A. Purpose and Description of Services

1. Introduction

CHFFA is requesting proposals from firms with expertise in the financial analysis of non-profit health facilities that seek to participate in the various financial programs offered by CHFFA, including taxable or tax-exempt bonds, grants, and low cost, low interest loans (hereinafter “programmatics” or “programs”). The financial analysis firm (“firm”) will provide financial review, analysis and advice, as well as perform a variety of tasks related to CHFFA program operations on an as-needed basis. All proposals submitted to perform these services must explain the experience and qualifications demonstrating the firm’s ability to provide these services. Failure to provide the required information may result in disqualification.

The firm selected must be technically and professionally capable of providing the services in all subject areas described in Section A, Item 2, Scope of Work, and meet the Minimum Qualifications for Proposers in Section B. The firm must be free from actual conflicts of interest not only at the time of selection, but also throughout the term of the contract. CHFFA anticipates a July 1, 2021 contract start date, pending approval by the Department of General Services (“DGS”), and the firm must be available at that time to assume services. CHFFA anticipates entering into a two-year contract with a one-year option to renew for the described services.

CHFFA Program Description

Established in 1979 pursuant to statute, the California Health Facilities Financing Authority (the “Authority”) is a public instrumentality of the State of California and is authorized and empowered by the provisions of the California Health Facilities Financing Authority Act (the “Act”) to issue revenue bonds to finance the construction, expansion, remodeling, renovation, furnishing, equipping, and acquisition of health facilities provided by or operated by participating health institutions (including by reimbursing expenditures made or refinancing indebtedness incurred for such purposes). The Authority also provides low interest direct loans to certain small or rural health facilities through the Healthcare Expansion Loan Program (HELP II) and it administers the Children’s Hospital Bond Acts of 2004, 2008, and 2018, the Tax-Exempt Equipment Financing Program, the Investment in Mental Health Wellness Grant Program, the Investment in Mental Health Wellness Grant Program for Children and Youth, and the Community Services Infrastructure Grant Program.

Health facilities eligible for funding include acute care hospitals, skilled nursing facilities, community clinics, adult day health facilities, and intermediate care facilities, among others. To be eligible for financing, an applicant must be a city, city and county, county, district hospital, or a private non-profit corporation or association, authorized by the laws of California to operate a health facility and to undertake the financing or refinancing of a project.

In April 2020, the Authority approved two programs to provide financial assistance to qualifying health facilities in the state of California adversely impacted by the COVID-19 pandemic. The COVID-19 Emergency HELP Loan Program (COVID-19 Program) provides interest-free loans, up to \$250,000 for qualifying health facilities. The Authority allocated \$5 million from the HELP II Loan Program for the COVID-19 Program. In addition, the Authority offers the HELP II Loan Program Debt Service Payment Deferrals, whereby borrowers impacted by the pandemic may request a one-time deferral of HELP II principal and interest payments for up to three months. The Authority developed a COVID-19 Task Force with various stakeholders to explore and identify financial assistance relief programs, mechanisms and avenues to alleviate the hardship caused by the pandemic.

Bond financings are usually brought to the Authority by an investment banking (underwriting) firm that serves as senior manager for the financing. Staff works together with the financing team to prepare the application for presentation to the Authority board members. The Authority board meets monthly if there are applications or action items on the Authority's monthly agenda. The Authority consists of nine members, including the State Treasurer who serves as Chairman, the State Controller, the Director of Finance, two members appointed by the Senate Rules Committee, two members appointed by the Speaker of the Assembly, and two members appointed by the Governor subject to confirmation by a majority vote of the Senate.

2. Scope of Work

The firm selected is expected to assist CHFFA on an as-needed basis to perform a wide variety of tasks throughout the proposed contract period. At the direction of CHFFA, timelines will be established upon assignment and materials will be provided to the contractor (via electronically or hard copy). These services may include the following:

- a) Assist CHFFA in reviewing applications for financing to determine eligibility, credit-worthiness and adequacy of documentation, which shall include reviewing and providing a written analysis and recommendation on audited and interim financial statements, debt capacity analyses, financial feasibility studies, and other processes used to determine the financial viability of a proposed project or financing.
- b) Provide consultation to CHFFA staff regarding the financial condition of the proposed financings, including participating in meetings with applicants, auditors and CHFFA staff, as necessary.
- c) Upon request of the Executive Director or Deputy Executive Director, attend CHFFA board meetings in Sacramento, California, or alternative locations as designated, and provide oral and written analyses regarding the financial condition of the proposed borrowers.
- d) Analyze annual audited or interim financial statements and other financial reports relative to CHFFA borrowers. Make recommendations for corrective or supplemental action as necessary, and participate with CHFFA staff in presenting or implementing such recommendations.
- e) Review and provide written analyses, on an as-needed basis, of trustee statements provided to CHFFA for all outstanding bond issues. Analysis shall include the performance of detailed audits of trustee held funds and accounts, periodic billings to borrowers, redemption procedures, and any other functions performed by the trustee with respect to CHFFA bond issues.
- f) Assist in the monitoring of the performance or status of existing borrowers, such as changes in ratings by nationally recognized rating agencies, acquisitions, mergers, expansion projects or any other significant operational changes of interest to CHFFA.
- g) As needed, assist CHFFA with post-issuance tax compliance policy and procedures in connection with tax-exempt bonds or other obligations issued by CHFFA.
- h) Provide guidance on all CHFFA programs, including conduit bond financing, loan and grant programs.
- i) Provide annual accounting training to CHFFA staff on the review of financial statements.

- j) Prepare and present special reports, analyses or studies on subjects selected by CHFFA, which fall within the training and experience of the firm; and prepare and present annual reports of CHFFA bond issues and other programs.
- k) Assist CHFFA staff in their continuing efforts to improve operational efficiency, including processes, procedures and computer applications relative to the monitoring of all the programs.
- l) In all respects, represent the best interests of CHFFA and the State of California in all transactions and proceedings by strict adherence to the statutory conflict of interest laws of California (as defined in Exhibit E, item #1), as well as prohibiting a partner or employee of the firm, who has provided audit or other services to an entity, from simultaneously serving as a financial analyst to CHFFA in a proceeding in which the entity is the borrower seeking CHFFA's approval for bond issuance, grant or loan.
- m) Be available during regular business hours, either by phone or in person, for consultations with CHFFA staff, which may require travel to the office of CHFFA or other locations as necessary.

3. Term of Agreement

The term of this agreement will be for a two-year period with a dollar value not to exceed \$250,000. There will be an option to extend the agreement for one year. In addition, due to the sensitivity of the duties performed by the Financial Analyst, this contract will allow, if necessary and in the sole discretion of the State, an extension of time (not to exceed one year) for project or bond transaction completion prior to or during any transition to a new contractor. The effective date of this agreement is either the term start date of July 1, 2021 or the approval date by the Department of General Services, whichever is later. No work shall commence until the effective date.

The firm should have extensive background in both accounting/auditing of health facilities and the municipal financing process. The firm's response in the proposal to this section will be used in the evaluation process (Section C, Item 4, Evaluation Process). The proposal should be organized in the format shown below and contain all of the information listed or requested below.

- a) Experience as a financial analyst for tax-exempt non-profit healthcare facilities and to state or local governmental issuers of bonds - Please discuss the firm's overall experience and how it demonstrates the firm's ability to successfully complete Section A, Item 2, Scope of Work. Experience should include services provided within the last ten years to other conduit issuers of tax-exempt bonds for the benefit of health facilities, as well as services provided directly to such borrowers. Also include your firm's experience as a financial analyst to any state or local governments for the issuance of bonds, both public offerings and private placements. Include any financial analyst service to public entities and health facilities with respect to capital financings and to California public entities in particular.

Please provide a detailed list of the financial analyst services the firm has provided (by client or transaction). Also include, if any, experience with the preparation and presentation of informative reports pertaining to the financing of non-profit health facilities including equipment financings. Please indicate if the financial analyst service provided was transaction specific or for a contracted period. Include your firm's knowledge of developing state and national healthcare financing trends.

Please include staff of subcontractors (if any). Please include resumes of personnel.
- d) References - Please submit a list of three references for services performed within the last five years, which are similar to the scope of work to be performed in this contract.

B) Cost Detail Format and Requirements

Services to CHFFA would be on an as-needed basis, depending upon the volume of bond financing applications received and other requirements of CHFFA. CHFFA reserves the right to cap fees paid on individual transactions.

Professional Services – The blended hourly rate for professional services will be an average of the hourly rate for all professionals expected to provide services under this anticipated contract (Partner, Managing Directors, Associate, etc.), not including support services or for training of staff. The blended hourly rate will be the hourly rate your firm will be paid for professional services if awarded the contract. Your proposal must identify lead personnel and identify all staff to be covered under “professional services” in the blended hourly rate. It is the responsibility of the firm to determine the blended hourly rate, based upon the expected participation of various professionals with your firm. **Support services cannot be billed under professional services. CHFFA will not reimburse contractor for support services performed by professional staff (support services defined below).**

Support Services – Support services are services that do not require the focus of professional staff. This component includes ministerial work and administrative services such as typing, copying, faxing, mailing, other preparation of correspondence, and aspects of research that may be appropriately handled by support staff. Please provide the hourly rate for support services. The support services rate must not be averaged into the professional services blended hourly rate. The support services rate will be the hourly rate your firm will be paid for support services if awarded the contract. **If the firm does not provide a rate for support services or indicates that the rate is zero dollars, the firm will not be reimbursed for support services.**

Point Award Formula

The professional services blended hourly rate and the support services hourly rate is the rate the firm will be paid for services for the two-year contract and the one-year option to renew, including any extensions for project or bond transaction completion.

The following formula will be used for the award of the points for the professional services blended hourly rate and for the support services hourly rate:

- Lowest total cost proposal for professional services blended hourly rate will be awarded 25 points.

Proposals are awarded points for professional services blended hourly rate based on the following calculation:

(Lowest bidder's professional services blended hourly rate proposal/Bidder's professional services blended hourly rate proposal) = (factor)

Professional services blended hourly rate points for bidder = (factor) X Maximum professional services blended hourly rate points

EXAMPLE: A maximum of 25 points is available for professional services blended hourly rate

Lowest Bidder's Professional Services Blended Hourly Rate Proposal = \$150/hr

Bidder's Professional Services Blended Hourly Rate Proposal = \$200/hr

(Lowest bidder's professional services blended hourly rate proposal/Bidder's professional services blended hourly rate proposal) = $\$150/\$200 = \frac{3}{4}$

Professional services blended hourly rate points awarded to bidder = $\frac{3}{4} \times 25 = 18.75$ points

- Lowest total cost proposal for hourly rate for support services will be awarded 5 points.

The same formula will be used for the support services hourly rate with a maximum of 5 points available.

(Lowest bidder's support services hourly rate proposal/Bidder's support services hourly rate proposal) = (factor)

Support services hourly rate points for bidder = (factor) X maximum support services hourly rate points

The firm must submit cost for services regarding this RFP as follows:

- **Blended hourly rate for professional services** = **\$/hr.**
- **Hourly rate for support services** = **\$/hr.**

Maximum hours billable for travel to CHFFA may not exceed two hours each way, unless written prior approval is obtained from CHFFA. Travel (lodging, transportation, and per diem) expenses shall not exceed the rates payable to State employees.

Authorized actual expenses incurred, not including travel as outlined above, will be capped at \$300.00 for the entire term of the contract (including any term extensions), including postage, mailing, courier, and printing/reproduction costs unless written prior approval is obtained from CHFFA. CHFFA will not reimburse the printing of or the copying of electronically received/delivered documents for contractor's in-house use. Actual expenses must be itemized and

receipts must be attached to invoice. **Support services (hourly rate) cannot be billed under this cap.**

- q) Before submitting a response to this solicitation, firms should review, correct all errors, and confirm compliance with the RFP requirements.

- s) More than one proposal from an individual, firm, partnership, corporation or association under the same or different names, will not be considered.

4. Evaluation Process

- a. At the time of proposal opening, each proposal will be checked for the presence or absence of required information in conformance with the submission requirements of this RFP. The absence of required information will cause a proposal to be deemed nonresponsive and may result in the proposal’s disqualification.
- b. Proposals that contain false or misleading statements, or which provide references which do not support an attribute or condition claimed by the proposer, may be rejected.
- c. Award, if made, will be to the responsible firm with the responsive proposal earning the highest score.
- d. Responsive proposals will be reviewed and scored by an evaluation committee according to the rating/scoring criteria indicated below.

	Proposal Rating / Scoring Criteria	Maximum Possible Points
1.	Experience as a financial analyst for tax-exempt non-profit health facilities and to state or local governmental issuers of bonds.	30 Points
2.	Experience providing accounting/auditing services for audited annual financial statements for non-profit health facilities and to state or local governments.	20 Points
3.	Qualification of Personnel	20 Points
4.	Cost	30 Points
	Total Possible Points	100 Points

- b) The following point scale will be used to score the firm’s response to each scored category except with regard to costs:

Percent of Maximum Score Allotted to Particular Weighted Criterion

- 100%– Excellent response backed by demonstrated ability
- 85% – Good response backed by demonstrated ability
- 75% – Fair response backed by demonstrated ability
- 60% – Poor response
- 0% – Bidder does not demonstrate ability

- c) Proposals that contain false or misleading statements, or which provide references, which do not support an attribute or condition claimed by the proposer, may be rejected.
- d) Contract award, if any, will be made to the highest scoring responsive and responsible proposer.

Tiebreaker – In the event two (2) or more responsive and responsible proposers earn the highest score, the contract will be awarded to the responsive and responsible firm earning the higher score in experience as a financial analyst for tax-exempt non-profit health facilities and to state or local governmental issuers of bonds. If the scores for experience as a financial analyst for tax-exempt non-profit health facilities and to state or local governmental issuers of bonds are

the same, the contract will be awarded to the responsive and responsible proposer earning the higher score for qualification of personnel. If the scores for qualification of personnel are the same, the contract will be awarded to the responsive and responsible proposer earning the higher score for cost.

5. Award and Protest

- a) Notice of the proposed award shall be posted in a public place at the office of the California Health Facilities Financing Authority, 915 Capitol Mall, Room 435, Sacramento, CA 95814 and on the following Internet site for five (5) working days prior to awarding the agreement: <http://www.treasurer.ca.gov/chffa>.
- b) If any firm, prior to the award of agreement, files a protest with CHFFA and the Department of General Services, Office of Legal Services, 707 Third Street, 7th Floor, Suite 7-330, West Sacramento, CA 95605, on the grounds provided under Public Contract Code section 10345(b), the agreement shall not be awarded until either the protest has been withdrawn or the Department of General Services has decided the matter. It is suggested that the firm submit any protest by certified or registered mail.
- c) Within five (5) days after filing the initial protest, the protesting firm shall file with the Department of General Services, Office of Legal Services, and CHFFA a full and complete statement specifying the grounds for the protest.
- d) Upon award of the agreement, and annually thereafter throughout the term of the agreement, the selected firm will be required to comply with the Political Reform Act and file a Statement of Economic Interest (Form 700, Fair Political Practices Commission). This form will be provided to the awarded firm upon award of the agreement and must be returned to CHFFA upon execution of the contract.

6. Disposition of Proposals

- a) Upon proposal opening, all documents submitted in response to this RFP will become the property of CHFFA and the State of California, and will be regarded as public records under the California Public Records Act (Government Code Section 6250 et seq.) and subject to review by the public.
- b) Proposal packages may be returned only at the firm's expense, unless such expense is waived by CHFFA.

7. Agreement Execution and Performance

- a) Performance shall start not later than 30 days, or on the express date set by CHFFA and the selected firm, after all approvals have been obtained and the agreement is fully executed. Should the firm fail to commence work at the agreed upon time, CHFFA, upon five (5) days written notice to the firm, reserves the right to terminate the agreement. In addition, the firm shall be liable to CHFFA for the difference between the firm's proposal price and the actual cost of performing work by another contractor.
- b) All performance under the agreement shall be completed on or before the termination date of the agreement.

D) Preference Programs and DVBE

1. Small Business/Microbusiness Preference – <https://www.dgs.ca.gov/PD/Resources/Page-Content/Procurement-Division-Resources-List-Folder/How-to-do-business-with-the-state-of-California> (SB/DVBE) (If there are any inconsistencies herein with the applicable statutes, regulations, and State Contracting Manual, the statutes, regulations, and State Contracting Manual shall supersede.).

A five percent (5%) preference will be applied to certified small businesses submitting proposals for this RFP. To obtain the preference, Proposer must either be certified as a small business and submit a copy of their certification approval letter from DGS / Office of Small Business and DVBE Services (OSDS) or submit a complete application for certification to DGS / OSDS by 5:00 p.m. PT on the proposal due date. However, the proposed winning Proposer must be a certified small business at the time of contract award. The 5% preference is used only for computation purposes to determine the winning Proposer and does not alter the amounts of the resulting contract.

Once each proposal has been scored, if the highest scored proposal is from a non-certified small business, then 5% of the highest scoring proposal is added to the total “earned” points for each proposal submitted by a certified small business. These final numbers, with the 5% included, are then used to determine the highest scoring proposal.

Questions regarding the small business certification or preference approval should be directed to the OSDS at (916) 375-4940 or can be found online at: <https://www.dgs.ca.gov/PD/Resources/Page-Content/Procurement-Division-Resources-List-Folder/How-to-do-business-with-the-state-of-California>

2. Non-Small Business Preference – <https://www.dgs.ca.gov/PD/Resources/Page-Content/Procurement-Division-Resources-List-Folder/How-to-do-business-with-the-state-of-California>

A five percent (5%) preference is available to a non-small business claiming twenty-five percent (25%) California certified small business subcontractor participation. If claiming the non-small business subcontractor preference, the proposal must include a list of the small business(es) with which the Proposer commits to subcontract in an amount of at least 25% of the net proposal price with one or more California certified small businesses. Each listed certified small business must perform a "commercially useful function" in the performance of the contract as defined in Government Code Section 14837(d)(4).

The required list of California certified small business subcontractors must be attached to the proposal and must include the following: 1) subcontractor name, 2) address, 3) phone number, 4) a description of the work to be performed and/or products supplied; and 5) the dollar amount or percentage of the net bid price (as specified in the solicitation) per subcontractor.

Proposers claiming the 5% preference must commit to subcontract at least 25% of the net proposal price with one or more California certified small businesses. Completed certification applications and required support documents must be submitted to the OSDS no later than 5:00 p.m. on the proposal due date. Questions regarding certification should be directed to the OSDS at (916) 375-4940 or can be found online at <https://www.dgs.ca.gov/PD/Resources/Page-Content/Procurement-Division-Resources-List-Folder/How-to-do-business-with-the-state-of-California>

The preference to a non-small business firm that commits to California certified small business subcontractor participation of 25% of its net proposal price shall be 5% of the highest scoring proposal. CALIFORNIA DISABLED VETERAN BUSINESS ENTERPRISE (DVBE) PARTICIPATION GOAL PROGRAM INSTRUCTIONS

DVBE PARTICIPATION REQUIREMENT. The Disabled Veteran Business Enterprise (DVBE) Participation Goal Program for State contracts is established in Public Contract Code (PCC) section 10115 et seq., Military and Veterans Code (MVC) section 999 et seq., and California Code of Regulations (CCR), title 2, section 1896.60 et seq. This solicitation DOES NOT include a minimum DVBE participation requirement. DVBE participation is NOT required in the bid or proposal. However, a DVBE incentive will be applied as provided below.

DVBE INCENTIVE. The State will apply a DVBE incentive for responsive bids or proposals (herein “bid” or “bids”) from responsible bidders that propose DVBE participation. The DVBE incentive will vary in relation to the percentage of confirmed DVBE participation. The following percentages shall apply.

Confirmed DVBE Participation of	DVBE Incentive
5% and above	5%
4% to 4.99% inclusive	4%
3% to 3.99% inclusive	3%
2% to 2.99% inclusive	2%
1% to 1.99% inclusive	1%

As applicable:

(1) Awards based on low price – The DVBE incentive is applied by reducing the bid price by the amount of DVBE incentive as computed from the lowest responsive bid price submitted by a responsible bidder. The DVBE incentive is for evaluation purposes only. Application of the DVBE incentive shall not displace an award to a small business with a non-small business.

(2) Awards based on high score – The DVBE incentive is a percentage of the total possible available points, not including points for socioeconomic incentives or preferences. The DVBE incentive points are included in the sum of non-cost points. The DVBE incentive points cannot be used to achieve any applicable minimum point requirements.

Bidders who have been certified by California as a DVBE (or who are bidding rental equipment and have obtained the participation of subcontractors certified by California as a DVBE) must also submit a completed form STD. 843 (Disabled Veteran Business Enterprise Declaration). All disabled veteran owners and disabled veteran managers of the DVBE(s) must sign the form(s). Should the form not be included with the solicitation, contact the State contracting official or obtain a copy at the following website: www.documents.dgs.ca.gov/pd/poliproc/STD-843FillPrintFields.pdf. The completed form should be included with the bid response.

At the State’s option prior to award, bidders may be required to submit additional written clarifying information. Failure to submit the requested written information as specified may be grounds for bid rejection.

SPECIAL TERMS AND CONDITIONS

1. Excise Tax

The State of California is exempt from federal excise taxes, and no payment will be made for any taxes levied on employees' wages. The State will pay for any applicable State of California or local sales or use taxes on the services rendered or equipment or parts supplied pursuant to this Agreement. California may pay any applicable sales and use tax imposed by another state.

2. Settlement of Disputes

In the event of a dispute, Contractor shall file a "Notice of Dispute" with a Deputy Treasurer of the State Treasurer's Office within ten (10) days of discovery of the problem. Within ten (10) days, the Deputy Treasurer shall meet with the representatives of Contractor and the State identified in Paragraph 3 of Exhibit A for purposes of resolving the dispute. The decision of the Deputy Treasurer shall be final.

3. Evaluation of Contractor

Pursuant to Public Contract Code sections 10367 and 10369 within sixty (60) days after the completion of this Agreement, the State shall complete a written evaluation of Contractor's performance under this Agreement. If this Agreement is a contract for consultant services and if Contractor did not satisfactorily perform the work, a copy of the evaluation will be sent to the Department of General Services (DGS), Office of Legal Services, and to the Contractor within fifteen (15) working days of the completion of the evaluation in accordance with Public Contract Code section 10371.

4. No Agency Liability

The Contractor warrants by execution of this Agreement that no person or selling agency has been employed or retained to solicit or secure this Agreement upon agreement or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by the Contractor for the purpose of securing business. For breach or violation of this warranty, the State shall, in addition to other remedies provided by law, have the right to annul this Agreement without liability, paying only for the value of the work actually performed, or otherwise recover the full amount of such commission, percentage, brokerage, or contingent fee.

The Contractor agrees to be as fully responsible to the State for the acts and omissions of its subcontractors and of persons either directly or indirectly employed by any of them as it is for the acts and omissions of persons directly employed by the Contractor. The Contractor's obligation to pay its subcontractors is an independent obligation from the obligation of the State to make payments to the Contractor. As a result, the State shall have no obligation to pay or to enforce the payment of any moneys to any subcontractor.

6. Force Majeure

**EXHIBIT D
(Standard Agreement)**

Neither party to this Agreement shall be liable for damages resulting from delayed or defective performance when such delays arise out of causes beyond the control and without the fault or negligence of the offending party. 9. Confidentiality

These members of Contractor's staff shall be hereafter referred to (both individually and collectively) as "Key Personnel."
- b. Contractor shall not substitute, replace or reassign Key Personnel without _____ the prior approval of the State.
- c. This Agreement may be terminated immediately, in the sole discretion of the State and upon written notice from the State to Contractor, because of any change in or departure of any of the Key Personnel.

18. Subcontractors

- a. Contractor shall perform the work contemplated by this Agreement with resources available within its own organization except for subcontracted work identified in this Agreement or other attachment incorporated hereto. No other portion of the work pertinent to this Agreement shall be subcontracted without written authorization by the State. The subcontractor must be mutually agreed upon in advance by both parties.
- b. Contractor shall require that any subcontractor agree to be bound by all provisions of this Agreement, as applicable.

19. Notice of Proceedings

Contractor shall promptly notify the State in writing of any investigation, examination or other proceeding involving Contractor, including any Key Personnel, commenced by any regulatory agency, which proceeding is not conducted in the ordinary course of Contractor's business.

20. Cumulative Remedies

The rights and remedies provided herein are cumulative and are not exclusive of any rights or remedies that any party may otherwise have at law or in equity.

21. Binding Effect

24. Agreement Does Not Violate Law

**EXHIBIT D

Contractor represents and warrants that neither the execution of this Agreement nor the acts contemplated hereby nor compliance by Contractor with any provisions hereof will:

- a. Violate any provision of the charter documents of Contractor;
- b. Violate any statute or law or ordinance or any judgment, decree, order, regulation or rule of any court or governmental authority applicable to Contractor; or
- c. Violate, or be in conflict with, or constitute a default under, or permit the termination of, or require the consent of any person under, any agreement to which Contractor may be bound, the violation of which in the aggregate would have a material adverse effect on the properties, business, prospects, earnings, assets, liabilities or condition (financial or otherwise) of Contractor.

25. Power and Authority

Contractor represents and warrants that it has the power and authority to enter into this Agreement and to carry out its obligations hereunder. The execution of this Agreement has been duly authorized by Contractor and no other proceeding on the part of Contractor is necessary to authorize this Agreement. Contractor has completed, obtained and performed all registrations, filings, approvals, authorizations, consents or examinations required by any government or governmental authority for its acts contemplated by this Agreement.

26. Signature Authorization

27. Entire Agreement; Order of Precedence

This Agreement, including documents that have been incorporated in this Agreement by reference, contains all representations and the entire understanding between the parties hereto with respect to the subject matter hereof. Any prior correspondence, memoranda or agreements are replaced in total by this Agreement.
- b. Upon receipt of a termination notice, Contractor shall promptly discontinue all services affected unless the notice specifies otherwise. In the event the State terminates all or a portion of this Agreement for any reason, it is understood that the State will provide payment to Contractor for satisfactory services rendered prior to the termination, but not in excess of the maximum amount of this Agreement.

**EXHIBIT D
(Standard Agreement)**

29. Termination for Insolvency

Contractor shall notify the State immediately in writing in the event that Contractor files any federal bankruptcy action or state receivership action, any federal bankruptcy or state receivership action is commenced against Contractor, Contractor is adjudged bankrupt, or a receiver is appointed and qualifies. In the event of any of the foregoing events, or if the State determines, based on reliable information, that there is a substantial probability that Contractor will be financially unable to continue performance under this Agreement, the State may terminate this Agreement and all further rights and obligations immediately.

30. Completion

In the event of termination for default, the State reserves the right to take over and complete the work by contract or other means. In such case, Contractor will be liable to the State for any additional cost incurred by the State to complete the work whether reimbursed or not.

31. Effect of Termination

All duties and obligations of the State and Contractor shall cease upon termination of this Agreement, except that:

- a. Each party shall remain liable for any rights, obligations, or liabilities arising from activities carried on by it under this Agreement prior to the effective date of termination; and
- b. Contractor shall provide for the return of all records of the State to the State or its designee and shall cooperate fully to effect an orderly transfer of services.

32. Termination for Expatriation

Contractor shall notify the State immediately in writing in the event that Contractor or its parent files any notice with the Securities and Exchange Commission that Contractor intends to reincorporate offshore. In the event of such notice, the State may terminate this Agreement and all further rights and obligations immediately by giving five (5) days' notice in writing in the manner specified herein.

33. Compliance With Political Reform Act

Contractor acknowledges that the State is subject to the provisions of the Political Reform Act (Government Code section 81000 et seq. and all regulations adopted thereunder, including, but not limited to, California Code of Regulations, title 2, section 18700 et. seq.) and Contractor shall comply promptly with any requirement thereunder. If required by law, Contractor shall require its personnel, including without limitation, its Key Personnel all later substitutions therefore, to file Statements of Economic Interests in compliance with the Conflict of Interest Code for the Office of the State Treasurer and the various boards, authorities, commissions, and committees chaired by the State Treasurer (California Code of Regulations, title 2, section 1897). All such reports shall be filed simultaneously with the State.

EXHIBIT D
(Standard Agreement)

34. Darfur Contracting Act

Effective January 1, 2009, all Invitations for Bids (IFB) or Requests for Proposals (RFP) for goods or services must address the requirements of the Darfur Contracting Act of 2008 (Act). (Public Contract Code section 10475 et seq.) The Act was passed by the California Legislature and signed into law by the Governor to preclude State agencies generally from contracting with “scrutinized” companies that do business in the African nation of Sudan of which the Darfur region is a part, for the reasons described in Public Contract Code section 10475.

A scrutinized company is a company doing business in Sudan as defined in Public Contract Code section 10476. Scrutinized companies are ineligible to, and cannot, bid on or submit a proposal for a contract with a State agency for goods or services. (Public Contract Code section 10477(a).)

Therefore, Public Contract Code section 10478(a) requires a company that currently has (or within the previous three years has had) business activities or other operations outside of the United States to certify that it is not a “scrutinized” company when it submits a bid or proposal to a State agency. A scrutinized company may still, however, submit a bid or proposal for a contract with a State agency for goods or services if the company first obtains permission from DGS according to the criteria set forth in Public Contract Code section 10477(b).

35. Labor Neutrality Policy

CHFFA recognizes the value of labor organizing and encourages the entities with which it contracts to demonstrate that they also value this principle by encouraging management neutrality in labor organizing activities.

To remain “neutral” means not to take any action or make any statement that will directly or indirectly state or imply any support for or opposition to the selection by the Contractor’s employees of a collective bargaining agent, or preference or opposition to any particular union as a bargaining agent. Nothing in this section obligates or prohibits the Contractor from entering into private neutrality, labor peace or other lawful agreements with a labor organization seeking to represent or who currently represents the Contractor’s employees.

EXHIBIT E
(Standard Agreement)

ADDITIONAL PROVISIONS

1. CONFLICT OF INTEREST; NO PROFIT

- A. Contractor certifies that its employees and the officers of its governing body shall avoid any actual or potential conflicts of interest, and that no officer or employee who exercises any functions or responsibilities in connection with this Agreement shall have any personal financial interest or benefit which either directly or indirectly arises from this Agreement.
- B. Contractor shall establish safeguards to prohibit its employees or its officers from using their positions for a purpose which could result in private gain or which gives the appearance of being motivated for private gain for themselves or others, particularly those with whom they have family, business, or other ties.

2. POLITICAL REFORM ACT

Upon contract approval, and annually thereafter throughout the term of the contact, the selected firm will be required to comply with the Political Reform Act and to file a Statement of Economic Interest (Form 700, Fair Practices Commission).
