STAFF SUMMARY, ANALYSIS, AND RECOMMENDATION

I. PURPOSE OF FINANCING

Adventist is requesting the Authority to issue tax-exempt bonds in an amount not to exceed \$115 million for costs of construction, expansion, remodeling, renovation, furnishing, equipping, and/or acquisition of certain health facilities. Bond proceeds will also be used to pay costs of issuance for the bonds. Concurrently with the tax-exempt financing, Adventist will independently issue approximately \$300 million to \$400 million, subject to market conditions, in taxable corporate bonds. Taxable bond proceeds will be used to redeem balances currently outstanding on its line of credit and commercial paper program and to refund existing debt. The issuance of the tax-exempt and taxable bonds will help Adventist in its mission of transforming the health experience of its communities by improving physical, mental, and spiritual health; enhancing interactions; and making care more accessible and affordable.

Project Costs

Adventist plans to use funds for capital improvements across 12 of its hospital sites. Projects will include designing a new imaging suite with computerized tomography (CT) scan and magnetic resonance imaging (MRI) scan services; converting a fluoroscopy room into a C-Arm procedure room; converting an existing operating room into a new catheterization lab; expanding and/or adding operating rooms, exam rooms, and bed capacity; upgrading a nurse call system; expanding and/or upgrading various pharmacies; making improvements to a cancer service line; renovating and replacing endoscopy and fluoroscopy; and performing additional work to meet standards of the Office of Statewide Health Planning and Development 3 (now overseen by the Department of Health Care Access and Information) and Americans with Disabilities Act. Bond proceeds will also be used to purchase equipment, such as X-ray machines, CT and MRI scanners, nuclear medicine equipment, neuro equipment, operating room video equipment, sterile processing equipment, a surgical robot, lab equipment, biplane imaging system, surgery HVAC, and more.

Financing Costs ¹	720,150
------------------------------	---------

.

Financing costs include the underwriter's discount and will be paid with proceeds from the taxable bond issuance.

II. PROPOSED COVENANTS, SECURITY PROVISIONS AND DISCLOSURES

This executive summary and recommendations include minimum requirements. Additional or more stringent covenants or disclosures may be added following consultation with Authority staff but without further notification to the Authority's Board. These covenants and disclosures cannot be diluted or removed without subsequent review. If there have been modifications to the proposed covenants and disclosures following the preparation of this executive summary, staff will report it at the Board meeting.

After reviewing the Obligated Group's (defined below) credit profile, including its current financial profile, prior bond transactions, and considering what the market will support, Adventist; KNN Public Finance, LLC, the Authority's municipal advisor; and the underwriter have all concluded the covenants listed below should be applicable to this transaction, are consistent with covenants that have applied to the Obligated Group's prior bond transactions, and the Obligated Group's current financial situation does not suggest additional covenants should be required.

Obligated Group: Adventist acts as the representative of an Obligated Group that, upon issuance of the 2022 Bonds, will consist of Adventist and 17 affiliate members (Members), each of which operates hospitals and/or health facilities. All Members are jointly and severally liable on notes issued under the Master Indenture of Trust (Master Indenture) with respect to repayments of loan amounts relating to the Authority's bonds and other parity debt. Adventist is the borrower under the loan agreement and is bound by all covenants below. There is also a transaction test to be satisfied in connection with Members being added to or withdrawing from the Obligated Group.

The following covenants are applicable for this transaction:

Unconditional Promise to Pay. Adventist agrees to pay the Bond Trustee all amounts required for principal, interest, redemption premium, if any, and other payments and expenses designated in the Loan Agreement. The Obligated Group guarantees all those payments under a Master Indenture Note. All Revenues² received by or on behalf of the Authority and any other amounts held in designated funds or accounts under any Bond Indenture are pledged to secure the full payment of the Bonds issued under the Bond Indenture.

Pledge of Gross Revenues. Each Member of the Obligated Group pledges to deposit all Gross Revenues (as defined in Master Indenture) received into a Gross Revenue Fund over which the Master Trustee has a restricted account agreement for the benefit of each bond trustee and parity lender.

Negative Pledge Against Prior Liens. Each Obligated Group Member agrees not to create, assume, or permit any Lien upon the Operating Assets and Current Assets other than Permitted Liens.

_

² Capitalized terms are defined in the Indenture.

Limited Permitted Liens. Each Obligated Group Member is subject to a restrictive set of allowable liens or encumbrances it may incur pursuant to the Master Indenture.

No Debt Service Reserve. *The Bonds shall not be secured by a debt service reserve fund.*

Debt Service Coverage Requirement. The Master Indenture contains a debt service coverage requirement based on 1.10 times Maximum Annual Debt Service. A debt service coverage requirement is a ratio measuring ability to make interest and principal payments as they become due by assessing the amount of revenue available to meet long-term debt service payments. There is an Event of Default if debt service coverage ratio is below 1.0 times for two consecutive years.

Additional Debt Limitation. Each Obligated Group Member agrees not to incur additional Indebtedness unless authorized by various financial performance or projection measures set out in the Master Indenture.

Limitations on Mergers, Sales or Conveyances. Each Obligated Group Member agrees not to merge or consolidate with any other entity or sell or convey all or substantially all of its assets to any Person outside of the Obligated Group unless authorized by various limiting measures set out in the Master Indenture.

Limitations on Disposition of Operating Assets. Each Obligated Group Member agrees not to sell, lease, or dispose of any operating assets unless authorized by various limiting measures set out in the Master Indenture.

Comply with SEC Rule 15c2-12. Adventist will take action as is necessary to assist the underwriter in complying with SEC Rule 15c2-12. Adventist will contractually agree to disclose designated financial and operating information to the SEC website (EMMA) during the life of the 2022 bonds and to report designated "material events," such as missed debt service payments, any change in bond ratings, defeasance, redemptions, etc.

KNN Public Finance, LLC, the Authority's municipal advisor, has reviewed the bond documents associated with this financing package and found these documents and proposed guidelines to be acceptable.

^(a) Recalculates FY 2021 audited results to include the impact of this proposed financing.

Financial Discussion

Adventist's income statement appears to show increasing revenue during the review period from FY 2019 to FY 2021.

Adventist's total revenues and support increased by 14.9% from approximately \$4.5 billion in FY 2019 to approximately \$5.2 billion in FY 2021, driven primarily by patient service revenue. Patient service revenue increased from approximately \$4.1 billion in FY 2019 to \$4.7 billion for FY 2021. According to Adventist's management, the increase in patient service revenue is primarily due to growth in patient volume and new affiliations with Adventist Health Delano and Adventist Health Mendocino Coast.

As operating expenses exceeded revenues during each year of the review period, Adventist's operating margins were negative each year; from -2.1%, -1.6%, and -2.9% for FY 2019, FY 2020, and FY 2021, respectively. Total operating expenses increased by 15.8% from approximately \$4.6 billion in FY 2019 to approximately \$5.4 billion in FY 2021. Adventist's management explains the increase in total operating expenses was due to increases in employee compensation and contract labor from the COVID-19 pandemic. Adventist's management anticipates improving margins going forward to address financial performance with a focus on several strategic areas, including growth, revenue optimization, labor and benefits, length of stay, administrative cost structure, purchased services, supplies, and professional fees.

Adventist experienced impacts to both revenue and expenses due to the COVID-19 pandemic. Clinic visits and elective surgical volumes dropped as patients were directed or chose to stay home to avoid unnecessary exposure and labor costs increased as a result of shortages in nurses and support teams. To offset the financial impact of the COVID-19 pandemic, Adventist received funding from the Coronavirus Aid, Relief, and Economic Security (CARES) Act and the American Rescue Plan in the amounts of \$288 million and \$174 million in FY 2020 and FY 2021, respectively. Adventist has fully recognized these funds as other revenue as the terms and conditions of these grants have been met.

Adventist's balance sheet appears to have a solid financial position with a pro-forma FY 2021 net debt service coverage ratio of 1.77x.

Throughout the review period, Adventist maintained a consistently solid net debt service coverage ratio of 3.76x in FY 2019, 3.02x in FY 2020, and 3.13x in FY 2021. With the proposed new taxable and tax-exempt bond financing, the pro-forma FY 2021 net debt service coverage ratio continues to be solid at 1.77x.

Cash and cash equivalents decreased from \$482 million in FY 2019 to about \$261 million in FY 2020 while short-term investments decreased from \$356 million to \$176 million over the same time period. Adventist's management attributes this to an investment portfolio reallocation from cash and short-term investments to long-term investments, which includes investments such as fixed income and equity mutual funds along with individual marketable securities. Non-current investments increased from \$1.5 billion in FY 2019 to \$2.2 billion in FY 2020

Over the review period, Adventist's balance sheet increased with total assets increasing from approximately \$6.2 billion in FY 2019 to just about \$6.7 billion in FY 2021, an increase of approximately 6.9%. Adventist's management attributes the increase in total assets to increases in unrealized gains on investments of \$214 million and Medicare advance payments and deferred payroll taxes under the CARES act of \$240 million.

VII. BACKGROUND AND LICENSURE

Background

The health care system led by Adventist, doing business as Adventist Health, has a history with a commitment to delivering quality health care. This commitment stems back to 1866 with dedicated health care providers who promoted proper nutrition, exercise, and proper sanitation.

Adventist, headquartered in Roseville, is a nonprofit corporation created in 1980 when two smaller health systems, Adventist Health Services, Inc., and Northwest Medical Foundation, merged with the purpose to coordinate the management of health care facilities in the Western United States. Adventist currently serves communities in California, Hawaii, Oregon, and Washington with facilities ranging in size from 25 to 515 licensed acute care beds plus other bed categories, such as skilled nursing, ambulatory residential, and retirement housing. Adventist includes approximately 37,000 associates, including physicians, allied health professionals, and support services. Adventist owns or operates 23 hospitals, approximately 370 clinics (physician clinics, hospital-based clinics, and rural health clinics), 14 home care agencies, eight hospice agencies, one fully owned continuing care retirement community, and three joint-venture retirement centers.

Obligated Group

The Obligated Group consists of Adventist and 17 affiliate nonprofit hospital corporations,14 of which own and operate facilities in California, two in Oregon, and one in Hawaii. The Obligated Group is the central financing and credit vehicle for Adventist. The members of the Obligated Group are jointly and severally liable for substantially all of Adventist's debt under the terms of the Master Indenture.

SECTION 1. Pursuant to the Act, revenue bonds of the Authority designated as the "California Health Facilities Financing Authority Revenue Bonds (Adventist Health System/West), Series 2022A" (the "Bonds"), in a total aggregate principal amount not to exceed \$115,000,000, are hereby authorized to be issued from time to time, in one or more series, with such other name or names of the Bonds or series thereof as designated in any of the bond indentures pursuant to which the Bonds will be issued. The proceeds of the Bonds shall be used for any or all of the purposes set forth in the third recital above.

SECTION 2. The Treasurer of the State of California (the "Treasurer") is hereby authorized to enter into agreements to sell the Bonds in one or more series, on one or more sale dates at any time prior to the first anniversary of the date of this Resolution, at public or private sale, in such aggregate principal amounts (not to exceed the aggregate principal amount set forth in Section 1) and in such series, at such prices (so long as the discount on the Bonds sold shall not exceed 6 percent of the par value thereof) and at such interest rate or rates, and upon such other terms and conditions as the Treasurer, with the advice and consent of the Borrower, may determine. The Bonds shall, at issuance, be rated at investment grade by an active nationally recognized rating agency. The Bonds or any series of them may, at the sole option of the Borrower, be secured by deeds of trust, a reserve fund, bond insurance, credit facility, and other security arrangements and/or supported by one or more liquidity facilities.

- (ii) one or more Bond Indentures relating to the Bonds (collectively, the "Bond Indenture"), each between the Authority and U.S. Bank Trust Company, National Association, as bond trustee (the "Bond Trustee"),
- (iii) one or more Bond Purchase Agreements, including the exhibits thereto, relating to the Bonds (collectively, the "Purchase Agreement"), each among RBC Capital Markets, LLC, on behalf of itself and any other underwriters named in the Bond Purchase Agreement, as finally executed (the "Underwriter"), the Treasurer and the Authority, and approved by the Borrower,
- (iv) one or more preliminary official statements relating to the Bonds (the "Preliminary Official Statement"),

are hereby approved in substantially the forms on file with the Authority prior to this meeting, with such insertions, deletions, or changes therein (including, without limitation, insertions, deletions, or changes therein appropriate to reflect provisions relating to a deed of trust, a bond reserve fund, bond insurance, any other credit and/or liquidity facility and/or another security arrangement, at the sole option of the Borrower, for any series of Bonds) as the officer executing the same may require or approve, such approval to be conclusively evidenced by execution and delivery thereof in the case of the Loan Agreement, the Bond Indenture, and the Purchase Agreement and by delivery thereof in the case of the Preliminary Official Statement. The Executive Director shall seek the advice of bond counsel and counsel to the Authority with respect to any such insertions, deletions, or changes therein.

SECTION 4. The Authority hereby specifically finds and declares that the findings of the Authority set forth in the Loan Agreement are true and correct.

SECTION 5. The dated dates, maturity dates (not exceeding 40 years from the respective date of issue), interest rates, interest rate modes, manner of determining interest rates, interest payment dates, denominations, forms, registration privileges or requirements, place or places of payment, terms of tender or purchase, terms of redemption, provisions governing transfer and other terms of the Bonds, including provisions for a credit facility, and/or a liquidity facility from time to time, shall be as provided in each Bond Indenture, as finally executed.

SECTION 6. The Underwriter is hereby authorized to distribute the Preliminary Official Statement for the Bonds to persons who may be interested in the purchase of such Bonds offered in such issuance, it being understood that, at the discretion of the Underwriter (in consultation with the Borrower), a preliminary official statement shall not be used with respect to any series of Bonds. The Underwriter is hereby directed to deliver the final official statement (the "Official Statement") to all actual purchasers of such Bonds.

SECTION 7. The Bonds, when executed, shall be delivered to the Bond Trustee for authentication by the Bond Trustee. The Bond Trustee is hereby requested and directed to authenticate the Bonds by executing the Bond Trustee's Certificate of Authentication appearing thereon, and to deliver the Bonds, when duly executed and authenticated, to or upon direction of the Underwriter thereof in accordance with written instructions executed on behalf of the Authority, which instructions are hereby approved. Said instructions shall provide for the delivery of the Bonds to or upon direction of the Underwriter, as determined and confirmed by the Treasurer, upon payment of the purchase price thereof.

SECTION 8. Each officer of the Authority is hereby authorized and directed, for and in the name of and on behalf of the Authority, to do any and all things which they may deem necessary or advisable in order to consummate the issuance, sale, and delivery of the Bonds and otherwise to effectuate the purposes of this Resolution and the Bond Indenture, Loan Agreement, Purchase Agreement, and Official Statement. The Authority hereby approves any and all documents to be delivered in furtherance of the foregoing purposes, including, without limitation: (a) a tax certificate and agreement and other certifications and (b) any agreement or commitment letter with respect to the provisions of bond insurance, a letter of credit, a surety bond, a credit facility, and/or a liquidity facility for the Bonds of any series.

SECTION 9. The provisions of the Authority's Resolution No. 2021-01, or a superseding resolution subsequently adopted by the Authority, apply to the documents and actions approved in this Resolution.

SECTION 10. The Authority hereby approves and ratifies each and every action taken by its officers, agents, and employees prior to the date hereof in furtherance of the purposes of this Resolution.
