Cal Loan's and Cal Edge's guaranteed investment contracts with a two-day notice. Funds can be withdrawn from all of the money market accounts daily.

CEFA's investments as of June 30 are stated at fair value and are summarized below.

**5. BONDS PAYABLE**

The detail of the bonds payable is as follows:

5.55% Term Series 1998 Bonds, due April 1, 2028. Student loan revenue bonds (Cal Edge). Interest due semi-annually, payable from revenues and recoveries of principal, including all receipts with respect to student loans financed pursuant to the indenture.	\$ 7,105,000
5.10% Term Series 2001 A Bonds, due March 1, 2014. Student loan revenue bonds (Cal Loan). Interest due semi-annually, payable from revenues and recoveries of principal, including all receipts with respect to student loans financed pursuant to the indenture.	5,000,000
5.40% Term Series 2001 A Bonds, due March 1, 2021. Student loan revenue bonds (Cal Loan). Interest due semi-annually, payable from revenues and recoveries of principal, including all receipts with respect to student loans financed pursuant to the indenture.	<u>10,000,000</u>
Total Bonds Payable	<u>\$ 22,105,000</u>

Both Cal Edge and Cal Loan are interest only bonds with no principal payments due until maturity. During 2009 principal payments of \$1,210,000 and \$7,000,000 were made for the Cal Edge Series 1998 Bonds and the Cal Loan Series 2001A Bonds, respectively. During 2008, a principal payment of \$1,960,000 was made for the Cal Edge Series 1998 Bonds.

CEFA has pledged future student loan revenue, which includes payments, proceeds, charges and other cash income received in account of, or with respect to, any student loan, net of specified operating expenses, to repay \$22,105,000 million in revenue bonds as described above. The bonds are payable solely from student loan net revenues and are payable through 2028. Annual principal and interest payments on the bonds are expected to require approximately 100 percent of net revenues, as the bonds are subject to mandatory accelerated redemption provisions. The total principal and interest remaining to be paid on the bonds is \$37,845,111. Principal and interest paid for the current year and total student loan net revenues were \$9,898,419 and \$5,499,325, respectively.

### 6. RETIREMENT PLAN

CEFA is a participant in the State of California's Public Employees' Retirement System (CalPERS), which is a defined benefit, agent multiple-employer contributory retirement plan. Since all State agencies are considered collectively to be a single employer, the actuarial present value of vested and non-vested accumulated plan benefits attributable to CEFA's employees cannot be determined. The significant actuarial assumptions used to compute the actuarially determined State contribution requirements are the same as those used to compute the State pension benefit obligation as defined by CalPERS. Generally, full-time and permanent part-time employees are eligible to participate in CalPERS. Depending upon the plan option selection, benefits vest after five or ten years of service. Participants are eligible for service retirement after age 50 or 55 and must have five or ten years of CalPERS credited service, depending upon the tier of participation. The plan provides retirement and disability benefits, annual cost-of-living adjustments, and death benefits to plan members and beneficiaries. Benefit provisions are established by state statutes, as legislatively amended, within the Public Employees' Retirement Law. The amount of pension contributions by CEFA to CalPERS is actuarially determined under a program wherein contributions plus the expected earnings of CalPERS will provide the necessary funds to pay the earned benefits of the employees when due. The total payroll of CEFA is covered.

CEFA's contributions to CalPERS for the years ended June 30, 2009 and 2008 were \$35,760 and \$40,037, respectively. Participant contributions range from zero to six percent of their salary depending on the tier of participation. The excess of plan assets over vested and unvested benefits at June 30, 2009 and 2008 was not available. Such information is available for CalPERS as a whole, which is audited annually by other independent auditors. CalPERS issues a separate comprehensive annual financial report that includes financial statements and required supplementary information. Copies of the CalPERS annual financial report may be obtained from the CalPERS Executive Office, 400 P Street, Sacramento, California 95814.

Additional disclosure detail required by Government Accounting Standards Board Statement No. 25, No. 27, and No. 50, regarding the defined benefit plan are presented in the financial statements of the State of California for the year ended June 30, 2009.

### 7. POST-RETIREMENT BENEFITS (OPEB)

The State of California (the State) provides health care and dental benefits to annuitants of retirement systems to which the State contributes as an employer. A portion of the State's post-retirement benefit costs have been allocated to CEFA as follows:

Annual required contribution	\$	0
Interest on net OPEB obligation		0
Adjustment to annual required contribution		0
Annual OPEB cost (expense)		<u>0</u>
Contributions made		<u>0</u>
Increase in net OPEB obligation		0
Net OPEB obligation – beginning of year		<u>48,000</u>
Net OPEB obligation – end of year	\$	<u>48,000</u>

Additional disclosure detail required by Government Accounting Standards Board Statement No. 45, regarding post-retirement benefits are presented in the financial statements of the State of California for the year ended June 30, 2009.

### 8. CONDUIT FINANCING PROGRAMS

CEFA acts as a conduit by assisting eligible private nonprofit institutions of higher learning in obtaining financing through the issuance of revenue bonds. The financings are secured by the full faith and credit of the participating institutions, and CEFA is not responsible for payment on any financing. As a result, the financing obligations are not recorded in CEFA's financial statements. The borrowers' obligations generally are, but need not be, secured by insurance, a letter of credit or guaranty.

As of June 30, 2009 and 2008, there were \$4,442,222,183 and \$3,835,681,229, respectively, in conduit financings outstanding.
