

CALIFORNIA HEALTH FACILITIES FINANCING AUTHORITY (“Authority”)
Investment in Mental Health Wellness Grant Program (“IMHWGP”) - 2nd Round
Fourth Amendment to Resolution Number MH 2014-23

County of Fresno
December 6, 2018

PURPOSE OF THE REQUEST:

The County of Fresno (the “County”) is requesting the Authority approve a fourth amendment to Resolution Number MH 2014-23 (second funding round) to amend the milestones and extend the grant period and resolution expiration dates from December 31, 2018 to April 30, 2019.

ISSUE:

The County is requesting an amendment to the milestone conditions and an extension of the grant period and resolution expiration dates due to a delay in obtaining its license to operate the Crisis Residential Treatment (“CRT”) program. The delay in the processing of the licensing application was due to the request of additional documentation. All necessary documentation has been submitted, and the licensing application is currently under review. Once the application is approved, a pre-licensure walkthrough of the facility will be scheduled. The County anticipates the CRT to be licensed and operational by February 28, 2019.

BACKGROUND:

On December 4, 2014, the Authority approved a Final Allocation for the County in an amount not to exceed \$3,100,714.60 to establish a 16-bed CRT program as part of the second funding round. Grant funds were approved for costs associated with construction only. The Authority has approved three previous requests on February 2016, May 2017, and April 2018, to extend grant period and resolution expiration dates for reasons including changes in the County’s administrative processes, increases in construction costs, and delays at various stages of construction. The County met its milestone conditions of starting construction by June 30, 2017 and securing a service provider by October 2017. Additionally, the construction of the CRT was completed on July 31, 2018.

RECOMMENDATION:

Staff recommends the Authority approve a fourth amendment to Resolution Number MH 2014-23 to amend the milestone conditions and extend the grant period and resolution expiration dates from December 31, 2018 to April 30, 2019, subject to the following amended milestone conditions:

1. The County must provide evidence acceptable to Authority staff demonstrating that the CRT is licensed and operational by February 28, 2019.
2. Funds shall not be disbursed if the County is unable to provide evidence acceptable to Authority staff that the CRT project is on track to be operational on or before February 28, 2019.
3. The County must submit all grant disbursement requests, including required supporting documentation, to the Authority no later than February 28, 2019.

All other conditions in the resolution shall remain the same and in full effect.
