Upon arrest for public intoxication, under the influence of a controlled substance, and multi-offense Driving Under the Influence, Justice-Involved Individuals are provided citations and released to treatment staff at The Recovery Center. Currently, The Recovery Center acts as a gateway to a continuum of care supported by County Services, public health providers, and Janus of Santa Cruz, connecting clients to the greater Medi-Cal system of care throughout the community. The relocation and expansion of The Recovery Center will expand client capacity by at least 20 percent, totaling an additional 430 clients annually.
